*Faith is the substance of things hoped for,  
the evidence of things not seen.*

*I know not what the future holds, but I know  
Who holds the future.*

*Some men have many reasons why they cannot  
do what they want, when all they need  
is one reason why they can.*

*The trial of your faith is more precious than gold.*

*Earnestly contend for the faith which was  
once delivered to the saints.*

*The blind with their hand in God's,  
can see more clearly than those  
who can see who have not faith.*

*Never put a question mark where God puts a period.*

## **Thank You**

*The flowers that you sent that day,  
The card you mailed along the way,  
The service you stopped by to render,  
The gift you brought with thought so tender.  
The prayers you said which played a part,  
In easing the pain that was in our hearts,  
Each helped us to find that strength to bear,  
The loss of the one we held so dear.  
It was to us a great comfort indeed,  
To see you in time of sorrow and need,  
So from our hearts which you tried to help mend,  
We thank you sincerely again and again  
For being such wonderful friends.*
