Executive Committee reported on resignation of Moderator E. M. Vaughn had been regretfully accepted, he having accepted pastorate of Maffatt Memorial Baptist Church, Danville, Va., and that Rev. Charles P. Burchette, Jr., was nominated to fill out the unexpired term. Brother Burchette was unanimously elected.

Mimeographed treasurer's report presented by J. D. Lewis.

Elving Jones report and recommendations from Finance Committee which was considered item by item and adopted as follows:

#### Finance Committee Meeting September 26, 1955.

The committee passed a motion that all funds on hand at the end of the year above \$250.00 be transferred to a new account headed "New Work." This action was to be presented to the Associational Board at its next meeting.

It was recommended that one finance committee be elected to operate for the Association and the Camp. Separate Treasurers to continue for the present time. That on this committee there be one person from each geographic section and three members at large.

In order to avoid any confusion it was suggested that all Camp donations be shown only on Camp Treasurer's report. Any money sent to Associational Treasurer be sent immediately to Camp Treasurer.

Committee approved purchase of two chairs and two lamps for Associational Office and also purchase of an adding machine. Price of Chairs and lamps \$137.10 and adding machine \$100.00.

A letter was received from the State Convention asking that we get along without any assistance from them this coming year. They stated they were trying to cut down on their appropriations. The committee voted to write the convention stating that our associational budget had been set up in accordance with the conventions previous agreement and ask that we receive \$1,500.00 for the coming year.

The committee recommends that a committee be appointed from the Association to investigate the possibility of purchasing a lot on which to build a home and office combination for our Associational Missionary. It was pointed out that we spend \$1,400.00 each year for rent for a home for our Missionary and Office Space.

#### II. LOCAL MISSIONS

Not too much progress made in this. Section number III below would be a part of this.

#### III. NEW BAPTIST WORK

Since 1950 the following Missions work has been started: (1) Seventh Street Mission by First Baptist; (2) Vienna Mission by Lewisville; (3) Chatham Mission by Calvary; (4) Piedmont Park by North Winston; (5) Lakeside and Salisbury Road by Ardmore; (6) Brookmont by East 25th Street; (7) Colfax Mission by Kernersville First; (8) Purchase price of lot for temporary location and mission pastoral leadership for Konnoak was provided by First Baptist.

Mission Sunday School enrollment in the association is now

942.

Since 1950 the following Churches have been constituted, in cooperation with the missions committee, without church sponsorship: Hollow Road, Willow Oaks, Konnoak, Oakhurst, Colfax, Bethany.

#### IV. MISSIONARY OFFERINGS

1. Churches contributing through our Cooperative Program: 1950—40, 1955—50; amount 1950—\$71,371.00. Amount 1955—

2. Churches contributing to General Budget of Associational

Missions: 1950—36; 1955—50.

3. Churches contributing 50-50: 1950—1; 1955— , Goal by 1955—20 Churches.

#### V. NEW CHURCH BUILDING

A. Recent progress in church building is quite well known. Of particular interest is the fact that our rural churches have responded to the challenge for larger and better church facilities. Seven of the eight churches in group seven have built new buildings in very recent years. Union Hill, Redbank, Oak Grove II, Oak Grove I, Colfax, Bethany, Brims Grove, Stoney Ridge, have all completed building programs this year. Mount Olive, Macedonia and Olive Grove are studying plans for a building program perhaps this year or next.

#### VI. PASTORAL SUPPORT

A. Churches (or fields of Church) providing full support for pastors. 1950—37; 1955—50.

B. Ministers (and educational directors) home, 1950—22; 1955—35.

C. Church building or purchasing homes since 1950 as follows: Quaker Gap, Rosemont, Oak Grove I, Oak Grove II, North Winston (2), Konnoak, Hawthorne Road, East 25th Street, Easton, Ardmore (Minister of Education).

#### VII. PASTORAL TRAINING

A. Student pastorates under certain conditions can work against the welfare of the churches. Under favorable conditions many churches find it a splendid investment to help arrange for their pastor to attend school.

B. The following churches at one time or another since 1950 have helped arrange for their pastor to attend school: Center Grove, Colfax, Macedonia, Mount Olive, Mountain View, Oak Grove I, Quaker Gap, Robinhood Road, Redbank, Ninth Street Mission.

#### VIII. EVANGELISM

A. Training classes in evangelism, simultaneous revival, and aggressive emphasis on enlisting more people in Bible Study through the Sunday School all have made their contribution to a good well rounded, sane evangelistic emphasis. The results have been more than 6,000 being won to Christ and baptised into the membership of our churches within the five years.

"I move that we continue the Eight Emphases in our associational Program and that two additional points be added:

"IX. USE OF VISUAL AIDS.

"X. EXTENDED USE OF CHRISTIAN LITERATURE—With provision that the Missions Committee study, enlarge, and/or revise this program in time to be studied further by the Associational Board in the first meeting of the year."

Brethren E. W. Smith, Olive Grove Church; Luther Matthews, pastor of Konnoak Baptist Church; Rev. Talmage Hall, pastor of Leak Memorial Baptist Church; also spoke briefly in connection with the report.

#### SUNDAY SCHOOL REPORT

The Associational Sunday School Superintendent's Report was read and adopted.

The Sunday Schools of the Pilot Mountain Association have been going forward with an increased interest in the training of workers. The emphasis on this vital part of our Sunday School program was given impetus by the "North Carolina Sunday School Leadership Week," to which our Association and the First Baptist Church of Winston-Salem were joint hosts, in January of this year. The average daily attendance for the week was over 1,000.

Forty-six of our churches have requested awards in their training program for a total of 1,073, showing a good increase over the preceding year.

The first Associational Sunday School week-end was held at Camp Retreat in June. We hope that this can be made an annual event, with our churches taking advantage of this close to home facility for training and fellowship.

The Sunday School enrollment shown by the church letters received at the time this report was written totals 27,575 with a few letters still to come in. This includes 942 enrolled in Mission Sunday Schools. Indications are that the number of Vacation Bible Schools and their enrollment will also show an increase.

Pastors and Superintendents are requested to promote the following:

- Attendance at one of the group training schools in October and November;
- 2. Emphasis on the babies, married young people and adults in the Sunday School;
- 3. Bible study week in January using as the basis of study, "Teachings of Jesus" by Leo Eddleman;
- 4. A stepped up training program in every church.

Respectfully submitted, E. L. Holder, Jr.

#### EVANGELISM

Rev. R. E. Adams, Associational Director of Evangelism, presented the following report which was adopted:

#### REPORT ON EVANGELISM

The heart of the New Testament message is, God's love and grace extended toward sinful men. He reveals himself in His son, Jesus Christ, who came into the world to seek and to save sinners. By His atoning death on Calvary He tasted death for all men. so

that any person through repentance toward God, and faith in Jesus as Saviour might be saved. By His resurrection the believer is justified before God. This same Jesus said unto His disciples, "As my Father hath sent me into the world, even so send I you into the world." And as He ascended into Heaven, said unto them, "Ye are my witnesses," go into all the world and tell the people about God's love and grace, and His power to save from sin. Thus, the central theme, the principal message, and chief business of the church is evangelism.

