CLAUDE HARRIS, Clerk

CROCKETT BRANNOCK, Moderator

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

1949

Teaching and healing, two of the principal precepts of Christ's ministry, are the main objectives of your Baptist Hospital, which, together with the Bowman Gray School of Medicine of Wake Forest College, forms the only Baptist-owned hospital and medical school combined in the world today.

Underlying these objectives is the Christian responsibility of caring for the poor by giving them the medical service they require and by ministering to the sick throughout the State.

Funds received each year in our Mother's Day offerings are used to pay the hospital expenses of those patients who can pay only a part of the cost of their hospitalization or nothing at all. Receipts from the churches in Mother's Day offerings in 1948 totaled \$141,150.51. This included the value of linens contributed through Woman's Missionary Union and estimated at \$2,115.09 last year. Approximately half of the 8,800 bed patients admitted to the hospital in 1948 and all those seen in the 36,000 visits made to the outpatient clinics paid no doctor's fee and were assisted by the Mother's Day offering.

Your hospital provided more free service in 1948 than any other denominationally controlled hospital in the South. Free service amounting to \$314,777.17 which was dispensed to patients in the hospital and the out-patient clinics, was made possible by individual contributions, welfare agencies, the Duke Endowment, but mainly through the Mother's Day offering.

The Hospital is the property of North Carolina Baptists and is the concrete expression of their desire to minister to the whole person. A patient's need for pastoral care is increased, rather than lessened, by his physical sickness. To meet this need, the hospital has established a full Department of Religion with a director, a chaplain and a student secretary. Their duties consist of pastoral care of patients, the promotion of a religious program for nurses and medical students, including the teaching of Bible in the School of Nursing, the conducting of a program of Clinical Pastoral Training for pastors and theological students, and ministering to the patients and their families.

The chaplain is on call 24 hours a day at the hospital.

The Department of Religion is a bridge between the hospital and the parent denomination and as such it helps to keep the hospital close to the motives of Christian service on which it was founded.

We earnestly commend the work of our Baptist Hospital to the loyal support of the churches of our Associations. If any of the churches have not yet made a special offering to help the hospital care for sick persons who cannot bear the cost themselves, we urge them to set a day and take such an offering at an early date. Any church can at any time add to the offering it has already made. Every dollar we send is used to help care for the sick who are not able to pay their own way.

Respectfully submitted,

MRS. W. H. POINDEXTER

FOREIGN MISSION REPORT

Southern Baptists have mission work in thirty geographical areas. In seven of these areas work is at present carried on by nationals without missionary personnel; three of these are in Communist Europe, three in Communist China and the other in Moslem Trans-Jordan. The Foreign Mission Board has 689 active missionaries under appointment, working in 119 mission centers.

Seventy-three missionaries were appointed in 1948; forty-six additional appointments were made between January 1 and May 31, 1949. Missionaries are stationed in four new areas: Guatemala, Venezuela, Formosa, and West China. Also, Costa Rica with two missionaries was transferred from the Home Mission Board to the Foreign Mission Board on May 1, 1949.

Several new centers have been opened in other countries.

Among the foreign highlights are: a missionary doctor's success in securing a license to practice medicine in Paraguay, making possible establishment of Southern Baptists' first hospital in South America; a missionary couple sent to Paraguay for Russian-speaking people; purchase of Southern Baptists' first missionary airplane, for use in interior Brazil; rehabilitation of China and Japan from the destruction of the war; an international theological seminary opening in Switzerland this fall; extensive building in Italy; intensive evangelistic work in Nigeria and the Gold Coast.

The healthy condition of Baptist work abroad is evident in national Baptist conventions organized within the year and in the extensive work of older national organizations. The value of such national organizations is demonstrated in countries where national Baptists are holding Southern Baptist work together without missionary aid.

In response to an undercurrent of insistence, Secretary M. Theron Rankin, early in 1948, proposed an advance program calling for an annual budget of \$10,000,000 and a total staff of 1750 missionaries. This grew into the Southern Baptist Advance Program presented to the Convention in Oklahoma City in May launching a campaign for advancement all along the line, from the local church to the world mission fields, based on the principal of a fifty-fifty division of the collection-plate dollar.

Foreign Mission advance depends upon devotion to Christ and His kingdom program. The Holy Spirit will provide the necessary resources in men and money, if Southern Baptists are determined to do the will of God.

