An Adventure with String Eggs

~ *PROPER LADIES TEA* ~

I know you never thought you'd see,
an invitation to a ***Proper Ladies Tea.***

We'll pass the hours in tasteful sport
Boating, croquet, serving birdies on the court

An afternoon of gossip ~ of the non-malicious sort
With a dear friend, or a new friend, while rocking on the porch

(Now of course since is was men who so long withheld our votes
Not one will be allowed to join this gathering of petticoats!)

Aunt Mamie will give a reading on the lawn in the shade.
Bountiful sweets and treats, just for you, are being made

A sip of tea to salve our tender throats
A sandwich, a bite of sweet, a bit of fruit, please take note

The dress code for a ***Proper Ladies Tea*** *(and other ladylike sport)*
is a lark and an adventure our great grandmothers would support

Proper Ladies know that a dress of modest length, hat, gloves, a fan ~
All suit a ***Proper Ladies Tea,*** *(and race the heart of any real man)*

None of today's scathing, scandalous, unfettered revealing dress ~
Can turn a head like a fleeting peek with the best left to guess!

A parasol or cane for the weather and terrain
Grandmother's pearls, compacts, brooches, any treasures that remain

Rest assured, of course, that if such dress is not your cup of tea,
Shared purity of soul and sisterhood is why this occasion will be

So grace us with your presence, regardless of your attire
A woman who is true to herself is what we admire.

No RSVP is required since, of course, you will attend,
How else, this day would any Proper Lady spend?

Come to your agent meeting month
whether its May or June

We'll have afternoon tea
regardless of a.m., p.m. or by the light of the moon.

Re: Christmas for Foster Children -1994

Dear Ms. Carlyle:

We want to express our appreciation for your interest in helping the less fortunate at Christmas time. Your contribution helped one or more children to have a much better Christmas. It was probably the best Christmas that we've ever been able to help our children have. Please know we could not have done it without your help.

"Santa Claus" for the foster children of Surry County is possible only through contributions of money or gifts from individuals, churches, groups, clubs, etc. We hope you will remember us each year as you plan your holiday giving.

We apologize for not sending your thank you letter sooner. Certainly the timing is not in keeping with the appreciation we feel all year for your caring.

Sincerely,

Bonnie H. Cook

Dear Mrs. Taylor,

I trust that you are getting along nicely now after leaving the hospital.

Since we missed the July meeting of our club, I wonder if we could have it on Monday Aug. 10th. I will be away on my vacation the last two weeks in August so don't want miss another meeting. The subject is Food Conservation. You wrote that perhaps the Millers would have the meeting and I wonder if you would find where we will go and let me know. I am enclosing card that you may give to Mrs. Atkinson to mail so everyone will know it.

Yours truly,
Verna Stanton.

April 24, 1962

The meeting was called to order by Mrs. Harvey.

Mrs. George Snow gave the devotional – a reading from Genesis. The group repeated the Lord's Prayer in unison.

Mrs. Snow also led the singing of "The Old North State."

The secretary read the minutes and called the roll. Eighteen members were present.

Mrs. Harvey and Mrs. Jobie Hardy gave the lesson "Modern Laundry Methods." They distributed leaflets illustrating points mentioned before hand.

Fifteen articles made by club members were modeled. Kathy Fulk and Sarah Snow were given first place. Mrs. Julia Johnson was chosen as Alternate.

Plans were discussed for serving meal in homes of members.

A delicious salad and coffee was served by Mrs. A. C. Snow and Mrs. Badgett.

Respectfully submitted, Mrs. S. H. Atkinson Jr.

YEARLY REPORT OF SILOAM HOME DEMONSTRATION CLUB

Siloam, Surry County, N. C.

Club attendance during the past year was excellent in our Club and we have four members with perfect attendance. The special demonstrations were well attended and of the three special demonstrations scheduled, two were given in the absence of the Home Demonstration Agent and the leader for the other was unable to come at the last minute. In no instance did any Club woman refuse to do what was assigned or asked of her. This shows a good spirit of cooperation.

Most of the project leaders gave easy, informal talks on their subjects instead of reading from pamphlets or books and this is to our way of thinking, the nicest way.

We regret that we were unable to get any new members during the past year, but several of the women are working on this, and we do hope to be able to report at least one new member next year. There were four non-club members assisted by Club members this year, so maybe this will bear fruit in 1948.

There were numerous improvements made to homes etc by Club members - such as

rooms painted - 7
floors refinished - 9
new bath rooms - 2
reupholstered furniturs - 6 pieces
sewing - 119 pieces (dresses, pajamas, curtains, cloths etc)
screened porches - 3
windows screened - 6
doors screened - 2

Quite a lot of new furniture was purchased by members -

electric ranges - 3
water heaters - 1
washing machines - 1
vacuum cleaners - 2
percolators-electric - 2
heaters - electric - 1
oil burning circulators - 5

also new curtains, shades, venetian blinds, coffee tables, beds, dining room furniture, cedar chests, record cabinets, rugs both wool and linoleum.

