Farm Operator's Responsibility

1. Tobacco marketed from the farm for which this card is issued shall be identified by memorandums issued from this card.
2. If memorandums from this card are used to market tobacco from another farm, you may be liable for the penalty on such tobacco and the allotment next established for the farm for which this card is issued may be reduced.
3. This card should not be left in the possession of a buyer.
4. This card shall be returned to the County Office when all tobacco from the farm has been marketed or all memorandums used.
