Dear Drayton

It has been a lot of fun having you
as a classmate through school. Not even
saying nothing about getting to play opposite
you in the play this year.

P.S.

Don't forget about winning all-those
superlatives and that good one any way!

Dearest Drayton,

I have really enjoyed being with
you through all our school days
together.

I hope you a lot of success through
life, because you deserve the best.

Always keep as sweet as you
are now.

Love

Nora Llewellyn