Our Club has taken the school as its project for 1948 and we hope to be able to get some work done and improvements made on the building.

1947

We supported the Red Cross drive, Tuberculosis drive and the Cancer drive.

We had four women with perfect attendance for the year and two who read three books each and reported on them. Those with perfect attendance were

Mrs. Nellie Matthews
Mrs. S. Hugh Atkinson
Miss Dixie Miller
Mrs. J. Coke Marion

Those who read the required number of books and reported on them were

Mrs. S. Hugh Atkinson
Mrs. J. Coke Marion

The Siloam Club's yearly market report was $826.33.

1947

MRS. J. COKE MARION - SILOAM HOME DEM. CLUB

Are you going to the Club meeting? If someone had asked me that question a year and a half ago, the Club in question would have been a gathering of women with nothing more serious on their minds but whether or not they would have good hands at cards and the relaying of the latest bit of gossip. Not that a bit of gossip now and then isn't interesting, but we would not have learned anything worthwhile.

Now when someone asks me if I am going to the Club, it means that a group of women will gather and learn something that will benefit them, their families and a general feeling of good fellowship will prevail. I always know that I will gain some new bit of knowledge about those things that we do every day whether it be new ways to prepare food, canning tips, household tips etc.

Begin

During the past Club year we purchased a home here in Siloam, our very first in fourteen years of married life and now we are having the joys as well as the trials of getting remodeling done. The Home Demonstration work has helped me a lot, especially with the floor finishing, for now I know just exactly what I am going to do when our floors are sanded. Having given the demonstration back in March it will be easy to do my own floors.

We plan to sheetrock the entire house when we can get the labor and the decorating ideas I have gotten from Club programs will go a long way towards helping me select color schemes. Our bath room is nearly completed and we have purchased the following new electric appliances - vacuum cleaner, washing machine, lamp and water heater. We also have a new lawn mower, coffee table, dining room furniture and floor covering for the kitchen.

The basement is being finished so that it can be used as a storage for canned food and also a laundry. We are installing sink in the basement with hot and cold running water and we hope in the future to be able to put built-in cabinets for extra storage.

We are heating the seven rooms in our house with two new oil burning circulators. We have put Venetian blinds in two rooms, purchased a pressure cooker and a new electric iron. I painted all the kitchen cabinets and furniture, six porch chairs and a talbe and fernery, painted the front door and back door. We built a new back porch and screened it. The kitchen walls were painted a bright cream color to bring in more light and I made curtains for window and door.

We removed several of the old inefficient lighting fixtures and put in new ones which will be easier on our eyes. We are fixing up a large room in the back of the house for the use of our son, so he will have a place, not only to study in, but where he can bring his friends to play and talk.

End

1947

One of the things which I have enjoyed more than anything was the Farm Woman's Day held in Elkin. It was there that I heard Dr. Jane McKimmon and all the others. I wrote to Mr. John Harris, who that day gave such an interesting lecture on proper planting, and had from him a very informative letter regarding my own particular problem in landscaping. I also heard on another occasion, Mrs. Virginia Swain and her talk on the problems of children and parents helped me so much to better understand my son and his problems.

I canned, sewed, decorated and cooked this past year, always with the information in my mind that I had gotten from the Club meetings. It is to me a joy and delight to belong to the Club.

Of course, living in the country has its less pleasant side too. I learned the hard way that "mite" is a word not confined to the "Widow's mite" as quoted in the Bible, but a very energetic little animal whose accaquaintance I made one day when I cleaned out the chicken house. Labor is still scarce as everyone who has tried to find workmen have found out. So I decided that if the chicken house was to be cleaned, I would have to do it. The barn was another problem, but it got done. One thing I will never understand though, is why a hog will pick nightfall (at least ours did) to wander off and we have to take lanterns and flashlights and hunt the animal thru the darndest woods.

We butchered our hogs and stored them in a freezer locker and I had the pleasure of carrying a coopfull of chickens to the market and selling them for a fair price. Only then did I really feel that I was a truly country woman.

I wouldn't trade country living for city or town living again. There is something so satisfying about being out in the open where, as I feel it, one can breathe a little better, think a little better and above all feel a little closer to one's neighbors. In the country I have found that we are all more dependent on one another. I really believe I have even learned to pray differently, for now and then it is necessary to pray for rain ~~enough~~ or not, just whatever the weather has been. Why anyone should look down on a country person, I will never again be able to understand, for if it were not for country people, where would city people be?

I do hope to be able to accomplish so much more during the coming Club year than I have been able to do in the past.

