

Mount Airy, N. C., January 10th, 1917.

My Dear Sir:

Your fertilizer note is long past due and as you know we have waited very patiently with you but we are compelled to inform you that we have got to have this money during the month of January or else force collections.

We owe this money and our folks are insisting on us paying it, so you see we will be forced to collect to save ourselves. I hope you will appreciate our position and settle at once.

Thanking you for your patronage and hoping to have a continuance of same, we are,

Your very truly,

Farmers Produce & Supply Company.
