May Dinner ①

1952

Greetings from the President:

I wish to extend to each member of the Dohson Woman's Club a most cordial welcome, and to each guest a friendly greeting and welcome. It is indeed a real pleasure to see you that we are glad you came; we hope you will have a good time and will come again.

At this time I would like to recognize one of our honorary members who is present. We are very happy to have Mrs. Maude Freeman with us.

Our guests for the

evening are Mrs. Doris Gabbard who will graciously entertain us with her piano selections. Miss Betty Lou Fowler who will appear on the program. We are happy to have them and we are very grateful to them

for guests. = <sup>Mr. Bice</sup> Biggs staff  
 → anything there is an out of  
~~town past president of  
 our club here and I  
 would like to recognize  
 her at this time. Mrs.~~

~~Emma Corner Dickinson.~~  
 There are three past members  
 of the club who had hoped to  
 be with us for this meeting. Since  
 circumstances prevented their  
 being here, they asked me to  
 give you the following  
 messages:

From Mrs. W. E. Hancock,  
 one of our past presidents,  
 comes this message: "Remember, my  
 mind will be with you  
 even if my body is ab-  
 sent. I have always had  
 a close feeling toward the  
 Woman's Club. Give all  
 the club members my best  
 wishes." Now, from  
 Mrs. Eva H. Hawks:

"My best regards to you  
 and all the members, and I  
 do hope you will have a  
 nice dinner and meeting,  
 which I know you will.  
 I know there has never  
 been a club more co-oper-  
 ative than the Dawson  
 Woman's Club."

— past president

Mrs. Emma Corner Dickinson  
sends her regrets that she  
was unable to come due to  
the illness of her little son,  
but her best wishes are with  
us.