The past year has been a good year in many respects. There were about 40 churches which participated in the Simultaneous Revival effort in the spring, reporting good results as the church letters to the Association will show, yet, often the greatest results cannot be shown in figures.

In 1954 the records show that it took 20 of us to win 1 person to Christ and baptism. In 1955 the record will be about the same. With this we should not be satisfied. If we reach the goal of 1 to 8 in 1956 we will baptize about 3,400. Suppose we strive to win and baptize 2,600 in 1956.

While we are not planning a simultaneous effort in 1956, we urge every church to have at least one revival, and two if at all possible.

We urge all of our pastors to plan, and preach Bible centered, evangelistic messages, as often as the Holy Spirit leads, and that each Christian strive to live and speak as a true witness of our blessed Saviour.

Hundreds and thousands of our people are lost, without God and without hope. It will be eternally so if we fail them in our evangelistic message and interest.

If at anytime your Associational Evangelistic Committee can be of assistance to you in planning a revival effort in your church or community, call on us.

Respectfully submitted, R. E. Adams, Chairman

#### WOMAN'S MISSIONARY UNION

Mrs. Odell Matthews presented the report of W. M. U. for the Associational President, Mrs. Walter L. Warfford. Report adopted.

## REPORT OF WOMAN'S MISSIONARY UNION OF PILOT MOUNTAIN ASSOCIATION

The Woman's Missionary Union of the Pilot Mountain Baptist Association presents the following report:

The purpose of our Woman's Missionary Union is to emulate the spirit of Christ, to stimulate the grace of giving among women and youth, and to enlist them in a definite study of and vital participation in missions that they may give of their means and themselves that Christ's Kingdom may be advanced to the ends of the earth. The following scripture expresses our heartfelt prayer: "That Thy way may be known upon the earth, Thy salvation among all nations."

"That all the kingdoms of the earth may know that Thou art the Lord, even Thou only."

Our work is based on four fundamentals: Prayer, being the first.

We strive to promote individual and united prayer. We observe three seasons of prayer—One for foreign missions, one for home missions, and one for state missions. We pray daily for missionaries by name remembering especially those whose birthdays come on that particular date.

The second fundamental is study. We read God's Word daily and in group meetings to seek and secure marching orders for carrying its mission message to the millions—beginning at home and going to the ends of the earth. We hold mission classes. We read mission books and periodicals. We present programs telling others of mission opportunities. We hold mission institutes to teach teachers how to present missionary classes in an effective manner.

Many measure our mission study progress by using the Achievement Chart—an approved plan for that purpose. One society, Ardmore, achieved State recognition in this manner.

Our third fundamental is that of community missions. Through this phase of our work all of our members have real opportunities to be missionaries here in our own midst. This is the heart of our work. This year we have emphasized distribution of Christian literature and work through our churches in providing wholesome recreation for our young people. We, also, cooperated with the 1955 Convention-wide evangelistic crusade. We held a successful Woman's Rally at Southside Baptist Church with our state stewardship chairman, Mrs. W. K. McGee, as featured speaker. Through our local churches each society cooperated, also.

We sponsored a Lay Visitation class at the Baptist Hospital this year. This class was taught by Dr. Richard K. Young, assisted by Dr. Kenneth Pepper. It was well attended. Great interest in this effort was manifested.

Our fourth fundamental is that of stewardship. Through this phase of our work we strive to enlist all our women and young people as tithers. We also, urge contribution through the Cooperative Program, and we emphasize for special offering namely:

- 1. Lottie Moon Christmas Offering for Foreign Missions.
- 2. Annie Armstrong Offering for Home Missions.
- 3. Heck-Jones Offering A North Carolina W. M. U. Offering for Carver School and special designated causes voted on at the W. M. U. State Convention.
- 4. State Mission Offering.

We study that we may pray intelligently, give generously, and work ferverently,

We now have 62 societies in our 72 churches of the association. Pray and work with us that all of our churches will soon have mission organizations.

Among our young people we still have 25 churches with no young people's organizations. Pray that this figure will decrease in the coming year and we may witness through our young people for His Cause. We are grateful that many of our young people were able to attend Y.W.A., G.A., R.A., and Sunbeam Camps at our own Camp Retreat this summer. Wonderful programs and fellowship were provided for them there. May decisions for our Lord were reached on that hallowed spot this year. We are grateful for the camp and its far-reaching opportunities.

Our R. A.s held a successful conclave at Beck's Church. Our Junior G.A.s had a delightful picnic and mission program at Winston-Salem First Church. Our Intermediate G. A.s had an over-night rally and outing at Clemmons Church and Tanglewood Park. Our Y. W. A.s had a banquet and missionary speaker at Kernersville First Church, and our Sunbeams had two day camps, one for beginners and one for primaries at Camp Retreat.

We are thankful to God for our youth. May we ever be in prayer for thee. May God direct us in guiding young lives, molding them for His Glory and influencing them to place their all on the altar of service for Him.

Thinking of W. M. S. women as "Hannahs" of this day, we face the challenge of giving of our sons and daughters "to bear the message glorious" and we ask you to join us in "giving of our wealth to speed them on their way."

#### CAMP RETREAT

The following report on Camp Retreat was presented by J. M. Johnson. Report adopted.

Route 1 Germanton, N. C. October 17, 1955

Dear Pilot Mountain Baptist Association:

I like my new name, Camp Retreat, very much. Really, I had lain idle for so many years that I am beginning to think I would always be the "old Lem Bennett Farm" in Stokes County, meaning very little to the cause of humanity. Since I have come to be "Camp Retreat," I have taken a new lease on life — and now I know I have a very definite place in the life of every Baptist in Pilot Mountain Association. I know so because of the experiences I witnessed this summer.

How can I tell you about my thrills? My hills and trees—my streams and air—and everything—experienced something I never dreamed could take place within my boundaries.

The first miracle was the building. On June 10 it was begun and on July 18 was dedicated, with about 500 people present. It was ready for use — and so adequate for the present needs.

And then they came—one group after another. They spent the nights; they ate together; they sang; they studied God's word; they swam, hiked, and played; they prayed; they talked about needs of the world — and my hills would echo all these wonderful things — just to hear them again!

The YWA's were the first group to come. They came even before open house—on July 15-17. A small crowd it was (about 11 girls plus counselors and speakers) but what inspiration! I saw every girl dedicate or rededicate her life to the Lord to be used as He saw fit.

July 19-23 brought about 50 Junior G. A.'s plus a number of adults for counselors, speakers, etc. Then the next week 17 girls, both Intermediate and Junior G. A.'s were here. Three of these girls professed Christ and all of them were drawn closer to God. Wilson Norwood was really a good director too. Mrs. Johnson, a Missionary to Indonesia, I believe, meant a lot to them. I have a feeling some of those girls will want to be missionaries too someday.

