EXPLANATION

Martha Ellis and the Bryants were the wife and children of James S. Bryant. James and Martha were on the 1850 census of Surry with the first 4 children. They had left Surry before 1860. James is on the 1860 census of Johnson County, TN alone. The family story is that Martha, plus John, Huldy, Clerasy, Frank, Margret, and Samuel had died of typhoid in Jenkins, KY, but I have found no proof of this. I have not located Caswell and George on an 1860 census. In 1870 they are back in Surry with their uncle John Ellis.