Siloam Club Members Participated
in retirement tea for long-time Surry County Home Agent
Mrs. Grace Pope Brown, May 1956.

HOME DEMONSTRATION AGENT HONORED—Mrs. Grace Pope Brown, left, Surry County Home Agent, cuts the cake at a tea given in her honor by the Surry County Council of Home Demonstration Clubs yesterday at the Surry County Agricultural Building in Dobson as Mrs. Jim Dan Hemmings, a member of the Mountain Park Home Demonstration Club, Miss Charotte Bridewell and Miss Nellie Waddell, assistant Home agents, look on. Mrs. Brown, who served as Home Agent in Surry County for the past 18 years, will retire May 30. She will be succeeded by Miss Bridewell. Approximately 250 Surry County Home Demonstration Club members from Surry County attended the tea which also climaxed National Home Demonstration Club Week. (TRIBUNE PHOTO—G. LAFFOON)

Surry HD Clubs Honor Mrs. Brown

To honor Mrs. Grace Pope Brown, Surry County Home Agent, the Surry County Council of Home Demonstration Clubs entertained at a tea yesterday afternoon at the Surry County Agriculture Building in Dobson.

The tea was in honor of Mrs. Brown who will retire on May 30 after 18 years service as Home Demonstration Agent and also climaxed National Home Demonstration Club Week.

The Surry County Council of Home Demonstration Clubs is composed of 25 clubs throughout the county. The committee in charge of arranging for the event was Mrs. Kester Sink, Mrs. Glenn Armfield, Mrs. Hoyt Badgett and Mrs. Chester Holder.

The receiving line was composed of past county council presidents. Greeting the guests were Mrs. Grover Wood and Mrs. S. H. Atkinson. Mrs. Glenn Armfield, president of the Surry County Council presented the guests to the honoree, Mrs. Brown. Mrs. Lon Jackson presided at the guest register and others in the receiving line were Miss Charlotte Bridewell, assistant Home Agent who will succeed Mrs. Brown; Miss Nellie Waddell, assistant home agent; Mrs. Clarence Huffman, secretary to Mrs. Brown for nine years; Mrs. H. G. Holyfield and Mrs. N. J. Martin.

Refreshments were served from a beautifully appointed table overlaid with a lace cloth and centered with an artistic arrangement of gold carnations, flanked by lighted tapers. The Home Demonstration colors of gold and green were effectively carried out in the appointments. The cake, which was served was a gift presented to Mrs. Brown at the Spring Festival of Home Demonstration Clubs at the Gilvin Roth YMCA on April 19 by the Elkin Kiwanis Club.

Club presidents alternated presiding at the tea table during the afternoon. Presiding at the tea table from 2 to 3 p.m. were Mrs. Jim Jackson, Mrs. Chester Holder, Mrs. Virgil Wood, Mrs. Hobert D. Redmon, Mrs. Hoyt Badgett, Mrs. Glenn Snow, Mrs. C. J. Carson, Mrs. Bryant Smith; 3 to 4 p.m., Mrs. Jack Fulk, Mrs. Warren Mitchell, Mrs. W. T. Roth, Mrs. O. M. Needham, Mrs. Dillard Cooke, Mrs. J. W. Denny, Jr., Mrs. Harvey Coe, Mrs. Moses Durham; 4 to 5 p.m., Mrs. Alvis Love, Mrs. H. E. Scott, Mrs. John H. Hardy, Mrs. T. M. Eldridge, Mrs. Ruth Smith, Mrs. Carl Jones, Mrs. Joe G. Greenwood, Mrs. Audrey Moore and Mrs. Ted Long.

Music was furnished during the afternoon by Mrs. Kester Sink, Mrs. Madge Badgett and Mrs. Herta Waterman.

Approximately 250 Home Demonstration Club members from throughout Surry County called during the receiving hours from 2 until 5 o'clock. Good-byes were said to Mrs. Perry Taylor and Mrs. D. A. Jarvis, also former county council presidents.

Siloam Club Minutes
April 24, 1962

April 24, 1962

The meeting was called to order by Mrs. Harney.

Mrs. George Snow gave the devotional – a reading from Genesis. The group repeated the Lord's Prayer in unison.

Mrs. Snow also led the singing of "The Old North State."

The secretary read the minutes and called the roll. Eighteen members were present.

Mrs. Harney and Mrs. Jobie Hardy gave the lesson "Modern Laundry Methods." They distributed leaflets illustrating points mentioned beforehand.

Fifteen articles made by club members were modeled. Kathy Fulk and Sarah Snow were given first place. Mrs. Julia Johnson was chosen as alternate.

Plans were discussed for serving meal in homes of members.