Respectfully submitted,
S. C. SMITH

HOME MISSION REPORT

The Home Mission Board has been commissioned by the Southern Baptist Convention to see that our homeland is thoroughly evangelized, and to this task the Board is giving itself. Home missions, strictly speaking, is the effort of all the churches, combined and functioning through a Southern Baptist Convention agency, to do the missionary work that cannot be done by the churches alone or by the state conventions. It is that group of missionary and evangelistic tasks which, either because of their nature or their size and difficulty, can be effectively handled only by a Convention-wide denominational agency. The object in operation always is to conserve by careful coordination of the work, whatever is being done by any other agency working in the same field with the purpose of evangelizing the whole

Convention territory. In short, home missions is the denomination as a whole taking the gospel in all its fulness to the people within its bounds who do not have it and will not have it unless missionaries are sent to them.

The purpose of home missions is to evangelize the homeland for world conquest for Christ. Home missions is not, therefore, simply a matter of emotional concern or evangelistic zeal. It is an essential part of our world mission for Christ. A saved homeland holds the key to a world's saving. All of our missionary enterprises near and far should realize that the saving mission is, and can only be, the welling forth of the saved life. We must have for our mission of salvation to lambs afar the impact of a great denomination saved by the Blood of the Lamb here at home.

Southern Baptists are committed to a world mission program. Their mission endeavor is not a series of isolated attacks, nor is it a campaign carried on by disconnected divisions. It is a movement to preach the gospel at home and abroad by the whole denomination. It is the united forces of King Immanuel carrying out His imperial commission to disciple the nations. Its strategic point of approach is the homeland. Keep the homeland evangelized and we have the hope and assurance of the world's evangelization. Let apostolic faith perish from the homeland and our tasks in far-off fields will fail for lack of support.

TEMPERANCE REPORT

Realizing the necessity for a more aggressive fight against the organized liquor traffic and for a more adequate program of alcohol education in the State of North Carolina, representatives from thirteen of the leading denominations in the State—namely: Baptist, Methodist, Presbyterian, A. R. P., Evangelical and Reform, Congregational Christian, Disciples of Christ, Moravians, Quakers, Wesleyan Methodist, Pentecostal Holiness, Pilgrim Holiness and Church of God; assembled in Greensboro on March 25, 1943 and organized The Allied Church League—a church organization that supplanted the United Dry Forces which did not have the official financial support of the

denominations as such. This organization was chartered by the State of North Carolina and was to be financed through appropriations from denomination budgets. The League today has become a potent force in the fight for the abolition of beverage alcohol.

Since 1937 the ABC forces have made an intensive effort to increase the Wet territory in North Carolina. Twenty-eight county wide elections have been held, with twenty-five voting against and three voting for ABC stores.

The 1935 Legislature granted the legal sale of beer and wine in each county without a vote of the people. This condition remained until 1947 when the General Assembly reluctantly passed a law permitting counties to vote. Immediately after its adjournment many counties circulated petitions to secure a vote. Since March 1, 1948, 34 counties have abolished the legal sale of both beer and wine. 21 counties now have petitions filed with Board of Elections and 7 of these have dates set. More than half of the counties in the State will be bone dry when these have voted.

In relation to the counties within the bounds of Western North Carolina: 22 counties are totally dry; 11 counties have elections to be held before the end of the year which leaves only eleven counties not voting within the two year period. Three counties have voted in ABC stores since 1947. One city, Asheville, permits the legal sale of liquor.

Many counties which have outlawed beverage alcohol have set-up definite plans for better law enforcement. Realizing the serious bootleg situation in North Carolina, Governor Scott has authorized the ABC board to try to eliminate the large amount of tax paid liquor shipped into the State from outside distributors. The Allied Church League has pledged its support to such a program and the county units of the organization have set-up committees to work with officers for a more effective law enforcement.

Believing education to be one of the most forminalbe and permanent ways of combating the liquor problem, the League has set-up an intensive program on alcohol education:

1. To assist the State Department of Education in promoting the course on Alcohol Education, as required by law, in each high school by planning courses, use of visual aid, and encouraging Allied Youth Posts.
2. To promote courses of instruction in the church school and special training courses for teachers on alcohol studies.
3. To assist in arranging courses on alcohol education in denominational summer assemblies, camp, church colleges, and pastor's schools.
4. To promote community studies of alcohol problems, bringing together various leaders; such as law enforcement officers, solicitors, judges of courts, welfare workers, ministers, doctors, educators, heads of hospitals, industrial and labor leaders, and representatives of social service agencies to participate in the studies.
5. To educate the general public on the need for clinics and Alcohol Anonymous clubs for the redemption and rehabilitation of alcoholics as a social responsibility.
6. To distribute up-to-date scientific literature on alcohol and its problems.

