*As I never could before.
I answered the gentle knock
Of the Angels at my door.
So please don't mourn for me
As new wings I now claim.
I can take my flight to heaven
Because the angles came.*

Thank You

*The loss of the one we held so dear.
It was to us a great comfort indeed,
To see you in the time of sorrow and need.
So from our hearts which you tried to help mend,
We thank you sincerely again and again
For being such wonderful friends.*
