DR. FRANK BAKER

Dr. Frank Baker, for many years a missionary of the Presbyterian Church in South America, principally in Brazil, will bring the message today. He has been most generous in sharing his faith and experiences with the church of Mount Airy. We sincerely appreciate his sharing with the people of Central Church.

The Presbyterian and Methodist churches are co-operating closely in various mission fields. Our message is the same and our methods of operation pose no barrier to effective collaboration.

MY CHURCH

"My church is composed of people like me.

We make it what it is.

I want it to be a church that is a lamp to the path of the pilgrims,
leading them to goodness, truth, and beauty.

It will be, if I am.

It will be friendly, if I am.

Its pews will be filled, if I help to fill them.

It will do great work, if I work.

It will make generous contributions to many causes, if I am a generous giver.

It will bring other people into its worship and fellowship, if I bring them.

It will be a church of loyalty and love, of fearlessness and faith, and a
church with a noble spirit—if I, who make it what it is, am filled with these.

Therefore, with the help of God, I shall dedicate myself to the task of being
all the things that I want my church to be."
