GRACE MORAVIAN CHURCH
Mission Statement

Our purpose is to serve God by providing an atmosphere where people are encouraged to build an enduring, dynamic relationship—

with Jesus Christ as Lord and Savior,
with one another through mutual care and support, and
with the world by responding to total human needs.

Being a congregation deeply concerned for the nurture and health of families, with a diverse variety of families and ages, and located in a family-oriented community, we shall provide a ministry which will—

provide rich experiences of worship which reflect our strong Moravian musical and religious heritage, and which involve all ages,
provide well-managed programs that address the primary needs of families: youth and adults, married and single,
offer a rich variety for outreach opportunities addressing human need that are relevant to each age group.

Core Values
These values best describe the life of our church—

Love
Acceptance
Spirituality/Prayer
Compassion
Family/Community
Health/Nurture
Mission/Outreach
