MISS ME – BUT LET ME GO

*When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom - filled room.
Why cry for a soul set free?*

*Miss me a little - but not too long
And not with your head bowed low.
Remember the love we once all shared.
Miss me - but let me go.*

*For this is a journey I must take,
And each must go alone.
It's all a part of the Master's Plan,
A step on the road to home.*

*When you are lonely and sick of heart.
Go to the friends we know.
And bury your sorrows in doing good deeds.
Miss me - but let me go.*

Thank You

*The loss of the one we held so dear.
It was to us a great comfort indeed,
To see you in the time of sorrow and need.
So from our hearts which you tried to help mend,
We thank you sincerely again and again
For being such wonderful friends.*
