BAND SLATES MID-WINTER CONCERT

On Thursday, March 9, the North Surry High School Concert Band will present its annual Mid-Winter Concert. Among the selections performed will be SOUTHERN ACCENT by Gene Sande, AMERICA THE BEAUTIFUL by Samuel A. Ward, SYMPHONIC DANCE NO. 3 by Clifton Williams, and THEMES FROM "THUS SPAKE ZARATHUSTRA" by Richard Strauss. The Concert Band is preparing for the North Carolina State Band Contest at War Memorial Auditorium in Greensboro, March 21-25.

The N.S.H. Stage Band will make its second appearance that night also. Selections performed by the Stage Band will include FOR ALL WE KNOW by Wilson, James and Karlin, TOTEM POLE by Frank Como and Pat De Rosa, and 25 OR 6 TO 4 by Robert Lamm. The Stage Band is preparing for the annual Wake Forest Stage Band Contest, April 22 at Wake Forest.

The Junior Band will make its fourth appearance of the school year by performing a couple of selections. The Junior Band is made up of the intermediate band students of the elementary schools in the North Surry district. *JAF*

SPRING SPORTS HAVE SPRUNG!!!

TRACK

Coach Charlie Atkins has reported that as many as 45 boys have come out for a position on the track team this year. The team has a lot of good men returning which will help to add experience to the team. Coach says that the enthusiasm among the guys is very high and that they are hoping to win the Number One spot in their division, as they did last year.

Some of the main events are 100, 220, 440, and 880-yard runs, the mile relay,

high jump, long jump, pole vault, shotput, discus, and the low and high hurdles. As the first event is only two weeks away, the guys have been working to get into shape.

BASEBALL

The N.S.H. Baseball Team has been practicing for the past several weeks and are looking real good," Coach James Jessup reports. "This is the hardest working bunch of boys I've ever had to work with. I think that ~~our~~ pitching holds out we should do pretty good. We have six boys who started last year and five others who lettered to aid the team in experience."

Below is the schedule for the 1972 baseball season:

**** FLASH ****

Recently we received the following letter and owing to its serious nature we have published it in the hope that an answer for this profound question may be found...

My Dearest Darling,

I really hate to write you this letter, but the time has come when I must do so. I have a question to ask you and it's truly a serious one. It has caused me many a sleepless night and many days of sorrow, although I have struggled to conceal it. It is a matter of great importance and I can't put it off any longer. Other people's lives and our own may be upset over this and I can only say what I feel.

Up to now you have been a true sweetheart, and I have admired you ever since I can remember just seeing you. Now, Darling, I must ask you to put aside all you may be doing and give me your very best attention to this very serious question I am about to ask and answer truthfully. My Darling... "Will Mutt ever grow as tall as Jeff?"

WEIGHT WATCHERS WATCH IT!

ATTENTION! W. W.'s of North Surry High-- March 22nd is the deadline date for our Weight Loss Contest!. A cash prize will be awarded. W. W. is an honor system--if you would like to know more about the International Weight Watcher's, contact Roberta Blankenship or Jesse Hatcher.

The BARK staff would like to congratulate one of its members, Trudy Gardener, on her marriage to Hurley Upchurch on February 25, 1972.

TWO FROM NORTH TO BE IN DISTRICT CONTEST

Congratulations to Dawn Watts and Fonda Younger on winning in the Junior Women's Club Fine Arts Contest. Dawn was the winner in Public Speaking and Fonda in Art.

They will go on to the District meet in March. Also participating were Dicky Hodges, Beth Horton, and Lynn Tilley.

"You have but one chance to make a good impression!"

A SALUTE TO THE AUTO MECHANICS CL

This is the third in a series devoted to the recognition of the vocational classes. Mr. Fred Gray is the instructor of three two-hour classes which are open to the members of the sophomore, junior, and senior classes. The class size ranges from a low of 15 to a high of 22.

There is no basic requirement for the class, but a good General Science and Physics background would help a student do good in the class.

The class is composed of fundamental mechanics with practical work stressed. The class has painted cars, repaired motors and have learned a great deal about the field of mechanics.

The purpose of the course is to help the student develop a skill which will prepare him to make a living after he finishes school. Each student has his own interest point and enjoys working in what he likes best.

The class has really been doing a "superb" job so as we salute the Mechanics Class we say "Well done!"