The first week in August the boys came pouring in—R. A.'s—67 of them. Counting the counselors, 76 of them! Every bed was filled. Business had picked up — and they looked me over pretty thoroughly. And did they love their missionary, Deaver Lawton? I'll say! And you know, I'll never forget that last morning when 7 boys accepted Christ as their Saviour. I have an idea that next summer they'll plan more weeks of camping for the G. A.'s and R. A's so they can take care of all who want to come.

One group who came interested me very much. They called it the Life Service Fellowship Retreat. There were about 30 in all, but mostly young people. Lots of them were full-time volunteers and their program was about they many vocational opportunities and how to train for them. They were really challenged. I certainly feel that out of that group there'll be some missionaries and preachers, etc., and some wonderful Christian laymen.

What amazed me was that I was not established just for young people. Why, they had an associational Sunday School Conference, mostly for adults. Then for the little children they had the two day-camps for Sunbeams, 57 on one day and 167 on another.

I can't recall how many church groups came — for one purpose or another. Some even baptized in my lake.

But I do know that if this past summer was a sample, we have great years ahead. I belong to you—and all you have belongs to God. Cherish and use me—pray for all those who plan for me—and those who come my way.

I have a feeling that the world will be different because of me. My purpose is to teach, train and bless your children, your young people and your adults and send them back to your homes, your churches, and to your communities to do better Kingdom work. My future and my services depend upon your prayers and your support.

Yours in His Service, CAMP RETREAT Respectfully submitted, J. M. Johnson

#### LIFE SERVICE FELLOWSHIP

Mrs. Beverly Sullivan, Jr., presented the Life Service Fellowship Report. Lewis Ludlum moved that report be included in Minutes. Report and motion adopted.

In the third chapter of 1st Samuel we read that the boy Samuel, who had been dedicated to the Lord, was called by God four times and it was old Eli who had to help the boy to understand that the Lord was speaking to him. The Life Service Fellowship seeks to guide the footsteps of the young people throughout the association who hear God calling them and yet need, as Samuel did, someone to make the way a little clearer, someone to tell what opportunities are open in His fields of service, someone to encourage them to embark upon the proper channels of preparation, especially when the way seems so frustrating and the obstacles so great.

Three major events constitute the Fellowship's activities over the past year. For the sake of fun and fellowship together and exchanging ideas with each other the group enjoyed a Christmas Party at College Park Church on December 21, 1954.

Both to help other young people hear God's call and to aid with the spiritual growth and development of all, the Fellowship sponsored a Youth Revival at Ardmore Church during the week of July 25-31, 1955. Two Seminary students, Jim Greene and Albert Leath did a splendid job of conducting the services.

To provide the life-service volunteers with information on vocational opportunities and how to best train for them, the Fellowship held its fifth annual retreat on August 13-14, 1955, at Camp Retreat. There were about 30 people in attendance, and, as always at this annual event, food, fun, fellowship, and inspiration were at their highest and best. Doris Ann Cash, who served so spendidly as President of the Fellowship over the past year, was re-elected at the retreat, for a second term.

Plans are already under-way for the Fellowship to hold quarterly meetings this next year. With well planned meetings held periodically the Fellowship hopes to attract more young people and create new interest. The Christmas party this year will be in the form of a banquet, and the 1956 Retreat will be the highlight of the summer quarter. So that the young people of your church will not miss these opportunities, the pastor and educational workers in all churches are asked to please fill out and return to the Associational office, blanks, soon to be sent out, asking for a list of the volunteers in your

church who have presented themselves for life-service sometime in the last two years. Pastors and educational leaders are also asked to emphasize to their young people that all functions of this group are open not only to those who have already volunteered, but also to any who might feel stirring within even a slight interest in full-time vocational Christian service. The Life Service Fellowship also offers help and inspiration for the development of fine Christian laymen and laywomen.

For the Life Service Fellowship to mean more to the most young people, the leadership in all the churches will have to give more than their passive approval. You can give us your active support by making room on your calendar for the activities as you are informed of them and encouraging your young people to participate.

Please pray with us that the Life Service Fellowship organization may mean much this coming year to more young people as they hear the call and seek to follow His command: "Go ye into all the world!"

Respectfully submitted, Beverly N. Sullivan, Jr., Member of Adult Committee

#### BAPTIST HOMES FOR THE AGING

Rev. W. E. Pettit presented the report on Baptist Homes for the Aging which was adopted.

Rev. James M. Hayes, Superintendent, spoke to the report.

#### NORTH CAROLINA BAPTIST HOMES FOR AGING

#### Associational Year 1955

The North Carolina Baptist Homes for the Aging began their fifth year of operation March 16, 1955. This has been a year of encouraging progress. Both Homes—Resthaven and Albemarle—have had a continuing waiting list of applicants. As soon as a vacancy occurs there are far more applicants for admission than can be accepted.

This year will be remembered as one of notable enlargement of facilities. Construction of the Administration and Residential Building, costing \$300,000, will get under way, and it should be completed by this time next year. The new building will provide office facilities, dining room, kitchen, chapel, infirmary, recreational and handicraft space, and rooms for forty additional residents, thus raising the total capacity of the Homes to 95 residents.

Two-thirds of the cost of the new building is now in hand, counting the value of real estate turned over to the Homes. Personal and corporation gifts are being received which will further add to the amount on hand.

Memorial gifts may be made in the following ways: A gift of \$300 will furnish a room; \$1,000 will endow—furnish and maintain—a room; \$3,000 will pay cost of building a room. In either case, a memorial plaque—bearing the name of the donor and the name of the person memorialized, or honored—will be placed on the door of a room.

Miss Nettie Pearl Willis gave her homeplace at Vale, N. C., as a memorial to her mother, Mrs. Laura Elliott Goode Willis. The property will be sold and proceeds be used to erect a cottage on the permanent site of our Homes. In addition, Miss Willis made her will in favor of the Homes.

Increasing support on the part of our churches and denominational program gives great encouragement. So far this year, our Special Day Offering has reached almost \$70,000. Since many of the churches put the Homes in the budget instead of taking a special offering, and some of the churches wait until the end of the calendar year to send their gifts, a complete report for the year cannot be made at this time. But it is likely that our goal of \$100,000 for the special offering will be nearly reached. In addition, the Homes will receive \$39,850 as their share of the Nine Year Program, according to the estimated budget.

With increasing aid from denominational sources, the Homes are helping a larger number who do not have sufficient funds with

which to pay the cost of keep as residents. In fact, about ninety per cent of all the residents are being helped by the Homes—some with about two-thirds of the cost of keep, and others with about one-third. Less than ten per cent of the residents in the Homes have turned over enough assets to pay their cost of keep on the life plan. Regardless of financial condition, an applicant is received into the Homes on the basis of need and room available.

All connected with the Homes—staff and residents—are most grateful for the prayers and support of our friends. "Hitherto hath the Lord helped." Surely all North Carolina Baptists should be grateful for the progress made thus far. Let us all rally to the challenge to render a greater ministry to the increasing number of aging friends who need the services of our Homes.

(The Association is requested to elect a representative for the Homes at this session.)

Respectfully submitted, W. E. Pettit

Rev. Glenn Swaim read the report on Baptist Hospital. Report adopted.

