Joan,
It has been a pleasure carrying Rod to visit you the past summer. I hope you and he get together again soon (?). Best of wishes.

Joan
It has been a great year hasn't it? Although we weren't in any classes together, we still had a ball. Best of luck always. Good luck,

This has ben a swinging year for some of us. Best of luck in the future to a deserving girl

Joan (Wild finger)
There is so much I could say but maybe I shouldn't. Our lunch room conversations have been very informative. I finally get to eat when you leave. Our rides to school have been exciting to say the least. You had better practice up on your aim before you try poking anyone else. Our telephone conversations have been informative, cheerful, sad, and very long. You know just the right things to say to cheer people up (usually). Call on me anytime you need my helpful advice. I'm glad about your ankle. It could not have happened to a nicer girl. I hope I did not embarrass you too much the night you took us to the drive-in. You're just wonderful Joan I guess. The many thoughtful things you have done for me have been appreciated more than you know. I only hope I can repay you someday. We will have to live it up this summer. I don't know just how to close. You have been a very true and trustworthy friend to me. With your bubbling personality I wish you all of the success in the world. I am sure you will get it!

Your friend always,
Emily

Near the end of Shakespeare's immortal play JULIUS CAESAR, Mark Antony, paying tribute to the slain patriot Brutus, exclaimed, "This was a man!" It is with a deep sense of pride and humility that the 1965 AIRMONT staff attempts to express its gratitude to a man whose life has enriched the lives of thousands of people in this city and this community. To Howard M. Finch, for thirty-two years principal of Mount Airy High School, the staff voices a very inadequate, "Thank you." His energetic spirit, his spontaneous smile, his unswerving fairness, and his firm hand have won the hearts of generations of Mount Airy students. His interest was genuine; his advice, sincere. By setting high standards for himself, he could command exemplary performance from the student. To Mr. Finch-teacher, principal, scholar, and Christian gentleman-the staff proudly dedicates this, the 1965 edition of the AIRMONT.

Joanne,

We've had some great times together! Remember Caswell? We made some great friendships that summer. That last night when we revolted against the Sutters and stayed up until midnight! They were really upset!!

Also we made quite a friend in Judy Hitchcock. We must go to Winston and see her someday.

Since you're rushing me, I must close

Lots of luck,

Dear Joan,

Notice, I chose to write over this particular commercial and remember that it was an error. I'm not particularly fond of funerals. It's been almost too much fun being with you in Spanish and especially Y.W.A.'s this year. All those wild ideas, enriched by your witty cackle (?) have made this a distinctive and enrobbing year. May you have many blessings in the future and Good Luck at Wake Forest.

Our Final Word

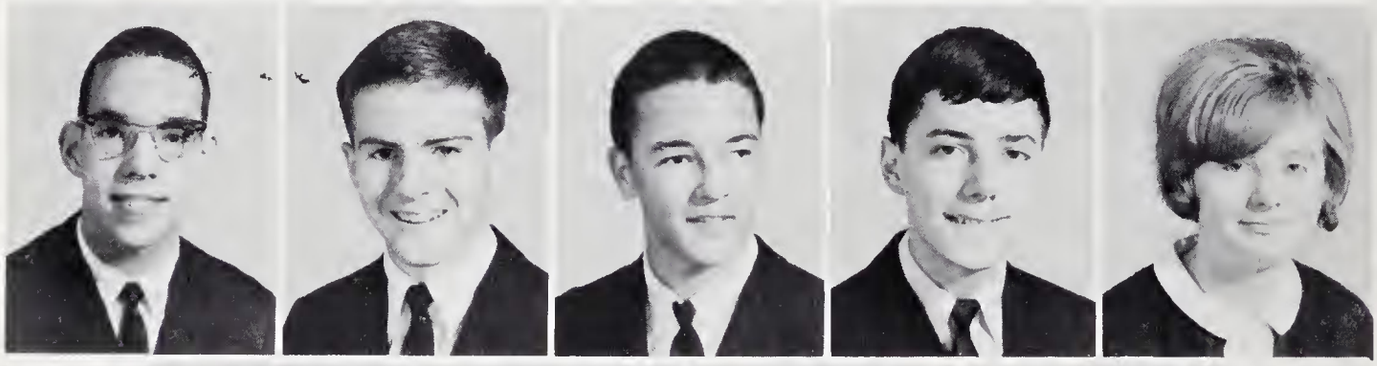

SENIOR MEMBERS OF the AIRMONT are (STANDING) Malinda Neal, Jane Foust, David Green, Leslie Kirkman, Paula Terry, (SEATED) Sandi Littleton, Elly Nieuwenhuis, Judy Wright, and Charlotte Sykes.

Tomorrow we shall look back to all the people, things, and events which made up M.A.H.S. in 1965. As our lives slip gently or roughly into chosen or unchosen paths, nothing can ever take the memories of our time together. The 1965 AIRMONT staff hopes it has endowed you with a legacy of echoes which will follow you always.

