

1st While in this world of gloom & fear

There is a light that dath appear

A light so bright the blind can see

Oh! that's the light the light for me

2nd A light that shines within the soul

A light we dont compare with Gold

A light that makes the sinner free

Oh! that's the light the light for me

3rd A light that shines on all that pray

A light that shines through endless day

A light that makes me happy be

Oh! that's the light the light for me

4th A light that shines beyond the sky

A light that shines broken called to die

A light I want the world to see

Oh! that's the light the light for me

5th

When darkness flees & light appear

It bids the soul no longer fear

By faith it now that light can see

Oh! that's the light the light for me

6th A light that all our fears dispell

A light to keep us out of hell

A light through Christ he giveth free

Oh! that the light the light for me

7th The grave unfolds that light to me

That light in Christ I hope to see

Which God hath said I'll gain it thee

Oh! Precious Precious light to me
