December 1978

Fellow Jaycees:

Busy, Busy, Busy, will probably be the best way to describe the next 30 days for all of us. Holidays and vacation trips, family gatherings and christmas parties will be the order of the day for everyone during this happiest time of year.

As you are making plans for the month, please take your Jaycee calendar into consideration. We are planning several events which I am sure will mean a lot to you.

Our speaker for the first meeting of the month (Thursday-Dec.7) will be the state chairman for shooter education. He will bring us up to date on this project and encourage our involvement in teaching our young people how to safely handle firearms. Please be there.

Check the calendar attached for other events which might be of interest.

Congratulations to John Priddy, Jaycee of the Month for October and to Jim Collins who has qualified as a spoke. Keep the GRANITE EXPRESS rolling!

David Hawkins, President

EXTERNAL REPORT

During the month of December we will again be sponsoring the Toys for TOTS Program. This project provides toys and a party for many underprivileged children who would normally not have a very exciting Christmas. The toys for TOTS will be held at the Reeves Community Center on Saturday, December 16. The co-chairmen for this project are Billy Smith and Jim Collins. If anyone has any toys they would like to contribute, please contact one of the chairmen.

Our DSA Banquet will be held during the month of January. The Jaycettes are already in the process of choosing an outstanding youth for the banquet. We still need a chairman to manage this project. Anyone interested in working on the banquet, please contact David Hawkins or myself.

Happy Holidays
Mike Rader
