

SCHOLARS
MONTHLY
REPORTS

TO PARENTS OR GUARDIANS

This report is sent to parents or guardian after the close of each school month. After inspecting the items reported, please write your name in the proper place and return to the teacher.

As this is intended to be a complete summary of all that pertains to your child's school-life, we hope that you will regard it with more than a mere passing interest, and that you will co-operate with the teacher in securing the best possible results so far as relates to progress.

Your frequent presence in the school room would be very encouraging to both teacher and pupil, while it would also give you a clearer understanding of our aims and purposes.

Recognizing the importance of the school and home to stand united, your earnest co-operation in our efforts to raise the standard of our schools, and to extend their usefulness, is most respectfully solicited.

RULES AND REGULATIONS RELATING TO PUPILS

No pupil shall leave the school room during school hours, nor the school grounds, without permission from his or her teacher.

Pupils are requested to be respectful and obedient to those in authority. Rudeness in speech or action to schoolmates and pedestrians is forbidden.

Pupils who purposely absent themselves from reviews shall not be promoted without a rigid examination by the Teacher or Principal.
