Dear Jasifae,

I've really enjoyed being in school with you.
Don't ever forget all our good times together.

What's that, someone's hungry!! Lets stop at
the Crocker Box for a drink!!! Oh! One!! Will you
ever forget that.

Salas, now where have I heard that name
before? It couldn't have been the day we had
cheesburgers, apple pie and wagon wheels for
dinner, or could it?

Bang, what's that noise, ah it's just a big rat
that landed on a light bulb. What a day, it
will always be in my memory.

Easter Monday, 1947. A big day, Red hair, large
eyes, big glasses, who on earth? Don't feel to bad
about it, it was only for a day. Our pictures
were good even if you were a little disappointed
over, ??? No!

When you enter college this fall keep in
mind all our good times and don't forget "Lizzy"
and "Jozy".

Best of every thing in the future.

"I want to borrow a quarter."

Love always,
Rachel
