Carol,

No words could express my true feelings toward you & You've been more than a pesty little niece to me! You've been my sister to me for fourteen years! Hope we'll always stay as close. Don't ever forget all the "nutty" things we've done! Also our fusses! The time we climed the cherry tree! The fun at the movies! On the Mtns! The fire tower - your Last? Huh?? We always have fun!!

Here's wishing you all the luck you could have in High School! Glad I'll get to be with you one year!! There'll be times you will want to give up, but please don't! It'll be the best years of your life! Also take advantage of all the activities & It really is fun! I also want to see you on our Cheerleading Squad next year & Don't waste one minute of your life & And when you start dating - it'll be a big thrill As long as you stay with the right crowd & But just remember to "play the field".

Carol you have shown your love to me by being a true friend, helping me solve my problems, sacrificing your time, money and also clothes to show me a good time & I appreciate it and will always remember it. Couldn't get along with you & Maybe someday I can help you.

But I want to extend my sincere wishes of love, Luck, happiness and success to a very sweet, pretty & nice girl & Give a smile & a smile will come back!! Also remember in starting into High School! Give to the world the best and the best will come back. Wish me luck in getting to go to college! All my love Always,

"Gooch"
