A Successful Man

That man is success

Who has lived well, laughed often and loved much;

Who has gained the respect of intelligent men

*And the love of children; who leaves the world better than he found
it; who has never lacked appreciation of earth's beauty or failed to
express it; who looked for the best in others and gave the best he
had.*

As we look Back
As we look back over time
We find ourselves wondering.....
Did we remember to thank you enough
For all you have done for us.....
To celebrate our successes
To understand our problems
And accept our defeats?
Or for teaching us by your example,
The value of hard work, good judgment,
Courage and integrity?
We wonder if we ever thanked you
For the sacrifices you made.
To let us have the very best?
And for the simple things
Like laughter, smiles and times we shared?
If we have forgotten to show our
Gratitude enough for all the things you did,
We're thanking you now.
And we are hoping you knew all along,
How much you meant to us

.....

*For the love of Family
Henrietta and Glen took me in when I was 3 months old.
Since then he has loved me and treated me and cared for me like I was
his own blood. He was the best Dad a kid could ever ask for. He was
my #1 Daddy. It takes a strong man to take care of another man's
child. My Daddy thought of us the same; blood doesn't make you
family love does.*

Love You,

Keyshia Smith Gwyn