#### NORTH CAROLINA BAPTIST HOSPITAL

#### 1955 REPORT

Our Baptist Hospital fills an important place in the life and work of North Carolina Baptists. It will probably serve 50,000 patients this year, touching every area of our State.

In addition to this great host of sick people, our hospital provides an educational program for more than 450 young people who are in training to become nurses, doctors, technicians, pastors and other Christian workers.

The Department of Pastoral Care provides Christian counseling and guidance for the patients, students, hospital staff and personnel, as well as hundreds of others who come to the hospital from over the State for this purpose alone.

It is not easy to estimate the value of these and other services rendered by our hospital to multiplied thousands of people of all ages in the fields of health, education, and spiritual guidance.

The cost of carrying on this program for such a multitude of people is tremendous — more than two million dollars a year. One-half million dollars of this is spent in helping to care for sick people who are not able to pay for the service they need. We are grateful to God for the privilege of sharing in such a work, and we want to thank the Churches of our Association for their part in it.

The opportunities for Christian service and witness through our hospital are truly great. We need to give it a much more generous support through our Mother's Day offerings and the Cooperative Program.

(Table presented showing contributions to Mother's Day offering. Ten churches not giving.)

Respectfully submitted, Glenn Swaim

#### BAPTIST ORPHANAGE

There was no report on work of Baptist Orphanage prepared.

Dr. I. G. Greer spoke in his usual dynamic manner concerning the work of our Baptist Orphanages.

Congregation joined in singing of hymn, ON JORDAN'S STORMY BANKS I STAND.

#### NEW CHURCHES RECOGNIZED

Missions Committee, Walter L. Warfford, chairman, made report of the committee's favorable action in recommending for full membership in the association, Hollow Road Baptist Church and Willow Oaks Baptist Church. The motion was unanimously adopted thus admitting the churches into the Association.

#### BAPTIST HISTORY

Missionary Lewis Ludlum offered the following motion which was adopted:

"I move that a committee of three be elected to be known as a Committee on Local Baptist History. Committee to be nominated and elected by the Associational Board in its first session of the year, this to be done with the suggestion that the committee accept the offer of Wake Forest Library to become custodian of Baptist Historial Materials."

#### VISITORS RECOGNIZED

Rev. Kenneth Snyder, former pastor in the Pilot Mountain Association, was recognized.

#### STATE MISSIONS

Mrs. W. K. McGee presented the report on State Missions which was adopted.

By conservative estimate there must be more than 60% of the people in North Carolina, above eight years of age, who are not Christians. This means that a few more than every other one is not a follower of Christ.

There are almost 800,000 members of Baptist churches. Perhaps 35% of these are enlisted and are being taught and trained in Christian giving, living, and serving. This means that 65% of our church constituency is not dedicated in the Christian profession.

State Missions is the organized program of North Carolina Baptist churches which aims to make disciples of these lost ones and to teach and train those in our churches for increasing usefulness.

- 1. Three departments—Sunday School, Training Union, and Rural Church—are important enlistment and training agencies. More people are won to Christ through the Sunday Schools than by any other means. Already 2,600 Vacation Bible Schools have been reported for 1955, and the offering in these schools for the Cooperative Program amounted to \$30,500. Over 6,200 of our Baptist people attended Training Union weeks at Caswell, Fruitland and Ridgecrest this summer. Many rural churches have been enlisted in our Baptist program of stewardship and organizational life. Many quarter and half-time churches have been led to actuate full-time programs of service.
- 2. The Department of Evangelism seeks to inspire pastors and churches to evangelize their communities. It promotes plans for united evangelistic efforts on a State and Association-wide scale. Since the organization of this department, baptisms have averaged 8,000 a year more. During the crusade, North Carolina Baptist churches baptized more people than any other state except Texas.
- 3. A growing population demands new and stronger churches. State Missions provides a necessary and significant ministry through aid on the purchase of sites for new churches and some one hundred or more salaries for pastors. These supports enable new churches to move forward in a building program, other churches to strengthen their programs, and pastors to give more of their time in developing stewardship churches. During the past year approximately \$110,000 was invested in this work.

In our own association State Missions has helped provide lots for Easton, Northwoods, and College Park. During this year about \$1500 is being spent supplementing the pastor's salary in three of our churches.

- 4. Pastors' Schools are promoted through State Missions to help train pastors to meet the demands of a more highly developed and intelligent congregation. Each year about 125 pastors receive better training at Fruitland and about 35 at Caswell. Refresher courses are offered from time to time at Mars Hill and Caswell for the benefit of all pastors and their wives—trained or untrained. This summer about 400 were reached during these two weeks.
- 5. The colored races in our midst constitute a large percentage of our population. State Missions seeks to minister in a limited degree to the Negroes and Indians. We should do more, not because the Catholics are winning them, but because we should. Ours is the major denomination in North Carolina, and, therefore, they are our responsibility.
- 6. Other areas of need constantly challenge the resources of State Missions, namely:
  - (a) The Allied Church League seeks the abolition of beverage alcohol through education and legislation, and the promotion of civic righteousness.

(b) The Silent People. Three thousand silent people beckon for our care, love and concern.

(c) The Department of Pastoral Care in the Baptist Hospital offers help, counsel, guidance to pastors in facing their own problems and those of their people. This department cannot begin to meet the calls that come.

(d) The Assemblies—Fruitland and Caswell—offer our people fellowship, inspiration and training. Perhaps 12,000 at-

tended these assemblies this summer.

7. Our church and denominational leaders of tomorrow need to be taught and trained in cooperation and loyalty now. State Missions promotes a Baptist Student program among 20,000 sons and daughters from our Baptist homes who are attending the many colleges, universities, business and medical schools of our state. These young men and women constitute a great potential leadership for all areas of tomorrow's world. The churches will need the strength and service of that leadership. Baptist Student Centers near the campuses of our state colleges and other schools are a must.

State Missions derives its support from a very small designated per cent of the Cooperative Program's distributable dollar, plus the special offerings made in our Sunday Schools and Woman's Missionary Unions. The Sunday School Board and Home Mission Board add a \$22,000 supplement. We in our churches have not made it possible for State Missions to carry on as large or forceful a program as is needed, because enough money has not been available. By including in next year's budgets larger percentages for the Cooperative Program, State Missions can reach further into areas of need in North Carolina with the call of Christ to men to "Follow" where He leads.

Mrs. W. K. McGee

Morning session opened with singing of hymn, COME, THOU ALMIGHTY KING. Devotional was conducted by brother C. M. Ashby.

## RELIEF AND ANNUITY

Report on work of Baptist Relief and Annuity Board was presented by Rev. Paul Reece. Report adopted.

I Cor. 16:1. "Now concerning the collection for the saints."

This was a mission program in reverse when the new Christians at Corinth took a collection for the needy saints back in the mother church in Jerusalem.

Let us apply Paul's expression to our time and need and read, "Now concerning the protection for the retired saints."

We are living in an age when people are becoming retirement conscious. Social Security has helped bring that about. In many respects it has helped us present our program, but at the same time, it has brought about problems.

