... from the Pastor

The Apostle Paul called the church "the Body of Christ." That means that the church is not so much an institution as it is a group of people who are united through their common faith in Jesus Christ as Savior and Lord. Although we often speak of the church as if it is identified with the complex of buildings, the church is really located wherever the people are. We are the church gathered when we meet together for worship, Christian education and ministry. We are the church scattered as we go about our daily lives and responsibilities. Since we the people are the church, this pictorial directory is a tool to aid us in getting to know the church. One of the characteristics of the church at its best in all ages has been the quality of genuine love and care for one another. In this age of fast-paced lifestyles, relationship-straining preoccupations, and constantly changing church memberships, it is difficult for a congregation to really know one another. It is our intention that this directory will move us a step toward continuing and strengthening the already warm atmosphere of a caring church family.

First Baptist Church has a strong heritage that stretches across one hundred and twenty-two years. As the new pastor here, I am deeply indebted to the strong lay and clergy leaders who have gone before us. Here in the "Granite City" we are well aware of the importance of a solid foundation. Jesus Christ is the ultimate foundation. Upon that, every generation builds. With deep gratitude, we reflect upon and build upon the history of the past. With prayerful commitment we accept the challenge of making the history of the future.
