Obituary

Mrs. Joan Renetta Davis Sanders, 67 of Winston Salem, NC, was called to her Heavenly home and received her wings on November 17, 2016, which was her youngest daughter's birthday, at Novant Health Forsyth Medical Center, Winston Salem, NC. She was born September 20, 1949 in Surry County to the late Freddie Davis Sr and Helen Davis. Joan retired from US Airways, after 20 plus years of service.

Joan Renetta Davis Sanders was a loving, caring and funny individual. She never missed the opportunity to brag on her grand kids. She loved them dearly. Joan was a person that loved everyone and gained so many children that were not her own. She was a people person that would give her last and nurture others before herself. Joan loved God and always encouraged her children to follow him and trust in his word. You could always look to see Joan with a smile on her face and she loved to crack jokes. She was definitely a person that was full of life and loved family vacations. Joan loved to bake and would dare someone to eat a piece of her 5 flavor cake without her permission. She will truly be missed but her good deeds and mother goose ways will forever live on and never be forgotten.

I AM HERE

I hate it when you cry
But you don't understand
I am sitting right beside you
I am there I hold your hand
I would never leave you
Surely inside you know
That I will wait forever
For I love you so
I am there when you awake
I am there when you sleep at night
Though you do not feel it
I often hold you tight
Sometimes you look so lost
Staring in to space
Wondering where I am
Am I in a happy place
Yes I am happy
I want you to know that's true
Do you know why I am happy
Cause I spend my days with you
I know you do not see me
Or hear the words I say
But you don't realise
I am never far away
I guide you through your days
With words your soul does hear
I hug you when you cry
I wipe away the tear
When you sleep at night
I sit upon your bed
I say sleep tight my darling
And kiss you on your head
When you feel a chill
Or a shadow you can see
I leave you little signs
To know that it is me
So no more tears my angel
Just live the life god gave
I will be beside you
Be strong be proud be brave