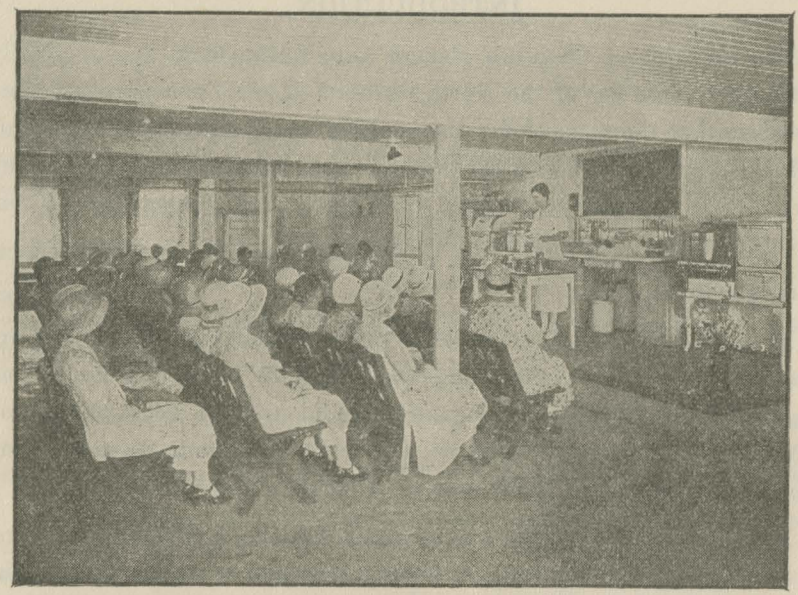

A delicious salad and coffee was served by Mrs. A. C. Snow and Mrs. Badgett.

Respectfully submitted, Mrs. S. H. Atkinson Jr.

Penny Packet Seeds *for* HOME *and* SCHOOL GARDENS

Ask Your Parents' Permission to Have a Garden

A Garden All Your Own

Find a little space and have a garden this year. Be one of thousands of boys and girls who will do this so their parents can have nice, fresh vegetables and plenty of flowers. Grow and give fresh vegetables to families too poor to buy their own. You will enjoy every minute of it. Plant a few packets of seed and watch them grow into big, healthy plants.

Take This Catalog Home

Take this catalog home, ask your parents' permission to have a garden and they will help you select the kinds of flowers and vegetables you would like to plant. If you have never had a garden, start with just a few packets. You might try one or both of the Beginner's Collection on page six. Read all about them. If you have had a garden before, you will wish to try some new kinds of seeds and plants. Each packet tells you how.

A Word to Parents

Encourage your boy or girl to have a garden. A tiny corner of the yard is room enough. A few packets of seed cost so little. The results pay well in fresh, wholesome vegetables and bright, pretty flowers. The quality of our seed is guaranteed. Opposite each variety in this catalog we tell you how many seed a packet contains so no child needs order too much. Complete gardening directions with each order.

How to Order

In the middle of this catalog is a three-page order blank with the name and price of everything we offer. Tear it out, write your name and address in ink. Now fill in the number of packets of each kind and the number of bulbs you wish. Extend the prices, total the prices of all you have selected. Then take the order and the money to pay for it to your teacher. She will then send all orders from your room to us at one time.

Our Thirtieth Year

This is the thirtieth year we have been supplying guaranteed Penny Packet Seeds for Children's Gardens. They are used in big city, small town and rural schools. In some places big school gardens are conducted. In other places, the small home gardens give just as much pleasure. Have a FOOD GARDEN this year.

Responsibility of Officers

President: The success of the chosen projects, the response of the group to the program as a whole, the smooth working together, the gradual development of good local leadership, rests as a whole upon the president. Try to find a job for everyone each year. Encourage discussion but keep it to the point, make the issue clear, and see that the necessary motions are made. It is often wise to appoint a special committee to consider questions of importance before the final decision is made by the club members. To be interesting a meeting should have a good beginning, on time; the group arranged so that everyone can see and hear; a program that keeps the attention of everyone because it is good material clearly presented; and time allowed for sociability.

Vice-President: The vice-president assumes the responsibility of the president in her absence. In addition, she is chairman of membership, and responsible for arrangements at meetings.

Secretary: Minutes are the records for the future and should be carefully preserved as they tell the story of adult education in home economics in the community. Knowledge of what action has been or is to be taken by the club is based on the minutes. They should be clear, concise and complete. A report of all meetings held during the month should be sent by the first of every month to the home demonstration agent. Include human interest stories.

Treasurer: Good business procedure should be practiced even with small sums of money. That means having a bill presented, approved and receipt given when payment is made. The treasurer receives and pays out all monies and keeps a record of all receipts and disbursements.

The Member: Club members are friendly, cooperative, loyal to the group, willing to participate in discussion or in action; she expresses appreciation for the work of the officers and leaders, and reports her own accomplishment. The members express their need for help with the problems that all families all over the country are facing and also for help with those special problems which need to be solved in the county and community.
