The report on State Missions was read by E. Gibson Davis and adopted as read:

REPORT ON STATE MISSIONS

Your Committee desires first of all to record its profound gratitude to God for His blessings upon our State work during the past year. Since the inauguration of State Mission work in North Carolina there probably has never been so prosperous a period in our denominational work in the state as at the present time, and the outlook for the future was never more encouraging.

Under the wise and efficient leadership of Dr. C. E. Maddry, our Corresponding Secretary, North Carolina Baptists have rallied in a wonderful way to the support of the denominational program, and advancement has been made along many lines in our State work. Dr. Maddry in his report to the State Convention at Charlotte last November said: "We are slowly but surely regaining the lost ground and out of this year of transition, we firmly believe we shall come to a period of sane and wholesome progress."

The work of State Missions is fundamental in all our denominational activities. Its task is to carry out the complete program of our Lord as given His churches in the Great Commission. The most effective way to strengthen and expand our work in foreign lands is to evangelize, enlist, teach and develop the forces of our State in the work of the Kingdom. The true order for the evangelization of the world is laid down in the words of Jesus Christ when He said: "Ye shall be witnesses unto me both in Jerusalem and in all Judea, and in Samaria, and unto the uttermost parts of the earth."

The State Mission work is under the direction and supervision of the State Board of Missions, and this Board is the general agency of the churches of North Carolina for all denominational work. The Board is functioning along various lines, some of which are herewith given.

It pays in part or in full the salaries of missionary pastors. It co-operates with District Boards in the prosecution of the work in the various Associations. It employs and has under its supervision the evangelists, assists churches in the erection and equipment of suitable houses of worship. It employs workers in the Sunday School and B. Y. P. U. Departments.

It is impossible to record here the achievements of the Board during the past year, but we present herewith a partial summary of the work done by the Board as given in its report to the Convention at Charlotte, in November, 1925.

The Board employed 145 Missionary Pastors who served 259 churches, at a total cost of \$62,000.00. There are four workers and one stenographer employed in the Sunday School department. In the B. Y. P. U. department there are three workers and one half-time stenographer. The Sunday School Board of the Southern Baptist Convention pays one-third of the cost of the department of Sunday School and B. Y. P. U. We have one evangelist and one negro worker: this department pays two-thirds of its own expenses.

We have three workers at three of our state schools. Two workers in the enlistment department whose salaries are paid jointly by the State and Home Boards. We have a School for preachers at Wake Forest and the Mars Hill and Chowan Assemblies. All these departments as listed cost the Board in round numbers \$60,000. In view of the scope and program of the Board's work the personnel of the Board is not too large and we urge our people to contribute regularly, systematically and proportionately toward the carrying out of our denominational program as expressed in the Co-operative Plan.

Respectively submitted,

E. GIBSON DAVIS.

The report on Home Missions was read by J. M. Hayes and adopted.

REPORT ON HOME MISSIONS

In the language of our Corresponding Secretary, B. D. Gray, "We give thanks to Almighty God for His abundant favor upon our work during the past year."

Quoting from Dr. Gray again, "This is the greatest hour for Home Missions in the history of our country. The problems were never so acute, the demands so urgent, the opportunities so great, and the obligations so overwhelming." By the very nature of conditions as they exist, America constitutes the greatest Home Mission base in the world. Our country's population is composed of all nationalities. If we will seize our opportunities of winning the lost and enlisting the saved, there is no reason why every nation represented by all these different nationalities in our country should fail to have the gospel preached to every creature within a generation.

The Home Mission work of Southern Baptists has become far-reaching in its scope. Last year 669 missionaries, 5 evangelists, 37 foreigners, 13 Indians, 29 negroes were engaged as workers. The work of the Home Board includes that of the Seamen's Institute, Camp Work, Good Will centers, Cuba and Panama. Besides, our Board maintains 29 mountain Schools. In these schools were enrolled last year 4,581 students, 209 of which number were ministerial students. The Home Board also maintains two hospitals, one at New Orleans, and the other El Paso, Texas, for tubercular patients.

Outstanding among the steps forward last year was the re-establishment of the department of Evangelism. The Evangelistic staff is now composed of 5 evangelists, 3 singers and a pianist. So long as the Home Mission Board, and Southern Baptists for that matter, will make evangelism pre-eminent, God will richly bless our efforts. Winning souls was Christ's chief mission. Surely it should be the first business of every true Southern Baptist, or group of Baptists. It is encouraging to know that there was gain in baptisms, by Southern Baptists last year of 14,515. And yet, there were 6,448 churches that had no baptisms.

