* William Hill gave/gifted his land to his son Richard & Richard cared for William & his wife. The deed is in the Surry County Register of Deeds. NO Will! William & his wife died circa 1830-1840, I think! Son Richard attempted to get an annuity from the U.S. Government. FAILED! But the papers generated in the account are very helpful. JSH

May 17th 1856 Richard Hills Declarates

Richard Hill Claimant. Being Desirous of obtaining a pension for the services of his Father William Hill in the Revolutionary war ~~the~~ Through Henry Smith his lawful Agent - Viz -

The following goes on to state what I heard my Father say Relative to his services in the old Revolutionary war of the United States

I heard him frequently say that he enlisted shortly after he came to Surry County N. C. for five years or ~~x~~ during the war he said this Country (that is Surry) was infested with Tories. They were so troublesome that Government ordered out a Regiment of whigs to protect the settlement. I heard him say at the mouth of a little River called Elkin the Tories fell on a few whigs and drove them some made their Escape and some was killed others Crippled The whigs was Defeated

After some time the whigs as my Father said ~~—~~ assembled together in the Neighborhood near the Shallow ford on the Yadkin River the troops that the Governor Ordered to be raised amounted to 8 or 900 men they were opposed by about that number of Tories they met and a severe Battle ensued my Father said he was in the Battle Commanded by a Col Cleveland who Commanded the whigs, he said his Capt was by the name of John Horne My Father said that the whigs won the Battle ~~the~~ It was rumoured about this time as my Father said that General Green was expected to the South with an American Army which made great Alteration in the times The Tories in turn had to hunt their lodging place, some joined General Green (Continued

and some Cornwallice, My Father said he then was put in a Regular Regement or a Regiment of Regulars Commanded By a Col. Dix we then march for Guilford Courthouse where he said Cornwallis met them and the Battle Commenced and it was a Bloody engagment My Father said he was in the thickest of the Battle for Regular Soldiers always had the blunt to bear, or at least had it in that Battle for some of the Militia fled in the early part of the engagement after the Battle of Guilford I heard my Father say he marched for Little York I do not Recollect of hearing him say who was his officers after the Battle at Guilford But he said he was at the Surrender of Lord Cornwallice

My Father Never Drew a pension he Deceas'd in the year 1840 My Mother in 1846 and never Drew a pension my parents agreeable to their Register was Married 1776 they Liv'd together as man and wife, Both my Parents Lived to be more then a 100 years

Finelly I heard my Father say he was in three tours of his Country in some way or other from the Commencement of the war either waggon master fighting the Tories or any thing they wanted him to Do —

Sir

I rec'd yours of 18th May last and find that you do not hesitate to believe that Wm Hill Dec'd had rendered some service in the Revolutionary war But you think not Enough to entitle him to a pension Give me leaf my Honorable friend to differ with you in our calculation agreeable to the pension law six months service entitles a soldier in the Revolutionary war to a small pension and so on in proportion to the servitude a soldier has serv'd The Sum that Wm Hill has rec'd for his service in S'd war Amounts to the £21-7-0 and that at 40 shilling pr month is near Eleven month agreeable to the Estimation made by the Comptholer in his Certificate I have wrote to the Comptholer of N. C. about some particulars He Stated to me that there was payments made to the name of Wm Hill in the Willmington & Halifax Districts that he did not think it Necessary to name in the Certificate sent to the Department as likely there was more than one Wm Hill in the Service He said the payments made to the Hill of the Salisbury District would overrun six months Consistently I have recently been told by old men that Salisbury in gone by Times was Surry Courthouse before the Counties was Divided & Subdivided There is no better evidence in this late Period of time of a mans having serv'd & how long as the amt of payment, No man could have rec'd payment that has not serve

84 Rod

Surry Cty N.C. Apl 18th 1837

his Claim was filed under Act June 7th 1832

Sir I Rec'd yours of the 21st March last and noticd the Contense I am not to be said a pension Agent but by the Request of the Claiments Richard Hill, I have consented to try to prosicute a claim for a pension for the services of his Father William Hill I wrote on to D. Minot the former Commissioner for the pension Law he sent it to me or as much of it as would answer the purpose. The portion of law that I Rec'd from the Department States this. That the claiman must produce two Respectable Citizens one of whoom should be a Clergyman if he can be had The other must be a Respectable Citizen who will Certify to the best of their knowledge to the Hills age and other particulars & all must be sanctiond by the Court which procedents you can see in the Claiments Declaration

Again in it says To require from the Claiman positive proof of Service from a Temporary survivor would after the lapse of so many years be to deprive many of them of the benefit of the law, Again it further says And as no presumption is rais'd against the militia by the existance of Rolls in the Department There is no good Reason why this Requisition should not be extended to them. And more of the law made easier on the account of the past Decline of the Revolutionary Soldiers

In Relation to Thomas Ayres' Testimony it is what I do not understand That a mans Testimony should be disanulld because he never was a pensioner The Theatre of war (Viz.) The Tory war was in Ayres' own Neighbourhood he says his Father & two Brothers was in Barracks at fort and Wm Hills family was close Neighbor to Ayres he had an opostumely of knowing about hill

