will be June or perhaps Sept
before the anticipated change
may take effect. I will
bring her down to see you
all - hope you will like her
your bro. does. She lives
in Ga. near Mills her
name is Beattie. She is
most too young for me only
22 I am you know 40 - wish
she was older - or I younger. She
will get older - but I will get
older too - instead of younger. Will
guess you see by this time I have
nothing to write - How you will

come down - Can't you come
up - your bro H. G. over

I have been looking for a note
you give me for a balance
you owed me for Mother but can't
find it. I let Tim have one
note but it seems to me you
give me two, one on a settlement
we had when I sold you a
Colt. &c. and then afterward give
me one for Mother. your
books will show. If this was
not the case then I owe you
the note you paid 7 and
will pay it. I think there is
a bal due me in the settlement
of estate of \$190. Please see about
the two notes and if there was
only one let me know I will
amt of it. will send you
receipt for 190 and balance
if any.

Yours truly Bro
Hague