Now concerning the Retirement Plan or Plans.

Two new plans were inaugurated by our board on last July 1st; Namely, The Ministers Security Plan, and The Southern Baptist Protection Plan.

## (a) The Ministers Security Plan.

This is actually not a new plan, because it incorporates all of the costs and benefits of the old Ministers Retirement Plan, plus all the costs and benefits of the Widows Supplement Annuity Plan, plus liberalized benefits at extra cost. It is therefore a supplement of the old M.R.P. and W.S.A.P. The total cost of this plan is five per cent to the member, five per cent to the church, and five per cent to the convention, on a maximum salary of \$4,000.00. The basic Ministers Retirement Plan came to a close in all states but North Carolina last July 1st.

## (b) The Southern Baptist Protection Plan.

This is an entirely new plan, though its benefits are similar to The Ministers Security Plan and its cost is the same. It definitely has an attraction for the young preachers. The benefits are based upon the years of participation with no ceiling as to the amount of annuity he may receive at retirement. It also has the added lump sum death benefit. It is suggested that all pastors born after 1920 transfer to this plan.

## Now Concerning the Relief Program.

Though R. S. Jones, the associate secretary, took over as the investment supervisor, he continued to head the relief department. As in previous years more has been spent on relief than Southern Baptist gave. The amount taken from the Co-operative program for this fund has remained the same for the past three years and probably will remain at the same figure. Some states take offerings to supplement this work. I hough this was done, still the offerings were not enough to meet the relief needs. It is hoped that all the states will join in having such offerings this year.

## Now Concerning Social Security.

As of January 1, 1955, Baptist Ministers will be eligible to participate in Social Security on a voluntary basis. There is a time limit for present pastors to elect coverage. Their papers must be filed on or before the due date of Federal Income tax return for the second taxable year ending after 1954. Once an individual elects to be covered he must continue to report his earnings and pay the Social Security Tax every year in which he has a net earning of \$400.00 or more. He must pay at the rate of three per cent on his earnings up to a maximum of \$4,200.00.

Now concerning the problem. We do not know how much Social Security will affect our plans, but we are having an increasing number of members asking to withdraw from the plan in order to enter Social Security. We must therefore through an educational program lead our people to know that Social Security is a supplement to, but not a replacement for our plans. It is not our intention to speak

against Social Security, but rather to urge all those who can, to carry both.

Respectfully submitted, Paul Reece

#### FORSYTH MISSIONARY FELLOWSHIP

Dr. Lopez McAllister was presented as new dean of the Forsyth Baptist Missionary Fellowship. He spoke briefly of this work, and made report on its progress and plans for the future.

## HOME MISSIONS

The report on Home Missions was presented by Rev. Floyd W. Ellis and adopted.

We have much reason to be proud of our Home Mission Board, its personnel and accomplishments. It would be impossible to report all its benefits to the Lord's work through our great field of service.

Our Home Mission Board has just completed a five year crusade which resulted in an increase of workers from 754 to 954 regular missionaries, and from 271 student missionaries to 370.

During this five years the Home Missionaries reported 167,527 professions of faith; 1440 new churches organized; 2,974 missions started; and 131,527 added to the churches. Also during this five year period Southern Baptist have baptized an average of 1,000 per day; have added 1,200 per day by letter; have given approximately \$5,000,000 per week for the Lord's work; and have constituted 11 new churches per week.

Beginning this year a four year Conquest for Christ is begun and will be concluded in 1958. The themes for the four years are: 1955 Evangelism and Conservation; 1956 Church Extension and Revitalization; 1957 Reaching the Minority Groups, Language Groups, and under privileged; 1958 Promotion of Rural Work, City Missions, and Missionary Education.

The number of workers with the Home Mission Board is 1,324 which shows a gain of 21 during the past year.

Our Board workers reported 35,843 professions of faith last year. A good number of these are shown in the reports from the special fields of service served by the Board. Among these are the following:

Rescue Missions	430
Language Groups	8156
Cooperative Missions	253
City Missions	8117
Rural Work	5971
Mission Pastor's Work	1228
Western Pioneer Work	3945

In addition to the workers and work by the regular and student workers of the Home Mission Board is also our Chaplain's Commission of the Board, which has 458 enlisted in active service. These reported 16,195 professions of faith last year. One third of the chaplains are serving overseas.

The Home Mission Board received \$3,152,063.42 last year. They spent \$2,937,716.45. At the beginning of this year they had a bank balance of \$1,043,972.76.

Certainly the report of the work done by our Home Mission Board under the direction of Dr. Courts Redford demands our liberal support and cooperation.

Respectively submitted, Floyd W. Ellis

Dr. Leland Waters, Representative of the Home Mission Board, Atlanta, Georgia, was introduced. He brought a very fine message on the work of the Home Mission Board in meeting the needs of new work, Evangelism, and expanding work in new areas.

Congregation joined in singing hymn, O ZION, HASTE.

#### AMERICAN BIBLE SOCIETY

Rev. Talmadge Hall read the report on the work of the American Bible Society. Report adopted.

Travel to a desert area in northwest India. Stand with a group of men gathered around a young Christian layman working as a government surveyor. He is using an opportunity to tell the good news of Jesus Christ to men who never heard the Gospel before.

As the young man speaks of the Bible, one of his older listeners asks, "Is that book in my language?" When told that it is, he exclaims, "Young man, get me that book!" Holding the book in his hands and opening his heart to its message of the Saviour, he asks the searching question, "Why didn't someone bring us the book long ago?"

The old man's question stirs our hearts to take the Bible to the millions who still wait — and emphasizes this missionary principle which is true around the world:

Every person must have the Bible in his own language if the Word of God is to speak to his heart.

Giving the Bible to the people of the world in their languages is a missionary task.

The American Bible Society aids in Bible translation, publishes the Scriptures without note or comment and distributes them without profit and usually below cost—for mission work around the world. For the Blind, its supplies Scriptures in raised-letter systems and on Talking Book records.

The American Bible Society is an active partner of Southern Baptists in their world-wide mission program; it serves every form of mission work at home and abroad.

#### During 1954 the American Bible Society-

- —distributed throughout the world more than 15 million volumes of Scriptures.
- —donated 1,360,604 Scripture volumes for the Armed Forces, providing a vital link between the home churches and the members of the Armed Forces.
- —continued to supply Scriptures in many strategic areas, such as Germany and other countries along the "fringes" of the Iron Curtain, Africa, Latin America, Japan, Korea and India—and to millions of Chinese in the countries of East Asia and Southeast Asia, outside the communist-controlled China mainland.

—received gifts which provided for the largest budget in its history and adopted for 1955 an even larger program to serve more of the millions who still wait for the Word of God—keenly conscious that missionary advance, through increased Scripture distribution, waits only for needed funds!

## Southern Baptists' Part in the Work

In 1954 Southern Baptist churches set a new record by giving \$112,064 to the American Bible Society and stood second only to Methodist gifts of \$155,109. Gifts from churches of all denominations totaled \$826,721.