You Stated that you thought Thomas Ayres evidence was too General to be satisfactory, I have thought it very limited ~~considering the Oportunity he had to~~ know Thomas Ayres has given 2 Declarations & his Veracity Assigned & sanctioned by 2 of the honorable ~~est~~ Ct. in Surry Whitaker the oldest Majesliate in Surry and among the most pious of men, he would not have put his name to Ayres' Character for Surry County had he thought it not just R. E. Reves a man of Very Honorable Report he was our Representative last Sesion to the General Assembly ~~and~~ after Getting home was appointed or Elected to be Chairman of our County Court would he assigned the second Declaration of Ayres Would such men put their hand to that which was not just Besides Ayres is neither Relation nor is he Interested in the case Ayres Declaration is ~~gs~~ altogether that occured in Surry N C Viz. his personal knowledge You in your letter Requested me to prove Hills services by old respectable men that was Hills Neighbors in the time of the Revolution and was personally acquainted with Hills services, it is more than I can do there is not a Revolutionary Soldier alive in Surry or But few in the U. S. the Requirements of the portion of the pension law that I have is not so hard on me as that Few Revolutionary Claimes would be got under that Requisition I do not how that I can be able to send on any more proof in the case I do not offer any thing here as proof But I wish you my friend to Reconsider the evidence that has been advanced and Give me a pension Certificate if you can & I know you can Yours Respectfully P C Henry Smith

The Commissioner of pensions

Surry County N.C. March 13th 1857

To the commissioner of pensions Washington

Dear Sir I have wrote on to Raleigh Carolina for a certificate Relative to Wm Hills services or payments for his services in the Revolution — ary war — and have obtained a certificate from the Comptroler at Raleigh North Carolina which certificate I here enclose for and send on for your consideration

I would have sent on a certificate before had I not concluded that you had as good or better Record in Washington than they had in Raleigh N.C. It appears that the State of N.C. is Designated by Districts instead of Countys. You wanted to know whither the William Hill alluded to was from Surry County N.C. Salisbury is within a few hours Travel from Surry, Rowan County joins Surry Salisbury is the county seat of Rowan — and Both in one District old Thos Ayers in his declaration said that he knew Wm Hill to be in service more than 12 months and Ayres is an honorable man — as has been well authenticated in his county He (Ayres) says that Hill was in Barnett unorganized into a regular line of Duty under he joond General Greens army at Guilford Courthouse he said as he reported in his Declaration that as the whigs had some engagements fighting the Tories he als said in his Declaration that Wm Hill enlisted for 5 years or During the war the said that the time of said Hills enlistment was about the first part of the year 1780 and marched some time in the spring of 1781 to join General Green — and was in what is Called the Guilford Battle and served as his Brothers said to the end of the war —

Surry County. N.C. Nov. 12th 1836

~~Ft Hunt~~

I have enclosed some gleanings of evidence
relative to the services of William Hill in the Revolution
war with the States against Great Britton - and send
them on for your consideration — One of my Neighbors
Mr. John Jones who was also hoping for the same pension
wrote an Interrogatory letter to Gov. W. Brooks Comptroller
of public accounts at Raleigh North Carolina the answer to the
letter I obtained from - Jones and send on also for your
consideration — & judge you have the Records as full
in Washington as they have in Raleigh North Carolina
But you stated in your letter that I should seek for
evidence in Raleigh which I judge that the within letter
was as good evidence as I could get in Raleigh
for after Wm Hill would have sued for his pension in
his life time (it would have been better) But he feared he could not obtain
evidence after the death of so many years there was not many
old people to be found that knew any thing about his
service they were all Dead or Moved off. the records
have been Burnt that he could have prosecuted
a Claim in his lifetime - But some four years
since old Capt Thos. Ayers came Back to Surry N.C.
and stated about Mr. Hills services that which is
comprehended in his Declaration — If Hill could
have procured a Claim in his life time he could have
told of many particulars which he (his) could not
recollect which would have been of service in
establishing his Claim. All evidence that can be commonly
can give is that they have heard a good many old
soldiers telling (one to each other) their hardships and
encounters in the service but I never once heard them
say what was the No. of their Regiment Brigade or Division
they was attached to many of them did not know themselves
their own

[illegible] my their topic of Conversation [illegible] not

there is [illegible] thought him to be a 100 years old when he

Dear ~~Mr. Jordan~~:

Your name is listed in our library ~~current~~ directory of Hist Asso.'s. as president So am I to type

We are trying to trace a branch of my mother's family who moved from ~~North Carolina~~ Guilford Co, North Carolina in the late 1860's, after the Civil War. They used to have been the ~~father, Christopher~~ ~~enclosing a family sheet with information~~ in hope. Family tradition says they went to New Castle, Indiana. ~~same~~ One of the sons later moved to Eureka, Kansas, and sporadically wrote to the folks back in N.C. and ~~Indiana~~ we have located some of his descendants. But the other son, Benton Field & the parents, Christopher and Isabel Fields seem to have stayed in Indiana.

Eli Fields

Could you make this family sheet available to your members in case any of them are searching for this line? I would like to contact & exchange....

I have joined the DAR through this Field line and would be glad to provide informatio

[redacted] to anyone interested in joining.

[redacted]

My husband has cousins in New Castle with whom we have lost touch. They are: Mrs. Bertha Luther Smith who lives or lived ~~at~~ at 1001 S. Main St.; Mrs. (Dr.) Violet Haven of Clearview Drive, Paul Smith, who had a real estate company and Paul Osborne, who I think was mayor at one time. ~~Do you know if these~~ Robert Poindexter. These addresses are quite old. Do you know if any of these people are still living in the area? I would like to contact them to gather family information they might have on my husband's grandmother, Ruth Augusta Martin Smith. When her first husband, Columbus Franklin Smith died in Yadkin Co, NC, she married a ____ Poindexter & they went to New Castle taking Luther her son by Smith with her. I know they had at least one more son, Robert Poindexter, whom I met when they visited us years ago. His wife was Belle.

We would be glad of any help you could give us on these matters. Thanks you for your help.

Sincerely
