Basic Student Grants To Be Lower Next Year

By [Name]

The Board of Trustees of the Squires Club has announced that basic student grants for the next year will be lowered. The board, which meets monthly, said the grants, which are given to students who are members of the Squires Club, will be lowered by 10 percent. The board also announced that the grants will be given to students who are members of the Squires Club and who are also members of the Squires Club.
