## Crescent Electric Membership Corporation

Statesville, Mocksville, Taylorsville, Cornelius

*Proudly Providing Energy to Piedmont Ruritans in 11 Counties*

Cooperating To Keep America Working

## DEDICATION

### NATHAN SIMPSON

---

The debate of whether Nathan Simpson found Ruritan, or Ruritan found Nathan in 1962 may go on, however, neither has been the same since.

Nathan's membership began with the organization of the Southern Caswell Club where he became an honorary member this year. He has proudly been a charter member of two other clubs and currently maintains active membership in the Greater Whitsett Club. Nathan is in his 32nd consecutive year of perfect attendance.

Nathan has served the Piedmont District Cabinet since its organization in 1964 and held the office of District Governor in 1975.

## FROM THE GOVERNOR

Fellow Ruritans,

It is an honor and a privilege to serve you as your District Governor in 1993. 1993 can be called the year of change and the year of transition.

As most of you all know the economy is soft but promising. In today's economy, corporations are down sizing. They are getting leaner in order to compete in today's market-place. Ruritan is no different, we have to look at ourselves and react. At the beginning of the year we had clubs that existed only on paper. But thanks to our District Cabinet we have "slimmed" down. We have purged our membership rolls. We are down to a solid foundation which we can build upon. It is now up to you, the club members, to go out and seek new members and reclaim old ones and to, once again, increase our ranks.

How do we achieve this? Simply by believing in ourselves. What is esprit de corps? The term means the common feeling of purpose, pride, loyalty and responsibility that unites a disciplined group. Ruritan has a long history of purpose, pride, loyalty and responsibility to our communities. That was what Ruritan was founded upon.

Back when each of you joined Ruritan, you were initiated into Ruritan. You agreed to do certain things.

Membership in a Ruritan Club is an honor and a privilege. However, because service is the keynote, it also involves duties and obligations. These should be performed by you with faithfulness and enthusiasm. Duties and obligations translate into hard work. Each one of you have to work for a living, you have to work hard in exchange for money for which you live on. Ruritan is no different, you have to work hard in order to earn money for which you implement your Ruritan programs in your community. As a result of hard work and long hours you reap the benefits. That benefit is called success.

I challenge each club to be more active in your community and also for the under-charter strength clubs, I challenge you to go to work and recruit new members in order to be an asset to your community.

In slow economic times I challenge you to talk Ruritan, go after new members and take pride in your endeavor. When the economy changes you will be pleasantly surprised. You will have people waiting to join.

Last, but not least, our National Convention will be in Charlotte in January 1994. Please make plans to attend. The Piedmont District is host district and we are working with the other districts in the state and through the Association of North Carolina Ruritans to bring new meaning to the term "Southern Hospitality."

Please remember, Take Pride, Get Involved.

Sincerely,

Ronnie Whitlow

*This is an article and picture which the Millbridge Ruritan Club has published in the local paper.*

## Ruritans to hold property dedication

The Millbridge Ruritan Club will have a property dedication ceremony Tuesday at the club's new property, located across the street from Sloan Park.

The club purchased the property through five years of fundraising efforts. Members wanted the community to have property and, eventually, a building to hold meetings and get together.

The ceremony will start at 6 p.m. Representatives from the Ruritan National Headquarters will attend.

After the ceremony, the club will move to Sloan Park

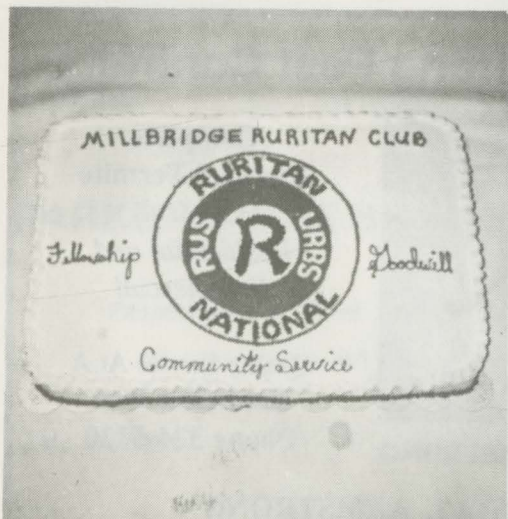

for a family picnic and award ceremonies.

The Millbridge Ruritan Club has existed for five years. Its goal is to improve the community and build a better America through fellowship, goodwill and community service.

The club began with 17 members and has grown to 32. All five past presidents of the club — Hayden Poteat, Steve Gatton, Millard Goodnight, Tom Turner and Larry Graham — will participate in the dedication ceremony. Current president Bennett Silliman will also participate.

**NEW RURITAN BUILDING** — Millbridge Ruritan Club members and others gathered across from Sloan Park Tuesday for the dedication of property for a community building. The club hopes groups in the western part of Rowan County will be able to use the building.

The cake that was decorated by Phyllis Steinauer wife of one of the club members for the property dedication ceremony