A large number of counties have carried through the suggested program in public schools under the leadership of county and city superintendents. A number of the denominations affiliated with the League have worked faithfully at the program of education in the

local church and in youth assemblies. The public and church schools have made use of our film service—having shown them more than 500 times during the year.

In recent months the general public has been made aware of the large number of alcoholics in America which is the end-product of the liquor traffic, and to the fact that these can be and are being rehabilitated. The church has always believed in the redemption of human personality.

The General Assembly of 1949 set aside \$300,000 to be used in treatment of alcoholics and mental patients addicted to alcohol.

The Dry Forces of North Carolina are now on the march! Plans are being made to hold beer and wine elections in every county in the state as soon as petitions can be circulated and circumstances will allow. It is our hope that not a single county will have beer and wine by the end of 1950.

RADIO REPORT OF SOUTHERN BAPTIST CONVENTION

In the 21 states of our Southern Baptist Convention there were on January 1, 1949, an estimated 62,021,100 persons who were not members of Baptist churches. A major number of these persons are not members of any church. They do not know the Bible. The Gospel of Christ has not come to them.

During a recent year an estimated \$550,850,000 was spent on radio advertising. Manufacturers of candy bars, soaps, washing machines and perfumes spent millions to tell these 62,000,000 people about the merits of their products and to induce them to visit their local stores and buy the items.

Likewise The Year Round Baptist Hour will carry by radio the Gospel Story to thousands yet untouched. It will be a great aid to you and your fellow workers in leading to Jesus Christ and membership in your church those of your community on whom you are not given the opportunity to call personally.

REPORT OF LOCAL STATION WPAQ

The station right in the beginning of its existence offered the Ministerial Association of Mount Airy one hour from 11 to 12 o'clock each Lord's Day to churches cooperating; each of the city churches sharing time alike and then each minister rotating on the Sunday Evening Vesper. Then it has been its policy to offer 15 minutes each day at 9 a. m. for Morning Devotions, which is highly commendable of the management of the Station.

In addition there have been various and sundry religious services rendered, some of a high type and some not so good. Some of our own preachers have very fine programs, but some of the services offered that call themselves Baptist could certainly be improved upon.

I want to make a motion that we offer a resolution thanking the management and Brother Ralph Epperson for his thoughtfulness and kindness in making these services possible over WPAQ; sending him copy of same.

Then I also wish to offer this suggestion to the Association that sponsor 30 minutes each month or as often as we deem necessary to keep our people informed concerning our own work, and to use it by our Associational Officers, Preachers, and teachers, to promote our objects and keep our people informed about Baptist work in our As-

sociation. That the Association pay for the program; and I also recommend that a Radio Committee be appointed and that they work under the direction of the Executive Board and Moderator.

SUNDAY SCHOOL REPORT FOR YEAR 1949

Our slogan for 1950 is to take your family to Sunday School. We have had a great year, but nothing to brag about. We have a Sunday School in every church in our organization, and recently organized a mission Sunday School. Our gain last year over the previous year was 172—in church membership 498. Let us stop and think one moment what our birth rate was in Surry County, and our death rate. There were 1,812 births—375 deaths. Let's compare this and see what we have failed to do.

Our aim for 1950 is to enlist 1,000 more in our Sunday School. To do this we must work all departments—Cradle Roll and extension department included. Also, to enlist 10 churches and full time service. Also, every church giving once a month to the orphanage. We can, we will, we must do all this for Him who gave all for us—Christ. The first recorded word that God spoke to man after he created him was "Be fruitful and multiply." Some of the last words that Christ spoke was "Go ye into all the world and preach the Gospel to every Creature." 1. Cor. 15-58: "Therefore my beloved brother be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in Vain in the Lord."

Jesus taught and commended the same idea in the parable of the talents. Matthew 25: 14-30. Jesus practiced this principle. He said: "I must be about my father's business."—Luke 2:49. Isaiah expressed the same idea. Isaiah 54:2—"Enlarge the place of the tent and let them stretch forth the curtains of thine habitations, spare not, lengthen the cords and strengthen the stakes." To accomplish this all the churches under the leadership of the pastors and leaders should decide these things and be willing to pay the price, regardless of the cost of the training and meeting and work.

