THOUGHTS ON GRADUATION

Many thoughts run through the minds of Seniors the last month of school: "Could I have done better?" "If only I had worked a little harder." "Maybe if I had joined that club?" . . .

For some Seniors, graduation is sad; for others it is happy; and for most of us it is sadness mixed with gladness, because although we are happy that we have achieved our goal, the sadness is still there of leaving a great school and a group of warm and wonderful friends.

However, no one would really want to stay longer because there is a whole new kind of life waiting for us, with new friends, careers, marriage, college, military service, and different kinds of good times. We wouldn't want to check progress; we only want to express our love for North Surry before making our way into the future.

The school has prepared us for our future lives and has given us a good foundation upon which to build. This is the place where we have matured into young adults; this is where we have rounded our personalities; and most of all, this is where we have made strong and lasting friendships.

With a sigh of regret and a cordial "Thank you", we say "Good-bye North Surry."

HATS OFF!!

This column is special. It is in a conspicuous place, a place that we, the Bark staff, intend to "box", (news-paper lingo, for putting lines around) so that it will be outstanding, eye-catching, conspicuous, and arresting. Why? The answer is this—we want to express appreciation to the various clubs and organizations here at North Surry who have done so much to make the school great.

There are the athletic teams, their managers and coaches, the clubs and all their activities, including the "doughnut-loving" Young Patriots and their proficiency in fund-raising for the school, the ever-busy office aides and library assistants, the band and chorus members, along with Mr. Amos and Mr. Heifrin, the yearbook staff, and advisor, the Student Council's great leadership, the J. V. and Varsity cheerleaders, the teacher aids and secretary, Mrs. Inman and the cafeteria staff, the faculty and Mr. Poplin, who have taught us these four years and kept us in line, and the Bark staff who have tried to supply you with the news around school as accurately and as thoroughly as possible.

THANKS!

SPORTS

HOUNDS REGISTER VICTORY OVER EAGLES

Trailing 2-1, going into the top of the seventh inning, the Greyhounds scored to put the diamond war into extra innings, on Friday evening, April 3, when they battled the Eagles at Surry Central. The Hounds tied the game in the top of the seventh with Kenny Lewis reaching home on an error. Bernie Young hit into a fielder's choice, forcing Lewis at second. Chuck Beasley singled and Rudy Draughn singled, scoring Young, and tied the score. The Hounds scored two runs in the top of the ninth as they held the Eagles to take a 4-2 win. HOUNDS DOWNED BY SOUTH STOKES

On May 4, the North Surry Greyhounds were host to the Sauras of South Stokes. The Sauras won, 6-3. In the early part of the game, the Hounds were in the lead, but failed to keep it. NORTH LOSES TO FALCONS

On May 7, the Greyhounds were host to the Forbush Falcons, losing to them 3-0. Again the Hounds just couldn't get started with the bat. HOUNDS SCORE VICTORY OVER ELKS

On May 11, the Greyhounds traveled to Elkin to battle the Elks, where they got back in the winner's circle with a 5-0 victory. The Hounds had 5 hits, 0 errors, and the Elks had 7 hits, 2 errors. Rudy Draughn was on the mound for the Hounds to take the win; Chuck Beasley backed him.

COACH'S COMMENTS

I feel we had a very successful season; however not as successful as I would have liked for it to be. We felt our team was as good or better than the others in the league, but things didn't work out exactly as planned. We hate to lose four fine boys but are looking forward to another year and another shot at the title.

Coach Jessup

TEN POINTS FOR LONG LIFE

When John D. Rockefeller made his first million, he wasn't surprised. He had simply been faithful to a deliberately thoughtful program. He made a set of rules, and followed them with the same faith. These rules have now become the "ten commandments of health":

1. Never lose interest in life and in the world.
2. Eat sparingly and at regular hours.
3. Take plenty of exercise, but not too much.
4. Get plenty of sleep.
5. Never allow yourself to become annoyed.
6. Set a daily schedule of life, and keep it.
7. Get a lot of sunshine.
8. Drink as much milk as will agree with you.
9. Obey your doctor, and consult him often.
10. Don't "overdo" anything.

Who 's the most absent-minded student in journalism? Ask J.L.

Why is everybody in high spirits? Could it be the end of the year?

ATTENTION ALL SENIORS: It is planned to hold a party after graduation. For further information contact Debbie Moser, Gail Hull, Sandy McCraw, Sue Nunn and Charnell for the time and place.

What's this we hear about Barbara C. slinging her golf club about 200 ft. (when the ball was supposed to be the one going 200 ft.) at the Mt. Airy Midget Golf Court, Sunday, May 9? What about it, Ann E.?

"Dear Russ: NOthing ever happens here.
