

# For This Christmas

Bring the spirit of comfort and good cheer in your home by letting us install beautiful and modern lighting fixtures. A house that is well lit is always inviting, particularly if some of the modern improvements in wiring and fixtures are used.

## Make Yourself A Gift of Today's Comforts

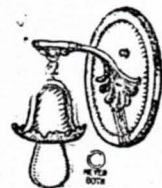

Whether it is a chandelier of four-24 candles or a distinctive appearing wall lamp—we have it in the latest exquisite and appealing designs with the appropriate color shade to match with decorations in your home.

We shall be pleased to make a thorough inspection of your present lighting and will gladly suggest whatever changes may be necessary. Then we will submit samples of our modern Lighting Fixtures. After making the selection you will be pleasantly surprised at the moderate cost.