How much shall Christian people give and do? The cross is the answer. The Love of God in our hearts will determine the response. Let's pray for power and not relief. For strength—not ease. For opportunities—not closed doors. It's more of everything that we need is good—more prayer, more work, more in our Sunday School, more training unions, more W. M. U., more brotherhoods, more training schools, more of the lost ones won to Christ. Let's open the church doors and keep them open. May we go forward and not stand still. "He which soweth sparingly shall reap also sparingly, and he which soweth bountifully shall reap also bountifully."—2. Cor. 9:6.

Let us work while it is day—when night cometh no man can work. May we pray as never before for the work.

A. L. HIATT

RELIEF AND ANNUITY REPORT

The reports reviewing the work of the Relief and Annuity Board presented to the Board in its annual meeting in Dallas on March 9

clearly showed 1948 to be a year of splendid achievement in service rendered and in increased assets.

Officers of the Board were re-elected. Dr. Wallace Bassett, president; Dr. Walter R. Alexander, executive secretary; Dr. R. S. Jones, associate secretary; Mr. Orville Groner, treasurer-investments.

The total income for 1948 was \$3,888,740.40, with total benefits paid amounting to \$1,292,341.84. Total assets of the Board as of December 31, 1948, were \$15,094,093.60.

There were 2,297 new certificates issued in all the plans of the Board, 774 of them being in the Ministers Retirement Plan.

The Widows Supplemental Annuity Plan is now in force in all the states of the Southern Baptist Convention with the exception of two—Florida and Tennessee; and Florida will probably qualify for participation in this plan within a few days.

There is much need for greater promotion in all of the states. As yet, there are too many pastors and lay workers who do not have the protection the Board offers. Every person gainfully employed in denominational work, whether pastor, missionary, employee of state or southwide board, institution, or agency, and every lay worker such as educational director, church secretary, janitor, etc., should be enrolled in one of the plans fostered by the Board, that when retirement age is reached or ill health impairs there may be some income provided by membership in one of the plans. Your state office desires the assistance of pastors and others who have this protection to assist in the work of enlistment, bringing others into the plans provided for them.

The relief department paid out \$237,252.09 to 1,385 beneficiaries. In nine states more money was spent for relief than was received for relief in those states. We would urge every church in the association to follow the Calendar of Denominational Activities of the Southern Baptist Convention and take a fellowship offering, preferably at the observance of the Lord's Supper, or at such time as convenient for the church. Unless this is done no increases can be granted in 1949 and few new names can be added to the roll.

REPORT OF BIBLE SCHOOL AND TRAINING UNION

The progress of our B. T. U. seems to be static for many years. There has been about five churches in our fifty-eight churches in the Surry Association, who have the resemblance of a B. T. U. and some are not conducted all year around. Most Baptist churches in our Association have a "Peculiar Situation" that keeps them from having a B. T. U. The Situation being: the day of the week, season, preacher, deacon, no trainees, or no leader.

I would like to compare a B. T. U. to a Spiritual Workshop. In this workshop we teach people to pray, Baptist Doctrine, advice on secular and spiritual matters of the day, by great spiritual leaders. Here the Young Christian, regardless of age, can discuss the great problems that confront him and also train to be a strong Christian Baptist. We spend much time and money securing workshops in our schools, colleges and material things of life, such as factories, mills, etc.; but the things that are eternal, we spend little time or money. We do not know that once one is born into the Kingdom of God, that he is eternal and that all Spiritual Truths learned will be carried through eternity. Many churches have a program of Evangelism, which I grant is Primary and of the First Importance, but there

their program of training ends. To use a popular saying, "We dip them and then drap them." What is this policy leading to, we find about one person a year in the 59 churches of our association giving himself in Greater Christian Service. We also find members and churches being torn by every wind of doctrine. We find homes that know not the importance of prayer and Bible study, where children never hear the meaning of the great precepts of our Baptist Doctrine, nor ever hear the great truths of the Bible taught to them; because these parents before them cannot teach the child what they do not know themselves.

To accomplish this program will take leaders, who will have to be trained. We will have to have study courses and other programs of training from our leaders, so they can carry this great program of training to their individual churches. I realize many leaders will be disappointed, discouraged, and feel like quitting, but by the help of Christ, will make strong Baptist Churches in our Surry Association. Who will do the works that Christ commanded them to do?

THE AMERICAN BIBLE SOCIETY

In every missionary advance the Bible goes forward first!

