SUGGESTIONS FOR USE OF RECORD BOOK

The Church Membership Record book contains the following sections:

— Resident Membership Roll
— Nonresident Membership Roll
— Chronological Membership Roll
— Summary of Church by Years
— Record of Church Officers
— Record of Ministers
— Minutes of Church Business Meeting

In setting up the Resident Membership Roll, arrange names in alphabetical order. Blank space should be left between each letter of the alphabet for additions to be inserted.

When a person is received for membership in the church, the name and other information should be entered on the Resident Membership Roll and the Chronological Membership Roll.

Resident Membership Roll — List names in alphabetical order. **"Membership Number"** will be transferred from the Chronological Roll. **"How Received"** is to be filled in "baptism," "by letter from (name of church)," or "statement." **"Date of Birth"** — day, month, and year (3/1/20). When a person joins Sunday school or Training Union, list class or union.

Nonresident Membership Roll — Names are transferred from the Resident Membership Roll to this roll when a member becomes nonresident.

Chronological Membership Roll — Names are added to this roll in chronological order as members are received. First name entered will be number one, second is number two and so on with lines used consecutively. Complete information including date of birth. Record date person is baptized or date church letter is received. The membership number by a member's name on this roll should be the same number listed by the name on the Resident Membership Roll.

When a person dies or is lettered out or removed from roll for other reasons, write person's name in continued consecutive order. The first decrease will be number one, second two and so on in the **"Dismissal Number"** column. Write in date of decrease and reason. The number of members on roll may be determined at any time by subtracting the last number listed in the **"Dismissal Number"** column from the last number listed in the **"Membership Number"** column.

Summary of Church by Years — At the close of each year, transfer from other records the totals for the year as listed in column headings.

Record of Church Officers — Each year when new officers are elected, list the names on this page for the current year.

Record of Ministers — Information relative to the change of pastors should be recorded here.

Minutes of Church Business Meeting — Minutes of all church business meetings should be briefly and accurately recorded. They should be dated and signed by the clerk and moderator. Before transcribing minutes to this permanent record, it is suggested that the clerk write them in rough draft and ask himself this question: Have I recorded all essential facts so that the action can be accurately interpreted in the future? Minutes should record only facts. Do not include compliments, criticism, or the number of votes for or against a motion.

September 7, 1996 - I talked with Hester Jackson today and she informed me she did not have any of Dobson First Baptist records. She said she did have some old copies of the Surry Baptist Association Minutes. September 7, 1996 - I called Spencer Norman, brother of the Norman sisters, who is living in the Norman Sister's house, and he promised me he would go through papers at the house to look for our records. He will call me within two weeks.

To: Dobson First Baptist Church Choir,
Minister, and Congregation.

Thank you for the opportunity of serving you in the capacity as Choir director for the previous sixteen months. The experience has been priceless and our relationship was one of reward on my part. Such rewards as kindness, thoughtfulness, and encouragement have been simply invaluable. I express my deepest appreciation to the Choir for their patience and willing attitude.

The opportunity to direct a Choir at a church closer to my home has presented itself. Therefore, it is with this letter that I submit my resignation to answer the Call, this resignation being effective May 3, 1981.

It is my most sincere prayer that you may have gained more insight into Church music and a desire to continue

this important area of Church service. Those who cannot reach people with the love of Christ by "word of mouth," can reach out with the message by singing — The singing inspired by the spirit in our hearts.

It is with mixed feelings that I give to you my resignation as Pastor, effective following the Morning Worship Service, January 3, 1982. I have accepted the call to be the Pastor of the First Christian Church (Disciples of Christ), Fayetteville, N. C., beginning January 10, 1982.

I want to thank you for what I believe have been seven good years of serving God and His Church together. I greatly appreciate the support, encouragement and affirmation many of you have given me and my family. I hope the relationships we have formed will continue as I begin a new ministry. Be assured of my continued prayers and concern as you seek a new pastor and as you continue to serve God.

We plan to be away to visit our family at Christmas leaving after Worship Service the 27th and returning on the 30th. We may also need to be gone a few days to look for housing in Fayetteville.

Dear Brothers and Sisters at Dobson First Baptist Church:

This past year with you has been a most enjoyable one. It has meant so much to us that you were led in heart to call us to become a part of your Christian fellowship.

Florence and I want to thank you for being the kind of folkes you are. The positive ways you respond to get God's work done at Dobson First Baptist Church and the many things you constantly do for us certainly speak of your discovery of God's love.

Your thoughtfulness, regarding our families and responses to include us in so many enjoyable experiences, conviences us of your genuine love for others.

With the spirit that prevails in our church, we pray that God will bring to pass those blessings He has already planned for all who seek earnestly to do His will.

God's word tells us that when we give of ourselves and our means to make His work grow that He will bless us. "... and prove me now herewith, saith the Lord of hosts if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it." Malachi 3:10.

Getting to know each other this year; beautifying our church; and providing for the pastor and his wife have been real accomplishments.

Now, let us turn with an even greater urgency to see how many people we can reach for Jesus Christ. Nothing having life can stand still; it must either grow and mature or stagnate and ultimately die.

I challenge you to join with us this second year to give of ourselves in every way to touch the hearts of others for Christ. Speak a word for Jesus; invite others to come to church; learn to talk about salvation in Christ; and be committed to the church program and pray always that we may be assured that the Lord is providing the way to make it all possible.

Florence and I express our sincere love and appreciation to you for the privilege to serve Christ with you in Dobson and around the world through missions.

With Love,

Sam and Florence

Your pastor and his wife
