Thank you for your letter postmarked September 23, 2002. We are sorry it has taken us so long in answering your letter. It took us some time to look through the thirty cemetery books of Surry County looking for Sarah and John Sater. We are sorry to report that we were unable to find them listed in the books. If John died in 1820 he is probably in an unmarked grave somewhere. We wish that we could have found the record for you.

Thank you for sending the family group sheets for John Sater and George Barker and also the synopsis of the Revolutionary War experience of George Barker.. These are a great addition to our family files. Thank you so much for your support to our group.

We will keep a lookout for the name of John Sater for you and if anything should appear or another researcher inquires about him, we will get in touch with you. Best of luck with your research and if we can help further please write again.

Dear Ms. Hiatt,

I was very pleased to receive the abstract of John Sater's Will which your Association sent me in response to my request for information. Since the other information you sent me stated that Wilkes County was formed from Surry County in 1777, & Surry County from Rowan County in 1771, I have revised my search for records relevant to John Sater's marriage to a woman named Sarah.

Family history stated that John Sater moved to Wilkes County at the same time that his sister, & her husband Benjamin Howard, moved there from Baltimore County, Maryland. Since the family history states that they moved from Maryland to Wilkes County, NC, then it must have occurred after 1777. This would suggest that John Sater married while still living in Maryland; particularly since his daughter Elizabeth was born in 1776.

Perhaps, though, since it is known that John Sater died 16 Aug. 1820, it is probable that he was also buried in Surry County. Would it be possible to explore the Cemetery lists of Surry County in an attempt to find where John Sater is buried, as well as his wife Sarah?

In your previous correspondence you stated that you would be pleased to receive a pedigree chart for both John Sater & George Barker, as well as a synopsis of the Revolutionary War experience of George Barker. Additionally, I have included family group sheets for John Sater, Henry Sater, George Barker & Joshua Barker.

I release all of the information I have enclosed to be utilized by your Association as you deem appropriate in your assistance to others in their genealogical research.

Enclosed is a SASE for your convenience of response to my request for information regarding John & Sarah Sater & where they may be buried.

Thank you for your time & consideration.

Respectfully,

Fred Lonzo Hutt

Surry County Genealogical Society
P. O. Box 997
Dobson, North Carolina 27017

Dear Society Members:

For the last couple of years I have been attempting to compile an accurate & extensive historical profile of the various lineages which form my family genealogy.

One such line is the SATER family. John Sater came to North Carolina, in the company of his sister Prudence & her husband Benjamin Howard, from the Baltimore Maryland area; around late 1763 or early 1764. Originally they settled in Wilkes County, NC, but soon moved to Surry County, NC.

It was near a town named Huntville (sic) (Huntersville?) NC that John Sater met & married a woman named SARAH. John & Sarah reportedly had eight children. Elizabeth Sater, my direct ancestor, is listed as child number 7, & she was born in 1776. So John & Sarah would properly have been married in the late 1760's.

I am looking for the following information relevant to John Sater (b. 1 May 1751 MD - 16 Nov 1820 Surry Co. NC):

1. Date of marriage bond/marriage to Sarah. (maiden name?)
2. Military/militia service in Wilkes/surry counties during the Revolutionary War.
3. Any biographical sketches in county books/history.
- ✓ 4. Photocopy of Will (died 16 Nov. 1820, Surry Co. NC; one source says Aug. 1820)

page 1 of

Additionally, I would like to obtain information relevant to the daughter of John & Sarah: Elizabeth Sater (b. 1776 NC - d. 1846 IND)

1. date of marriage bond/marriage of George Barker to Elizabeth Sater. (1790's?)

(George Barker served in the Revolutionary War, initially from Washington Co. VA, then later from Wilkes Co. NC.)

Enclosed is a SASE for your convenience in responding to my inquiries & requests. Please include all costs & other necessary procedures I must meet so as to acquire any of the information I am seeking (if it is available, of course).

There is some information in my possession regarding these individuals other than that which I am looking for, such as the lineage of John Sater through his father Henry Sater, a prominent individual in early Maryland, immigrating to America from England. I also have George Barker's Revolutionary War service history. I could copy these items for you if you think they would be beneficial additions to your historical collection, as well as a pedigree chart illustrating my descendancy from John Sater. Let me know.

Thank you for your time & consideration.

Seek to find the beauty in life.

Respectfully,

Fred Longo Hutto

Thank you for your letter postmarked August 7, 2002 regarding John Sater and his daughter Elizabeth.

We did not find a marriage bond/marriage for John to Sarah in Surry County. If they were married in the late 1760s, they may have married in Rowan County. Surry formed from Rowan County in 1771. You stated they first came to Wilkes County from the Baltimore, Maryland area. Wilkes County formed from Surry in 1777. The marriage was not found in Wilkes County.

You stated they later moved to Surry near Hunteville/Huntersville. The area was probably Huntsville which is now in Yadkin County.

Local books were checked for family sketches/histories and military information but we were unable to locate any information.

We have enclosed a copy of the abstract of the will of John Sater found in Surry County. If you want a copy of the will, write the Office of Archives and History, Division of Historical Resources, 4614 Mail Service Center, Raleigh, NC 27699-4614.

We did not find a marriage bond/marriage for Elizabeth Sater to George Barker in either Surry or Wilkes Counties.

We are very sorry that we were unable to answer your questions on these individuals and provide more information. We would be happy to have a copy of the information on George Barker's Revolutionary War history for our file and possible publication in our journal if we have your permission. A pedigree chart for John Sater and George Barker would be a great addition to our files also.

Best of luck with your research. We will be happy to put a query in our journal for you and place a surname card in our files. Information is enclosed.