Has your church given to the American Bible Society this year? The help of every Southern Baptist church is needed. Every church can give at least these amounts each year:

Country and village churches		\$1	0 t	o \$25
Churches in small cities		\$25	to	\$100
Larger churches		\$100	to	\$200
Great city churches \$20	0 to	\$500	or	more

Please send gifts to your Baptist state office marked "for the American Bible Society."

Respectively submitted, R. Talmadge Hall

## CHRISTIAN LITERATURE

Rev. George Colgin read report on Christian Literature which was adopted. After the report was read, Rev. C. W. Bazemore, associate editor of Biblical Recorder, gave a fine address on the subject.

This is still the era of the printed page. A prophet humorously predicted man would in 500 years have a brain the size of a peanut, and eyes the size of grapefruit. This forecast was based, of course, on the picture age in which we are living. In spite of television, picture magazines, and motion pictures a recent survey shows we are reading more today than ever before. This same survey reveals that Christian literature stands at the very top in the choice of the reading public. We are very happy about this and thankful that Baptists have kept pace in giving to the Baptist homes of the Southland the very best in Christian literature the denomination has ever produced.

So much of the fine literature we receive is just taken for granted. A secular magazine comes to our house for which we pay fifteen cents a copy. I counted the advertisements the other day and found that for fifteen cents I was actually buying a book of one hundred and fifty pages with seventy-nine pages of advertisement. They have to sell ads to print the magazine. You can imagine the expense to our convention and yet we receive this literature at a very nominal fee.

When the North Carolina Baptist Convention was organized in 1830 its main purpose as stated in its constitution was "the promotion of missions, education, social service and the distribution of sound

Rev. Clarence Godwin made explanation that Claude Gaddy could not be present as scheduled. He presented the following representatives of Baptist colleges who spoke briefly.

Rev. Eugene Olive, Wake Forest College

Rev. Ross Cadle, Chowan College

Rev. Joseph Godwin, Lewisville Pastor, represented Gardner-Webb.

Dr. Bud Smith, Wingate College M. H. Kendall, Mars Hill College

Dr. Garland Hendrix, Southeastern Seminary Dr. Carlyle Campbell, Meredith College

Adjournment for lunch. Closing prayer by Dr. Garland Hendrix.

## WEDNESDAY AFTERNOON SESSION

Session opened with singing of hymn, LEAD ON, O KING ETERNAL.

Devotional conducted by Rev. Gilmer Denney.

Clerk, Walter L. Warfford gave a brief preliminary report on Digest of Church Letters.

## COMMITTEE REPORT—TIME, PLACE, PREACHER

The committee on time, place and preacher made the following report which was adopted:

Time-Fixed by Constitution.

Place—Tuesday, Mineral Springs Baptist Church; Tuesday night, Forest Hills Baptist Church; Wednesday-To be decided.

Preacher-R. E. Adams; Alternate, Elvin Jones.

#### COMMITTEE ON COMMITTEES

The chairman of Committee on Committees, W. T. Adams, made the following report which was adopted:

#### REPORT OF COMMITTEE ON COMMITTEES

Committee On Nominations:

Vernon Sparrow, Chairman; R. E. Adams, Mrs. Beverly Sullivan, Jr., E. L. Holder, Jr., Paul M. Reece.

Committee On Order Of Business:

Isaac Terrell, Chairman; Luther Matthews, Dr. R. E. Wall, Mrs.

Odell Matthews, Miss Mertie Booker. Committee On Time, Place and Preacher: religious literature." Shortly afterwards in 1833 the Biblical Recorder was founded and for 122 years it has given the Baptists of North Carolina information and inspiration for its growth and mission. The present circulation of the Recorder is approximately 61,000 each week. It ought to be in every Baptist home in our state.

Real Baptists do not just happen. They are created through the years. The printed page helps in this process of training and indoctrination. Well read Baptists are strong Baptists. That is the most compelling reason to use all the literature in all the Baptist homes of our churches.

Respectfully submitted, George L. Colgin

Special music was provided by double quartet which sang, RISE UP, O MEN OF GOD.

#### VISITORS RECOGNIZED

Rev. Fred Duckett, First Baptist Church, Denton, N. C. Rev. Ross Cadle, Chowan College. Dr. Bud Smith, Wingate College.

#### CHRISTIAN EDUCATION

The report on Christian Education was read by Dr. Ronald E. Wall. Report adopted.

## REPORT OF CHRISTIAN EDUCATION TO PILOT MOUNTAIN BAPTIST ASSOCIATION 1955

Christian education is education that is produced in a Christian atmosphere, by Christian teachers, and that is consistent with the teachings of our Lord Jesus Christ. As Baptists we maintain two Senior colleges and five Junior colleges within our state for the primary purpose of providing our young people with Christian education. There are approximately 6,000 students in these seven colleges, including 750 in training for full-time Christian service. We have many more than 6,000 other Baptist students in other colleges and universities. We seek to minister to them through the Baptist Student Unions on the college campuses and through Baptist churches near the campuses.

We share in the program of Southern Baptists which includes Christian education. We have five Southern Baptist seminaries, one school of Missions and Social work, and we aid in the Negro work through the American Baptist Seminary in Nashville, Tennessee, which schools had an enrollment of 5,782 young people last year, including 3,826 ministers and 810 mission volunteers.

Our future as Baptist depends to a large extent upon the work of these Baptist schools. Every Baptist is morally bound to give his loyal support to these Baptist schools. Let us send our sons and daughters to them, pray for them, support them with our money and in every way possible.

### RESOLUTIONS COMMITTEE

An oral report of the committee was given expressing appreciation to the host churches, Bethany, College Park, and Southside, for their hospitality. Adopted with standing vote.

#### REPORT ON PUBLIC MORALS

The report on Public Morals was adopted without reading. Dr. Leland Waters, Atlanta, Ga., spoke to the report in an address well delivered and enjoyed by all who heard him.

Never has the challenge been greater nor has there ever been a greater need than that which now exists for a grave concern on the part of our churches about the moral and spiritual condition of the society in which we live.

There is a spirit of compromise among our people today to the corruption and immorality that prevails. Many have the attitude that they can do nothing about it, but Jesus said, "Ye are the salt of the earth." By virtue of that one statement we find it our peculiar responsibility to act as a purifying and preserving agency in the world.

Statistics reveal that while there is a great increase in church enrollment and attendance there is a simultaneous increase in the number of broken homes and divorce, crime and delinquency, drunkenness and immorality. An ambulance driver recently made the observation that liquor was involved to some extent in eighty per cent of the traffic accidents to which he was called on emergency.

We must awake to the fact that this period of material prosperity that we are living in is also a period of moral decline, and that one of the insidious evils responsible for this condition is being sold for profit in the city of Winston-Salem. Many of our well meaning people were deceived by the claims of those advocating the legal sale of liquor. They were told that legal sales of liquor would improve the situation. It would reduce crime and lower taxes. It would also put the bootlegger out of business, but let us be reminded that the personality of the one who serves a lethal dose does not impede the swiftness of the poison to do its deadly work.

