*Life,
So they say
Is but a game,
And they let it slip away.*

Love,
Like the autumn sun
Should be dying,
But its only just begun.

Like the Twilight

In the road up ahead

They don't see just where we're going

And all the secrets in the universe
Whisper in our ear

All the years have
Come and gone
Take us up
Always up.

*Dreams so they say
Are for the fools
And they let them drift away.*

Peace,

Like the silent dove

Should be flying,

But its only just begun.

Like Columbus in the olden days

We must gather all our courage,

Sailing our ships out on the open sea.

That's the way I'll live,
And all the years have come and gone
Take us up
Always up.

*So, I want to laugh while the
laughing is easy.*

I want to cry

And make it worthwhile.

I may never pass this way again.

That's why I want it with you.

You make me feel

Like I'm more than a friend

Like I'm the journey

And you're the journey's end

I may never pass this way again

So that's why I want it with you.

We may never pass this way again.