This principle has been demonstrated throughout the whole course of Christians Missions. It is a basic factor in all planning for an advance program for world wide missions.

If the people of the world are to know Christ, the one hope of men and nations, they must have the Bible. It is the one primary source of knowledge of Him.

Today when millions of people around the world are turning to the Bible as never before and when there is a severe shortage of missionaries in many fields, Bible distribution is more than ever a "must." The Bible is the Missionary's chief tool. The Bible itself is a missionary. It can go where the human missionary cannot go, stay when he must leave, and keep on working in a man's heart.

Providing the Bible for world-wide mission work is an essential missionary task.

Every man must have the Bible in his own native tongue if the word of God is to speak to his heart. Someone must translate it into his language, publish it, and send it to him, wherever he may live.

In most countries of the world, the income of the people is so low that they cannot afford even the bare cost of the printed Scriptures. Someone must help those who can pay only a part of the cost and the many who cannot pay at all.

The American Bible Society, a missionary non-profit organization, supported by gifts, serves as that "someone." It aids in Bible translation, publishes the Scriptures without note or comment, and distributes them, without profit and usually below cost for use in the mission work around the world. Working in cooperation with the churches and the denominational mission boards, the Society serves every form of Southern Baptist work, at home and abroad.

During 1948 The American Bible Society distributed at home and abroad nearly ten million volumes of Scripture.

The Society in its world Emergency program, reached a total of nearly twenty million volumes of Scriptures in eight and one-half

years distributed to service men, prisoners of war, displaced persons and civilian populations in Europe and Asia.

The Society provided needed printing machinery, paper and binding materials for producing large quantities of Scriptures in Germany and Japan on a self help basis.

Opportunities for the year 1949 call for an advance program of Scripture distribution.

In today's "uneasy peace" the heart of all mankind is gripped by fear that we will not be able to control the destructive forces set loose by our own inventive genius. Men are realizing that the Bible presents the only real answer to the needs of men and nations, and are earnestly seeking the word of God.

But it is a race against time. Today's hungry-hearted eagerness for the word of God may not last indefinitely; opposing forces are at work.

In 1948 Southern Baptist churches gave \$106,739 at the American Bible Society. Total gifts to the Society from churches of all denominations amounted to \$922,192.

Increased gifts will be required to provide for urgent needs for missionary advance throughout the world. Every church is urged to give even more generously and I am sure that we can count on the churches in our association to do their full share.

ORPHANAGE REPORT

The Baptist Orphanage of North Carolina operates two homes. Mills Home which is located at Thomasville—covers approximately 400 acres of land, has 16 cottages for the children to live in and cares for approximately 390 children. Kennedy Home located in Kinston—covers approximately 1200 acres of land, has 7 cottages, including one just recently completed, cares for approximately 165 children.

Mother's Aid—Children care for in the homes with their mothers through contributions from the orphanage monthly.

Boarding Homes Setup—There are certain children who for one reason or another do not fit in well with institutional life. These are placed in Boarding Homes sponsored and licensed by the Welfare department and the cost of the care for children is paid by the orphanage.

Who is received into the orphanage? Dependent children between the ages of 2 and 12. Approximately 35 applications are received each month.

These children are trained and cared for through four primary mediums: 1—Church life. 2—School. 3—Cottage life. 4—Work program.

1—Church life. The orphanage maintains its own church and supports it entirely. No funds sent to the orphanage is used in carrying on the church program. It has its own full-time pastor and operates all departments of a missionary Baptist Church.

2—Schools Program. A new schedule for the school has recently been put into effect. The entire high school student body go to school in the city school system, having access to all the studies of a normal city high school. The grammar school students attend a state-sanctioned school on the campus of Mills Home. The Kennedy Home

students all go to a city school. Athletics, music and other extra-curricula studies are encouraged.

3—Cottage Life. In each cottage for boys there are approximately 20-24 boys under the direct supervision of a matron who ministers to the needs of each boy. The same thing is true in the cottages for the girls. There is a well equipped infirmary, and a registered nurse who ministers to the ills of the boys and girls. Cottage life is made to be as nearly normal as possible.

4—Work Program. Each boy and girl upon reaching a suitable age is given a duty to perform before and after school. Of course in the summer time they work at this duty all day. The following are some of the duties performed by the boys: Farm work, Dairy work, Poultry raising, Hog raising, Truck and Tractor operation as well as other mechanical farm machinery, and of course the Print Shop uses the boys in carrying on the work and in training them for future printers. The girls are given duties in the laundry, sewing room, the infirmary, housekeepers and cooks in the various cottages.