Now Winston-Salem is in the liquor business with the bootlegger, for evidence points up that there are just as many bootleggers as ever. According to a recent news article, there is going to be manufactured a liquor precisely like the bootlegger makes so the government can compete with the bootlegger. They contemplate giving it the same name that the drunks respectfully named it, "White Lightnin'."

Winston-Salem is doing a volume of retail liquor sales that runs into thousands of dollars weekly, but our taxes have not been reduced; we have just as many broken homes and divorces, just as much delinquency and crime, just as many people being maimed, crippled, and murdered in highway accidents.

Surely we cannot be indifferent to the evil that threatens our society, breeds crime, destroys homes, breaks up marriages, and causes children to be underfed, poorly clothed, poorly educated, lonely and afraid.

We must, by the help of God, do something about this situation by reconfirming our faith in the principles established by our Lord, by living according to those principles, and by aggressively opposing those forces that undermine and degrade our civilization, and destroy the dignity of man.

Respectfully submitted, Clarence N. Everhart

#### MEMORIALS

Rev. M. E. Manuel, chairman of committee on Memorials, read some Scripture from Revelation 21, offered fitting remarks and prayer in memory of those who had gone to their eternal reward during the past year. (For list see table in MEMORIAM).

#### FOREIGN MISSIONS

Brother H. C. Porter presented report on Foreign Missions as prepared by Brother W. F. Gentry. Report adopted without reading.

For the first time in the history of Southern Baptist, the number of foreign missionaries has reached the one thousand mark. On May 15, 1955 the number stood at 1,002, including 67 appointments during 1954 and 64 during the first five months of 1955. A loss of 37 missionaries leaves an increase of 93 since January 1, 1954.

In April, Mr. Bill B. Cody, formerly associate in the Sunday School Board's Department of Student Work, was elected to the staff of the Department of Missionary Personnel as assistant secretary, student representative. In an effort to step up the annual number of appointments he will visit the Schools and Colleges in the Convention territory and urge those young people who feel the call of God to lifetime service to consider seriously foreign service.

Our missionaries live in 182 centers in 35 geographical areas. Statistics show that there were 22,125 baptisms last year in 2,268 churches made up of 209,346 served by 1,408 National and 120 Missionary Pastors. There were 544 schools with 85,456 students including 23 Seminaries with 979 enrolled. We have 11 hospitals and 28 clinics which treated 226,548 patients last year.

Out of a total \$10,739,497.00 contributed by Southern Baptist through Cooperative Program last year \$4,772,123.00 went to the Foreign Mission Board. In addition to this Southern Baptist contributed to Foreign Missions last year through special designations \$1,539,230.00 and through the Lottie Moon Christmas Offering \$3,600,765.00.

To keep us informed about the work of our Foreign Mission Board we feel that the Commission, our Foreign Mission Magazine, should be made available to every Baptist. The special budget rate is 55 cents a year for churches sending the magazine to every church family.

Respectfully submitted, W. F. Gentry

Rev. Clarence Godwin presented Dr. Roger Smith, Associate Secretary of Foreign Mission Board in field of Promotion, who delivered a fine and challenging address on Foreign Missions.

The association expressed by vote its appreciation to Rev. Clarence Godwin for his work in the association since he is leaving the Southside Baptist Church to accept work in Rocky Mount, N. C.

Closing remarks made by Moderator.

Closing hymn, BLEST BE THE TIE THAT BINDS, and closing prayer led by Rev. Clarence E. Godwin.

Announcement was made that Mrs. C. Odell Matthews, Associate Superintendent of the Pilot Mt. Associational WMU was ill in the Hospital and the Secretary was instructed to send a card to Mrs. Matthews from the WMU in annual session.

Mrs. Warfford presented certificates to the following A-1 Societies: Ardmore, Union Hill and Kernersville First.

Mrs. Stafford Webb, Divisional Superintendent spoke on "Telling the Story" in the Division. She stated that we have the water of life and our true purpose is not realized until we give this water to our fellowman. Our missionaries are giving their lives—they are telling the story and are depending on us to bear them up in the homeland by doing our best here. There are 287 churches in the Greensboro Division, 52 of them with no missionary organizations and there are so many people not enlisted in those churches where there are missionary organizations. If we loved to tell the story, we would acquaint ourselves with the work of missions, and be willing and anxious to help the younger organizations. It means sacrifice — but that is our commission. It is the busy person who hears the Master's voice and is willing to obey.

Mrs. Warfford spoke on "Telling the Story in the Association" stating that five new WMS had been organized this year, Leak Memorial with Mrs. Herman Hanes, President, Oakhurst with Miss Ruby Owens, President; Pleasant View with Mrs. Clyde Hinshaw, President; Old Salisbury Road, with Mrs. A. D. Matthews, President; and Willow Oaks with Mrs. Robert Mabe, President. Mrs. Warfford spoke as follows, and I quote: "Our theme for consideration today, "Go quickly and tell' brings to mind an atmosphere of urgency and command. It was first spoken by the angel to the women at the tomb that first resurrection morning. It had in it a note of joy and triumph to grieved hearts—hearts of women who had come to attend the needs of a dead Lord. Instead of finding their Lord's body in the tomb needing spice and ointment for embalming purposes, they found an empty tomb. He had risen as He had said. Now instead of ministering to a dead one's needs—Christ had need for them to minister unto the living. They were to take the glad message of His victory over death to sad souls to bring joy with the message of life eternal. Then, as those women of old had a message of gladness, so we, too, have one of hope. How are we meeting that challenge? Are we going quickly. Through our prayers, we can go quickly! Alas, many of our societies are not going through united prayer.

First—Seasons of Prayer—only 33 of our societies observed our Season of Prayer for Foreign Missions. Only 37 observed Home Missions Season of Prayer. Only 33 observed State Missions Season of Prayer.

Second—Another medium of going is through our Gifts:

Lottie Moon Christmas Offering (Foreign Missions)

W.M.S. \$17,524.74

Y. P. 1,517.64

Total \_\_\_\_\_\$19,153.78 Annie Armstrong—Home Missions offering.

Total \$ 6,788.18

Heck-Jones Offering.

W.M.S. \$ 1,728.74 Y. P. 301.47

Total .....\$ 2,030.21

State Missions Offering.

W.M.S. \$ 3,872.30 Y. P. 430.97

Total \_\_\_\_\_\$ 4,303.27

Third-Through Mission Programs to inform.

Present good, attractive programs which will help to enlist more women in His service, in this "business of telling!"

Fourth—Focus Week is designed to enlist our women in His Business. Did you observe Focus Week in January? It informs churches of our concern to tell the world the message of Jesus' love and saving power.

Fifth—Through B. W. C. we have another method of telling. Last night our Business Women's Federation met. Women who work and couldn't come today, heard our speakers of today and Miss Ernelle Brooks of Nigeria. Your working women can be enlisted through the B.W.C. The Federation meets quarterly. Last quarter they had two missionary speakers; Dr. Mary Griffith, Nigeria and Mrs. Franks, Europe. Fellowship, information and inspiration are experienced.

