*Start with a goal in mind,
Like pioneers of old—
Save toward it and you will find
Your special pot of gold.*

HAPPINESS AND SECURITY JUST AHEAD

Start on the road to financial security NOW—and have the things you want, when you want them. It's easy to start—when you fill this handy dimesaver bring it in and open a savings account. Keep adding to your account by filling additional folders which you can always obtain here. Fill a new folder as often as you can with the odd dimes that you'll never miss. You'll be surprised at the way your savings will increase. Your goal of happiness, comfort—everything you want in life can come true—through systematic saving.
