WHITE SULPHUR SPRINGS 10 (Active); 2 (Honorary); 1 (Associate)

Some of the White Sulphur Springs Club projects carry over from year to year. These include rest home parties and involvement with the county fair, such as entering exhibits, accepting flowers and preparing an educational booth.

Members support 4-H, do crafts with school children and prepare food baskets for those less fortunate.

Working in harmony with other organizations for the good of all, members have dressed bears and dolls, wrapped gifts, packaged foods and prepared displays. Each one is active in their own church, school or organization such as the Salvation Army.

To support the many projects, club members hold yard and bake sales.

Members are continuing to collect stamps for veterans in hospitals.

You are dedicated Extension Homemakers who give selflessly of your time. Schedules do become hectic at times, and a little humor always helps. Share this poem with your family and/or friends.

A HUSBAND'S VIEWPOINT

I've always known that life was full of obstacles and woes;
I've learned to live with sickness, death and taxes, heaven knows.
I've taken all these things in stride - the problems and the strife;
But one I didn't count on was an Extension Homemaker wife.

Come home from work, the stove is cold, the dirty clothes still there;
The suit I wanted cleaned today, still laying on the chair.
"Where's Mama, son?" I ask my boy, "this house is a total mess,
Why all our sheets are missing, we've been burglarized, I guess."
"No, Mama stripped down all the beds and took the sheets away,
Some pygmies in the jungle need some bandage kits today."

Why every pair of pants I own is cut in little squares,
"I'm demonstrating a lesson on quilts," my better half declares.
I show up at the office in my skivvy shorts and tie;
My secretary giggles and the clerks give me the eye.
It's freezing cold, I'm shaking and my knees are turning blue;
My boss man would have fired me, but his wife is a Homemaker member, too.
I told him what had happened and he said he did believe;
I noticed that the coat he wore was missing half a sleeve.

A man sure needs a loving wife to help him when he's ill;
To sooth and comfort, mop his brow and help him take his pills.
When influenza strikes you, your life's not worth a dime
If it hits at National Conference time.
You'll lay there in an empty house, in pain and deep despair,
While workshops and reports get all the tender care.

You learn to not ask questions when she waves and drives away;
And says she's off to the University for a Homemaker's thing that day.
Stays overnight, then drags back home all bleary-eyed and down,
Now, who'd believe a lie like that, she must be running 'round.
But, I'll get by, I always do, some days are fine, some not.
When she's an Extension Homemaker, you must put up with alot.
I know that when my life is through and when I pass away,
They'll have to set the funeral so it's not on a Homemaker's Club Day.

And when Saint Peter at the gate says, "come to me, my son
I'll check you in the Book of Life to see how you have done."
He runs his finger down the page and sadly shakes his head,
"Your wife was in the Homemakers Club for all those years," he said.
"She didn't cook, she didn't sew, she didn't make the bed,
She spent her time on projects for the Homemakers Club instead."

Come right on through those pearly gates, there's nothing left to tell,
Your wife is in a Homemakers Club - - you've done your time in hell."

"Club Collect"

Keep us, oh God, from pettiness; let us be large
in thought, in word, in deed.

Let us be done with fault-finding and leave off
self seeking.

May we put away all pretense and meet each other
face to face without self-pity and prejudice.

May we never be hasty in judgment and always gen-
erous.

Let us take time for all things; make us to grow
calm, serene, gentle.

Teach us to put into action our better impulses,
straight-forward, and unafraid.

Grant that we may realize it is the little things
that create differences, that in the big things of
life we are as one.

And may we strive to touch and to know the great,
common human heart of us all, and, oh God, let us
forget not to be kind.

SUMMARY OF CLUB ACTIVITIES

BEULAH

Our blue bird housing project was carried out to help the blue bird population in this area and as an alternate to using pesticides. The blue bird house is very effective. As a club we are very concerned about our environment. We have received feedback that our efforts were successful and new blue birds were raised and are now inhabiting the area.

