HONORARY MEMBERSHIP
GUIDELINES/APPLICATION**

In March 1988, the Surry County Extension & Community Association County Council voted on establishing an Honorary Member category. This category was created to enable members of long-standing to continue to be associated with the club and add their most valued contributions, when they can, without penalizing the club, if they cannot attend all meetings.

To qualify for Honorary Membership, the person must be a member of long-standing who can no longer attend regular meetings due to personal health. This is a one-time, permanent status, but dues must be paid annually to continue this status. The member applying for Honorary must complete this application form, be voted on by their Club Executive Board and then recommended to the County Executive Board for approval. The member would not be approved if the Executive Board felt that justification was not present.

Sue Chandler gives demonstration on using various herbs

Sue Chandler presented a program on "Cooking with Herbs" to members of the White Sulphur Springs Extension Community Association when they met recently at North Main Church of Christ.

The members enjoyed sampling the foods that she had prepared and each was given copies of recipes to try at home.

The women used their imagination to design spring hats as they combined many colors and materials. Prizes were awarded to Marie Grimes, Gloria Puckett, June Paris and Sue Chandler. Becky Hill was runner-up.

Members were reminded to bring items for the Lifeline Health Center and foods for Yokefellow.

Attending the Achievement Day, in addition to Grimes, Puckett, Paris, Chandler and Hill were Cheryl Scott, Debby Sammons and Barbara Peele.