There are some pressing needs in Home Mission work. Possibly the outstanding need now is to meet the large indebtedness of the Home Mission Board. At the close of conventional year, the indebtedness was \$1,361,496.07. How can Southern Baptists life this and all other indebtedness? It can be done easily, if every Baptist, yes 50 per cent of us, would give God the tithe—the tenth—that rightly belongs to Him. The Scripture says the tithe is holy unto the Lord. When we think how few Baptists tithe, we are made to wonder if we have not lost our respect for holy things.

Then we need more missionaries, better support of our Christian schools, better support of the old ministers, pastors for pastorless churches, more church houses and other needs that we cannot enumerate now.

The tasks before us can be met, if Southern Baptists really want to meet them. Paul says: "I can do all things through Christ which strengtheneth me." Southern Baptists can do all things through the Lord and for the Lord, if led by the Holy Spirit. Through prayer and work and co-operation, we can go forward in a great way.

Respectfully submitted,

JAMES M. HAYES.

The report on Foreign Missions was read by T. S. Draughn and adopted.

REPORT ON FOREIGN MISSIONS

Our Lord commanded us to go into all the world and preach the gospel to every creature.

In order to do this the churches must supply the funds, and every Baptist should be glad to have a part in this great work in obeying the will of God.

There are 1,215 churches and 3,240 Out Stations with a membership of 140,488 persons; 528 American Missionaries and 2,644 native workers.

There were last year 13,269 baptisms. This being 1,000 more than last year.

There was received last year \$2,278,225.16 including the love offering of \$811,344.11.

We now have an indebtedness of \$787,136.43.

We, as Baptist people, must rally to the support of this great work, knowing in doing so we are doing the will of God.

T. S. DRAUGHN.

We then had a nice talk by Rev. Walter M. Gilmore on the Co-Operative Program which includes: Home, State and Foreign Missions, Christian Education, Aged Ministers' Relief, Orphanage and Hospitals.

On motion had a prayer for the Co-Operative Program. Prayer was led by Rev. C. F. Fields. Congregation sang, "More About Jesus."

Bro. Stuckenbrock gave us a very forcible short talk on Missions.

Dr. Chas. E. Brewer gave a talk on Meredith College and the work the Baptist people are doing for the young Baptist girls of the state.

On motion Rev. E. Gibson Davis was appointed chairman of the committee on the Co-Operative Program for the Surry Association.

Rev. J. W. Simmons, of Mount Airy, N. C., was elected president of the Surry Baptist Sunday School Convention to fill the place of J. W. Hylton.

Congregation sang, "Blest Be The Tie That Binds."

Dismissed by Rev. J. M. Hayes.

SATURDAY MORNING

Congregation sang, "Since Jesus Came Into My Heart."

Rev. C. C. Haymore read 10th chapter Romans and led in prayer.

The report on Religious Literature was read by J. H. Hall and adopted. The report was discussed by W. R. Beach, Rev. Walter M. Gilmore, Rev. E. N. Gardner and W. L. Reece:

REPORT ON RELIGIOUS LITERATURE

There are many kinds of literature going into the homes of our people and into our Baptist homes all over our state. We earnestly insist on our Baptist people reading the Biblical Recorder as it is the organ of the Baptist state convention. It is a sure way of bringing Baptists in immediate touch with their own denominational work and is the one means of keeping Baptists fully informed as to the denominational undertakings. Our Baptist people will never accomplish what we ought to accomplish as a denomination without being thoroughly informed. We earnestly recommend to our people the Biblical

Recorder, Charity and Children, Home and Foreign Fields and other Baptist literature.

If all our Baptist people would read one Baptist literature instead of so many trashy literature and sorry novels, it would be much easier for us to put on our programs for the Master.

Respectfully submitted,

J. H. HALL.

The following made talks on Missions and the Co-Operative Program: Rev. Walter M. Gilmore, Rev. C. C. Haymore, Rev. M. B. Phillips, Rev. J. H. Fulghum, Rev. T. S. Draughn, Rev. J. M. Hayes, Rev. H. R. Stanley, W. E. Woodruff and E. H. Wrenn.

On motion we set and adopted \$3,500.00 as a goal for the Surry Association for the Co-Operative Program for 1927. At a later date each church is to set a goal.

The report on Hospitals was read by E. G. Davis and adopted.

SUGGESTED REPORT FOR THE HOSPITAL

Only time and space limit the wonderful story the Baptist hospital has to tell the people of North Carolina.

5,000 patients, one thousand of whom have been charity or part pay—fathers, mothers, children have come from afar and we have received them all. For the most part they have gone back home well and happy to tell the glad news to their friends of the great blessings of the Baptist hospital. Verily in these years, the blind see, the lame walk, the deaf hear and the poor have the gospel preached to them. For not a few have found Jesus while they were finding health.

During last year, there were 1,800 patients, over 400 of whom were charity. They came from all parts of the state. While we write this report there are patients from Sylva, Mount Airy, Sparta, Furchees, Taylorsville, Weldon, Durham, Sanford, Macon, Henderson, Granite Falls, Marshall, Worthville and other points closer to our city.

