Members of the White Sulphur Springs Extension and Community Association enjoyed a recent tour of the rock churches in the area of the Blue Ridge Parkway. They visited five of the six churches built by the Rev. Richard Childress.

On another occasion Gloria puckett showed the class how to make gift boxes from Christmas cards. Many of the cards were made as place cards for their club's annual Christmas party.

Dolls were made and dressed for the Salvation Army to distribute at Christmas. These dolls are on display in the window of Green Finance on Main Street.

Pillows were also made for mastectomy patients following surgery at Northern Hospital of Surry County.