In the last two or three years extensive repair work has been done on all the buildings. Modern heating plants have been installed in most of the buildings. Modern electrical appliances have been installed in the buildings in order to facilitate the work. All the repairs plus the continual high cost of foods and materials have necessitated a large outlay of money, hence it has caused the expense to be greater than the income. The daily cost of operating all phases of orphanage work is well over \$700.00.

The minutes show that fourteen churches made no contributions to the orphanage last year. The other forty-four gave \$5,619.37 to their support.

Respectfully submitted,
SAM McKNIGHT

REPORT OF EXECUTIVE COMMITTEE

SEPTEMBER 30, 1949

The primary work of this committee is deciding one great question—what can be done about an association missionary? Two years ago we saw the need was great. There was a suggested amount for each church to contribute for this cause. Some of these churches responded but most of them did not.

Today we stand with our mission work still neglected. This committee recommends that we get a man on the field at once.

Churches, let us rise to our responsibility and secure a man for this responsible position. We refer you to the report and recommendations of 1948. "Lift up your eyes and look on the field for they are white already to harvest."—St. John 4:35. "The harvest truly is great but the laborers are few."

Pray ye therefore the Lord of the harvest that he would send forth laborers into his harvest.

WOMAN'S MISSIONARY UNION REPORT

We are deeply grateful to God for His blessings on the work of the W. M. U. of Surry Association during the past year. In pioneering in this great task, we realize the imperative need of obeying the command of Jesus who said, "Go ye therefore and teach all nations, baptizing them in the name of the Father, Son, and of the Holy Ghost; teaching them to observe all things, whatsoever I have commanded you." Truly the leading of others to Christ, is the first and primary task, of those who obey this commission. Yet the job is not finished there; it is only begun.

Knowing that 44 of our churches out of 58, in Surry Association do not have an organization of the W. M. S., and a great number are not able to give a reason, the need is being felt to emphasize the latter part of this commission—that of teaching them to observe all things, whatsoever He has commanded. So that churches will grow strong spiritually, and be able to express their beliefs, not in words only, but in action, that we might be able to, in a small way, carry out the great commission—"To go into all the world and preach the Gospel."

For every gain we thank God and take courage. For every failure to move forward as swiftly as our Lord beckons us on, we beg forgiveness, and ask Him for another opportunity. Thus we come to the end of the year 1948, with the following report:

We have twenty-one organizations in our union, which are as follows: W. M. S., 14; Y. W. A., 2; G. A., 3; R. A., 1; S. B., 2. Total enrollment 519.

Total amount given through Cooperative program.....	\$3269.30
Total amount given through special offerings.....	1057.62
Grand Total.....	4326.92

Our Young People are showing much interest, and have gone forward under the guidance of their Associational Director, Mrs. Rastus Poore. Her report shows an increase in number of organizations, tithers, and Mission Study courses. A number of our young people enjoyed the benefit of our summer Training Camps, and we hope more will avail themselves in this privilege next year.

The work of some of our missionary societies through Community Missions, was most outstanding. Some adopted needy families, and supplied their needs for a certain period of time, visited the sick and helped in many other phases of this department.

An earnest effort has been made through our consecrated Stewardship Chairman, Mrs. A. Finch, to teach the Bible plan of tithes and offerings, for the financing of the kingdom of God. We realize the need of more Tithers in all our organizations, and the many opportunities of service through Stewardship. •

Our Annual Associational meeting was held with the Holly Springs Church, June 7th. Our guest speakers were Miss Florence Lide, a former missionary to China, and Mrs. John Wacaster, from State Office, Raleigh.

We are most grateful for the encouragement and help of our pastors and fellow church members. We earnestly seek your prayers and continued help as there is so much to be accomplished. We need more organizations, more consecrated stewardship of our time, talents, and money, and a great zeal for the advancement of the work of the Lord, in our Surry Association, and throughout the world.

Records for 1904, 1905, 1907 and 1908 are not available.

The 1904 and 1907 records were taken from the 1903 and 1906 records and are not adjudged to be correct.

Pauls Creek Church is in Carroll County, Virginia. Willis Gap Church is in Patrick County, Virginia. All the other churches are located in Surry County, North Carolina.

Fourteen out of the original nineteen churches are members of the Surry Association today.

This Association was formed from the Yadkin Association, which held its 159th session this year.