The death rate was about 15 to the thousand, one of the lowest on record. God has been with us, healing the sick because of the prayers of our people.

The number of charity appeals grow every year. This year the number will be close to 500 and the cost will approximate \$25,000.00. But thus far we have received only about \$10,000.00 from Mother's Day offering. We will get about one-half enough to care for the poor needy sufferers. It is a pity to turn these down to die, because our Baptist people will not respond.

We shall be compelled to cut down the number of charity patients unless the amount for charity is materially increased in the next few weeks. It is impossible to do this work without adequate support from the churches. The question is shall we let them die? The answer is your contributions. I appeal to Baptists in the name of our Lord and suffering humanity, what shall the answer be? If you have not made a Mother's Day offering go back home and do it now. We cannot let these people die.

We do not get one cent to help these people unless you give it as a voluntary offering on Mother's Day or some other day during the year. All the budget fund must be used to pay our debt on the building and that is not enough to meet this need.

The hospital needs a nurses' home. We are using 21 beds in our institution that could be used for patients if our people would respond and build this home. Our women are making the effort this year. I trust our men will co-operate with them in this. This would greatly increase the amount of our revenue and give us more space for charity.

We plead with you that you will remember the hospital in your prayers, that you will think on the bigness of the job of caring for our hundreds of sick and needy brethren, that you will give of your means and send your patients, pay as well as free, that it may serve our Lord best by serving our brothers and sisters. The hospital needs you and some time you will need it. Keep it alive in its infancy with your offering and support.

E. GISON DAVIS.

The report of the committee on Education was next taken up and was read by J. H. Fulghum and adopted. The report was discussed by J. H. Fulghum and J. M. Hayes.

REPORT ON EDUCATION

Second Timothy 2:15 says: "Study to show thyself approved unto God a workman that needeth not to be ashamed rightly, dividing the word of truth."

It is necessary to study and it is also necessary to have institutions when our boys and girls can be taught to study correctly. Christian education is the only education that will advance our Master's Kingdom. Therefore it is very necessary that we as Baptists support our institutions of learning that our young men and women may have the right training.

Respectfully submitted,

J. H. FULGHUM.

Congregation sang, "Revive Us Again."

Dismissed by Rev. A. J. Williams.

SATURDAY AFTERNOON

Congregation sang, "Toiling On."

Prayer by Rev. J. N. Barnett.

The report of the committee on Orphanage was read by Ira D. Ferguson and adopted. The report was discussed by Ira D. Ferguson, E. N. Gardner, F. T. Lewellyn, L. W. Burrus and Miss Hattie Edwards.

REPORT ON ORPHANAGE

The greatest opportunity that comes to us as Baptists of North Carolina today is that of caring for the less fortunate of our land. We are now caring for more than 600 children in our Baptist Orphanage at Thomasville, N. C. But there are many more knocking at our doors each year that are turned away. What will we as Baptists do with this great opportunity? Will we continue to turn them away? Our Saviour says "Inasmuch as ye did it not to one of the least of these ye did it not to me."

Respectfully submitted,

IRA D. FERGUSON.

The report of the committee on Aged Ministers' Relief was read by L. W. Burrus, discussed and adopted.

REPORT OF THE COMMITTEE ON AGED MINISTERS

Your committee on Aged Ministers beg to submit the following report.

I think that there is no people living upon the earth who deserve more honor than the old ministers who have given their time and their talent to the cause of the Master.

If there is anything that will move the hearts of the brethren and sisters of this association it should be the old ministers of the gospel.

I notice in the report of F. T. Lewellyn, treasurer of the Surry Association, that there was only forty-two dollars and fifty-one cents paid by the association for this purpose last year.

I would cheerfully recommend that this association raise the amount from forty-two dollars and fifty-one cents to two hundred dollars for this year.

Trusting that this recommendation be cheerfully accepted by the association, I am,

Very respectfully,

J. G. BURRUS,

For Committee.

Temperance was discussed by the following: W. E. Woodruff, A. J. Williams, C. C. Haymore and C. F. Fields.

REPORT ON TEMPERANCE

Because the whiskey traffic and the use of all kinds of intoxicating liquors is one of the greatest evils of the world, it is incumbent upon all Christians in all places, to do all in their power against it. Much has been done in this state since prohibition was given to us, to check this evil. The fight is on and we are in the heat of the battle.

We call upon all the churches and pastors of the Surry Association to come to the front and stand until the victory is won. The whiskey traffic and sentiment are weaker in North Carolina than ever before, whereof we are glad. But in this, as in the individual Christian life, eternal vigilance is the price of victory.

Respectfully,

C. C. HAYMORE.