Our quilting project was a satisfying and unifying experience for our club. Members sewed the patterned squares at home and then enjoyed the fellowship of a quilting bee. The end result was a beautiful queen size quilt.

We decided to use the quilt as the center of a money making project. On September 3 at the club building we had a yard sale, baked goods, arts and crafts donated and made by members; plus tables for others in the community who wished to sell their crafts. The quilt was raffled off and given away to the lucky ticket holder.

On Thanksgiving each year members prepare and assemble fruit baskets and distribute to all the shut-ins and elderly in our community.

Good fellowship and good food are the main feature of our yearly club Christmas party. Recognizing the importance of the family unit, it is whole family oriented. Turkey and ham with all the trimmings are prepared by members. Food fills the tables. Entertainment for all age groups and gifts are exchanged and distributed by jolly old Santa Claus. Not neglecting the true meaning of Christmas, devotion and carol singing are part of the program. About 80-90 usually attend.

SUMMARY OF CLUB ACTIVITIES
(continued)

BEULAH (continued)

Each year in October we participate in the monthly RSVP Birthday Program. This year we served birthday cake, punch and fruit to 55 at Colonial Care. What a pleasure to visit and talk to the patients!

BUSY BEES

We have 11 active and 1 associate members; and even though we are small in members, we are a very alive and active club.

Our club participates in the county projects and follows the suggested programs for the year. In addition to the regular projects, we are supporting Lifeline for a deserving invalid for six months with plans to continue this project in the coming year.

Quite a few of our members have knitted lap robes for the elderly. We have members who excel in teaching classes through the Agricultural Extension Service Home Economics program.

After our regular programs, we usually have some new craft that we learn. Doing these things helps us to be informed as well as learning new skills.

Some of our members enjoyed going to the fairs in Forsyth and Wilkes County to act as judges.

Busy Bees club members are directors in the Adult and Youth Needlework sections at the Surry County Agricultural fair.

SUMMARY OF CLUB ACTIVITIES
(continued)

COPELAND

Our club's primary objective is to be a community support organization.

As co-owner of the Copeland Ruritan Building our financial responsibilities offer incentive to raise funds for insurance and maintenance. During the past year we made and raffled a handmade quilt, sponsored a pancake breakfast and supper, sold lemonade at the Berry Festival, sold crafts at the E. H. Bazaar, catered dinners for the elementary school athletes and Copeland Ruritans.

We support all facets of community involvement. Last year, we organized fund raising for neighbors in need, distributed Christmas cheer baskets to shut-ins, sponsored a Girl Scout troop, catered to families in grief, honored Senior Citizens and school teachers.

As a club we seek ways to help the community in which we live. By so doing, we have become a family and so often we see ourselves supporting each other during times of need, abundance and celebration.

During the first part of the year, we began the fall season with traveling over to the Agricultural Extension Building in Dobson and helped with the stamping and addressing of the newsletter. We assisted with the weighing and measuring of the children at Shoals School during a health check. Our major project for the year was during the fall also. We co-sponsored the Halloween Carnival during the month of October. The month of November was the time during which we sponsored a Blood Pressure Clinic.

December was an especially exciting time for our members. We provided food baskets for several of the needy families in our community. Members also took time from their usual busy schedules during the holidays to travel to the Mayberry Mall in Mt. Airy where they spent time ringing the bell for the Salvation Army. We also held our Christmas Party when our Heart Sisters were revealed.

January we co-sponsored with the Ruritan Club the annual January Bloodmobile visit to the Shoals Community. Also, during the early months of the year we contributed money toward the Ruri-

The summer months of July and August kept us busy with helping with the Shoals Horse Show, and furnishing the noon meal on Saturday at the Shoals Community Handicapped Camp. We also placed items in the display case at the Agricultural Building in Dobson.

In September we contributed to the Cystic Fibrosis Foundation and began our October through April planning for preparing this monthly dinner meal for the Ruritan Club.