Sixth—Leadership—Institutes afford us opportunity for study and suggestions for improving our methods of telling.

Seventh and Eighth—Camps and Conferences give us opportunities of dedication. New experiences close to nature bring us closer to Him and to each other.

Ninth—The message "Go quickly and tell" included all people. So our opportunities at inter-racial institutes have proved helpful to all who attended, and blessings have come to those who helped others catch a vision of the King's Business through such meetings.

As we consider, and use, these proven plans for helping take the message to others, fears are removed and we better understand Jesus' words, "Be not afraid, go, tell my brethern." He blesses us as we go with confidence that He is with us. He is Alive forevermore.

Mrs. Everett Barnard spoke on Telling the Story through Study, asking the question "Are we all inspired with the bigness of our commission?" We will not give unless we know, and we know through study. We can learn through our eyes, ears and reading. Each year we have two Mission Study Institutes, one for Home Mission series and one for Foreign Missions. Sixty of our WMS had Mission Study classes this past year, 36 WMS only had one class and 22 of our WMS did not have any classes.

When we think of reading—we have the following figures:

First Quarter	358	people	read	a	book
Second Quarter	454	people	read	a	book
Third Quarter	852	people	read	a	book
Fourth Quarter1	,033	people	read	a	book

One WMS reported one hundred percent of their members reading a mission book.

We only have two Missionary Round Tables in our Association—North Winston and Southside. There were two YMA Book Clubs last year, but both folded up during the year. Mrs. Barnard urged that each WMS secure a copy of the Achievement Chart and check it each month. She is hoping for 60 WMS to be using this Chart next year.

Miss Delilah Stinson, Literature Chairman was ill and unable to be present for our meeting but Mrs. Warfford urged that each WMS member strive to take one or more of the WMU periodicals.

Mrs. J. A. Roddick stated that each WMS member can be a missionary in her own community, through Community Missions. Jesus was concerned about people and as His followers, we should be also. She urged that we be more concerned about those people in institutions who are so neglected, who are so out of contact with the outside world, and grow to feel that we do not care for them, and want to help them. Mrs. Roddick called on Mrs. M. A. Horne, President of the Negro State WMU, who in turn thanked our women for helping to send some of the colored women to the Interracial Institute at Raleigh last Summer. She urged that more white women attend these institutes in order to give more confidence to the Negro women. The Negro WMU women are planning to take over the Negro inmates at the County Home. An Interracial Institute is being planned for sometime in November of this year here in Winston-Salem.

Mrs. James McKee, Associate Community Missions Chairman, stated there were new Community Missions books for Young People and urged study course be planned for the Young people. She urged the WMU women to help in the planning of these courses.

Mrs. E. L. Bodenheimer spoke on "Telling the Story through Stewardship of our Possessions." She stated that the other peoples of the world feel that we in America have everything in the way of material possessions . . . that we have more of everything. One in ten of the world's people have less than \$600.00 per year to live on—here in America we have \$1,669.00 per person per year. However, the average Southern Baptist gave only 2.66 percent of their income last year to the Lord, are we tithers? Our love of Christ is measured by our gifts of what we have to help others in the world.

The group joined in singing "We've a Story to Tell to the Nations."

"Telling the Story to our Youth"—Mrs. Chester Bovender and Rev. A. Howard Beard presiding. Mrs. Bovender gave the following facts:

There were 16 A-1 organizations for the year, as follows:

3 Y. W. A.'s—Clemmons South Fork Waughtown

G. A.'s—Junior and Intermediate at Ardmore
Junior and Intermediate at Beck's
Intermediate at Mineral Springs
Intermediate at Rural Hall
Junior at Clemmons

Sunbeams—Kernersville Konnoak Hills Ardmore Oaklawn Union Hill Waughtown

For the past five Quarters, all young people's organizations have reported 100 percent. The following young people took part on the program:

Miss Christine Ferguson of Waughtown told of the YWA weekend when Mrs. Marvin Garrett brought an inspiring message. Also told of the bus load from North Carolina going to YWA week at Glorieta in June.

Miss Peggy Cryner and Sonya Robertson of Ardmore talked on G. A. work.

Sunbeams of the Kernersville church gave the Sunbeam watchword and sang "Jesus Wants Me for a Sunbeam."

Rev. A. Howard Beard stated there were only 38 R. A. chapters in our two churches. He further stated that all sorts of things were being told our boys from all sorts of people and we should be telling them of Christ.

Rev. Elvin Jones spoke on "Telling the Story through our Associational Camp" telling of progress made to date on Camp Retreat, and some of the plans for use of the Camp this Summer.

An offering was taken at this time, followed by special music by Mrs. Paul Moses. An announcement was made by Mrs. Hastings of the Kernersville Church regarding plans for the lunch hour. Miss Beverly Neilson brought the closing message of the morning under the topic, "Go Quickly and Tell." She aked the question as to why were not more of our young people volunteering their lives to the Lord—is it because parents are standing in their way? Are we seeing to it that they know our Baptist heritage and know what they believe? We need to plan and do things to help them grow in their Christian service.

Rev. Charles Burchette, Pastor of the Kernersville church, led in prayer closing the morning session, including the blessing for the delicious lunch.

With the singing of the hymn, "There's a Call Comes Ringing" the afternoon session was called to order. Mrs. Clarence Joyner brought the devotional, reading selections from both Matthew and Mark, closing her remarks with prayer.

Mrs. W. C. Allred spoke on Telling the Story through the Margaret Fund and Carver School, reading a list of the Margaret Fund students, telling how the Margaret Fund is handled.

Under the heading of Business, following reports were heard:

Resolutions Committee: Mrs. Henry Furches, Chairman read the following:

These officers and Committee Chairmen were asked to come to the front of the sanctuary and Miss Beverly Neilson led the dedicatory prayer.

A choir composed of the Presidents, or their representatives, from each of the WMS's of the Association sang "Tell Me the Old, Old Story" under the direction of Mrs. Everett Harris.

A report from the Registration Committee showed 34 churches represented, with 165 persons registered.

Mrs. Warfford introduced the Rev. W. W. Lawton, Missionary to the Philippines who brought the missionary message on the theme, "Telling the Story Abroad." Rev. Mr. Lawton opened his talk with prayer. He stated that the missionaries were only doing the same work in other countries that we are doing here at home. He also stated that it was marvelous what the Lord does with what we give Him to work with.

He said that the work that has been done in China has not been wasted, it is living in the hearts of the Christian Chinese—Jesus gives us a faith that we can live by as well as die by. The work among the Chinese in the Philippines is progressing—there are 7,000 islands in this group with only 500 of them occupied. The work there is only

five years old. The first church was organized at Baguio. Gods works through His open Word. The Methodists and Presbyterians have been working in the Philippines around one hundred years. There is a great need in this area and the Lord is at work there now, doing a marvelous work with the tools he has to work with.

Rev. Lewis Ludlum closed the meeting with prayer.

Mrs. W. L. Warfford, Superintendent Mrs. T. L. Williams, Secretary-Treasury
