INMAN ELECTRIC COMPANY, INC.

Our team of management and foreman have a combined total of over 300 years experience.

Inman Electric Company has grown from two employees to an average employment of 32 people.

We feel that the growth of the company over the last 3 decades has been primarily due to the quality work and excellent service performed by our personnel as well as repeat business.

The Company is financially strong and is capable of bonding any size job in our marketing area.

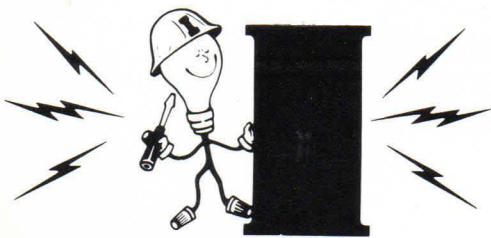

We pride ourselves in having the reputation of getting the job completed on schedule. This is due to the dedication of our employees and the fine working relationship maintained with our suppliers and contractors.

A system of radio communications is maintained for all of our vehicles in order that we may expedite all jobs with promptness.