Joan,
I have enjoyed having you as a chauffeur this year. We've really lived it up! I have enjoyed our mournful telephone conversations, too. Have hope! Don't be discouraged. I'm sure you'll find the dumb clod of your dreams someday.
Don't worry [redacted] and quit having headaches.
Always stay as crazy as you are.
Carol Utt

It's been great

Dear Joan,
The first time I ever saw you was in Mrs. Johnson's room (Art it had been Alabama) but I have enjoyed knowing you and hope you have as happy a future as anyone could have.
Sincerely,

Joan Sugar,

It's terribly hard to think of something nice to say about you and listen to "Shindig" at the same time. Just a kidden. You're a pretty good ole gal with a good sense of humor. Thanks a whole bunch for letting us watch "Shindig" on your T.V. I hope you won't be a member of the "Lonely Hearts Club" for long. I sure you won't, but don't despair.

A friend forever,
Judy Watt

Vicky Will

Joan,

Well, this year is almost over and I hope we have as good a time in the future as we have had.

We only have programed geometry together, but in there we sure make up for last time. I don't know how David Green survives.

And our "church socials" that you came to, Boy, were they they a blast!

We had some wild times riding in the old Studebaker. I don't know why it's still running.

The band has been a riot.

I hope that we're in more classes together next year.

Best Wishes to a gal with a great personality!

Always your friend,
Harry Robertson
April 21, 1965

Joan,
I've really enjoyed knowing you this year.
You're a very sweet girl.
I want to wish you the best of luck throughout your future years.

A friend,
Vivian Surratt

Joan
I've enjoyed knowing you these past few years. We've been at the same place at the same time while many wild things were happening. (Tanglewood + Dick's!) You're a very deserving girl and I hope you have the best of luck in the future.

Always a friend
Alan C.

Joan,

Are you ever serious — about anything? I just wish I had a picture of you trying to spell a word in a contest. The faces you make are unbelievable. You have a great sense of humor and I hope you keep it.

Billy Harman

Joan,

Remember back when at Caswell? Boy, it was really something else, wasn't it? You have a great sense of humor and a interesting personality. So keep it up and you will surely succeed in life. Best of luck always!

Susan

Joan,

You a pretty good writer will a great humor even if you do overcharge me on a couple toy books! I forgive you though cause I do the same thing sometimes. You are a real gal with a charming personality & a barrel of humor. Keep them both & you shall succeed in any walk of life.

Ann Burk

Joan,

Well this year is almost gone and I'm sure glad I don't have to put up with you much longer. (kidding) No you're a real swell girl and I have enjoyed every single minute of it although you did make me work. Good luck in the future you'll need it in the world.

Love ya

Barbara

Joan,

I can truthfully say that I have enjoyed "teaching" you even though you just about drive me crazy sometimes. You could do well if you would work. I am going to try to see that you finish even if I have to move you. Best of luck in the future.

Your instructor,

David Green

Joan,

I'm having a great problem getting an inspiration! "Mr. Kildare" is distracting me.

Aside from all the noise you make, you're a pretty good girl!

Now to be serious. I'm going to miss having you around next year. Things are going to be entirely too quiet. Your friendship means a lot to me. You are a person with the right kind of ideals and goals. Don't ever change.

I hope your next years at N.A.H.S will fulfill your "Great Expectations." May all the best be yours in the future

Love,

Metra

Joan,
You're a great kid and I want you to know how much I have enjoyed being in your home room & Spanish class this year. We've had a lot of fun, don't ya think? Thanks so much for taking me home that day! Take it easy & stay sweet and lovable as always. Lots of luck in whatever you do!

Love ya,
Pam

Joan,
It's been wonderful knowing you this year. You are very kind and nice. Keep up the good work, brain, and you'll go far!

Best of Luck
and Success
in the future

Sarah
Wine

Maybe next year we'll be in some of the same classes.

Joan, I'm kidding! I don't think you're a great kid. I mean I don't think anything of you. I'm glad we had to do that stupid project together, but I'm glad it's over. You're a good friend & I'm glad we had a chance to be friends. Good luck in the future. I'll miss you, but that's all right. I'll see you around.

Ann Q.

Joan,

Although I don't know you very well I hope to. You seem like a very wonderful person and you are a very good library assistant. I wish you the best of luck in the future.

A friend,
Mitch Freeman

Joan,

We've had a great time together in band this year. Remember band day at Wake Forest? We all brought our lunches, and then the peaties lunches didn't come. We also had a good time going to the Monrad game. Dance band was fun too -- I only wish we had played somewhere. Thanks for giving me a ride to all those practices. Lunch has been interesting too. Remember that letter which Chipper got? He'll never get over it! I still laugh about some of the things that were said at that table. I wish you were taking art next year, but I have fun in the band also, you're pretty neat, kind, pretty girl, and I know you'll be a big success when you start your own family.

A friend always,
Holyfield

Joan,

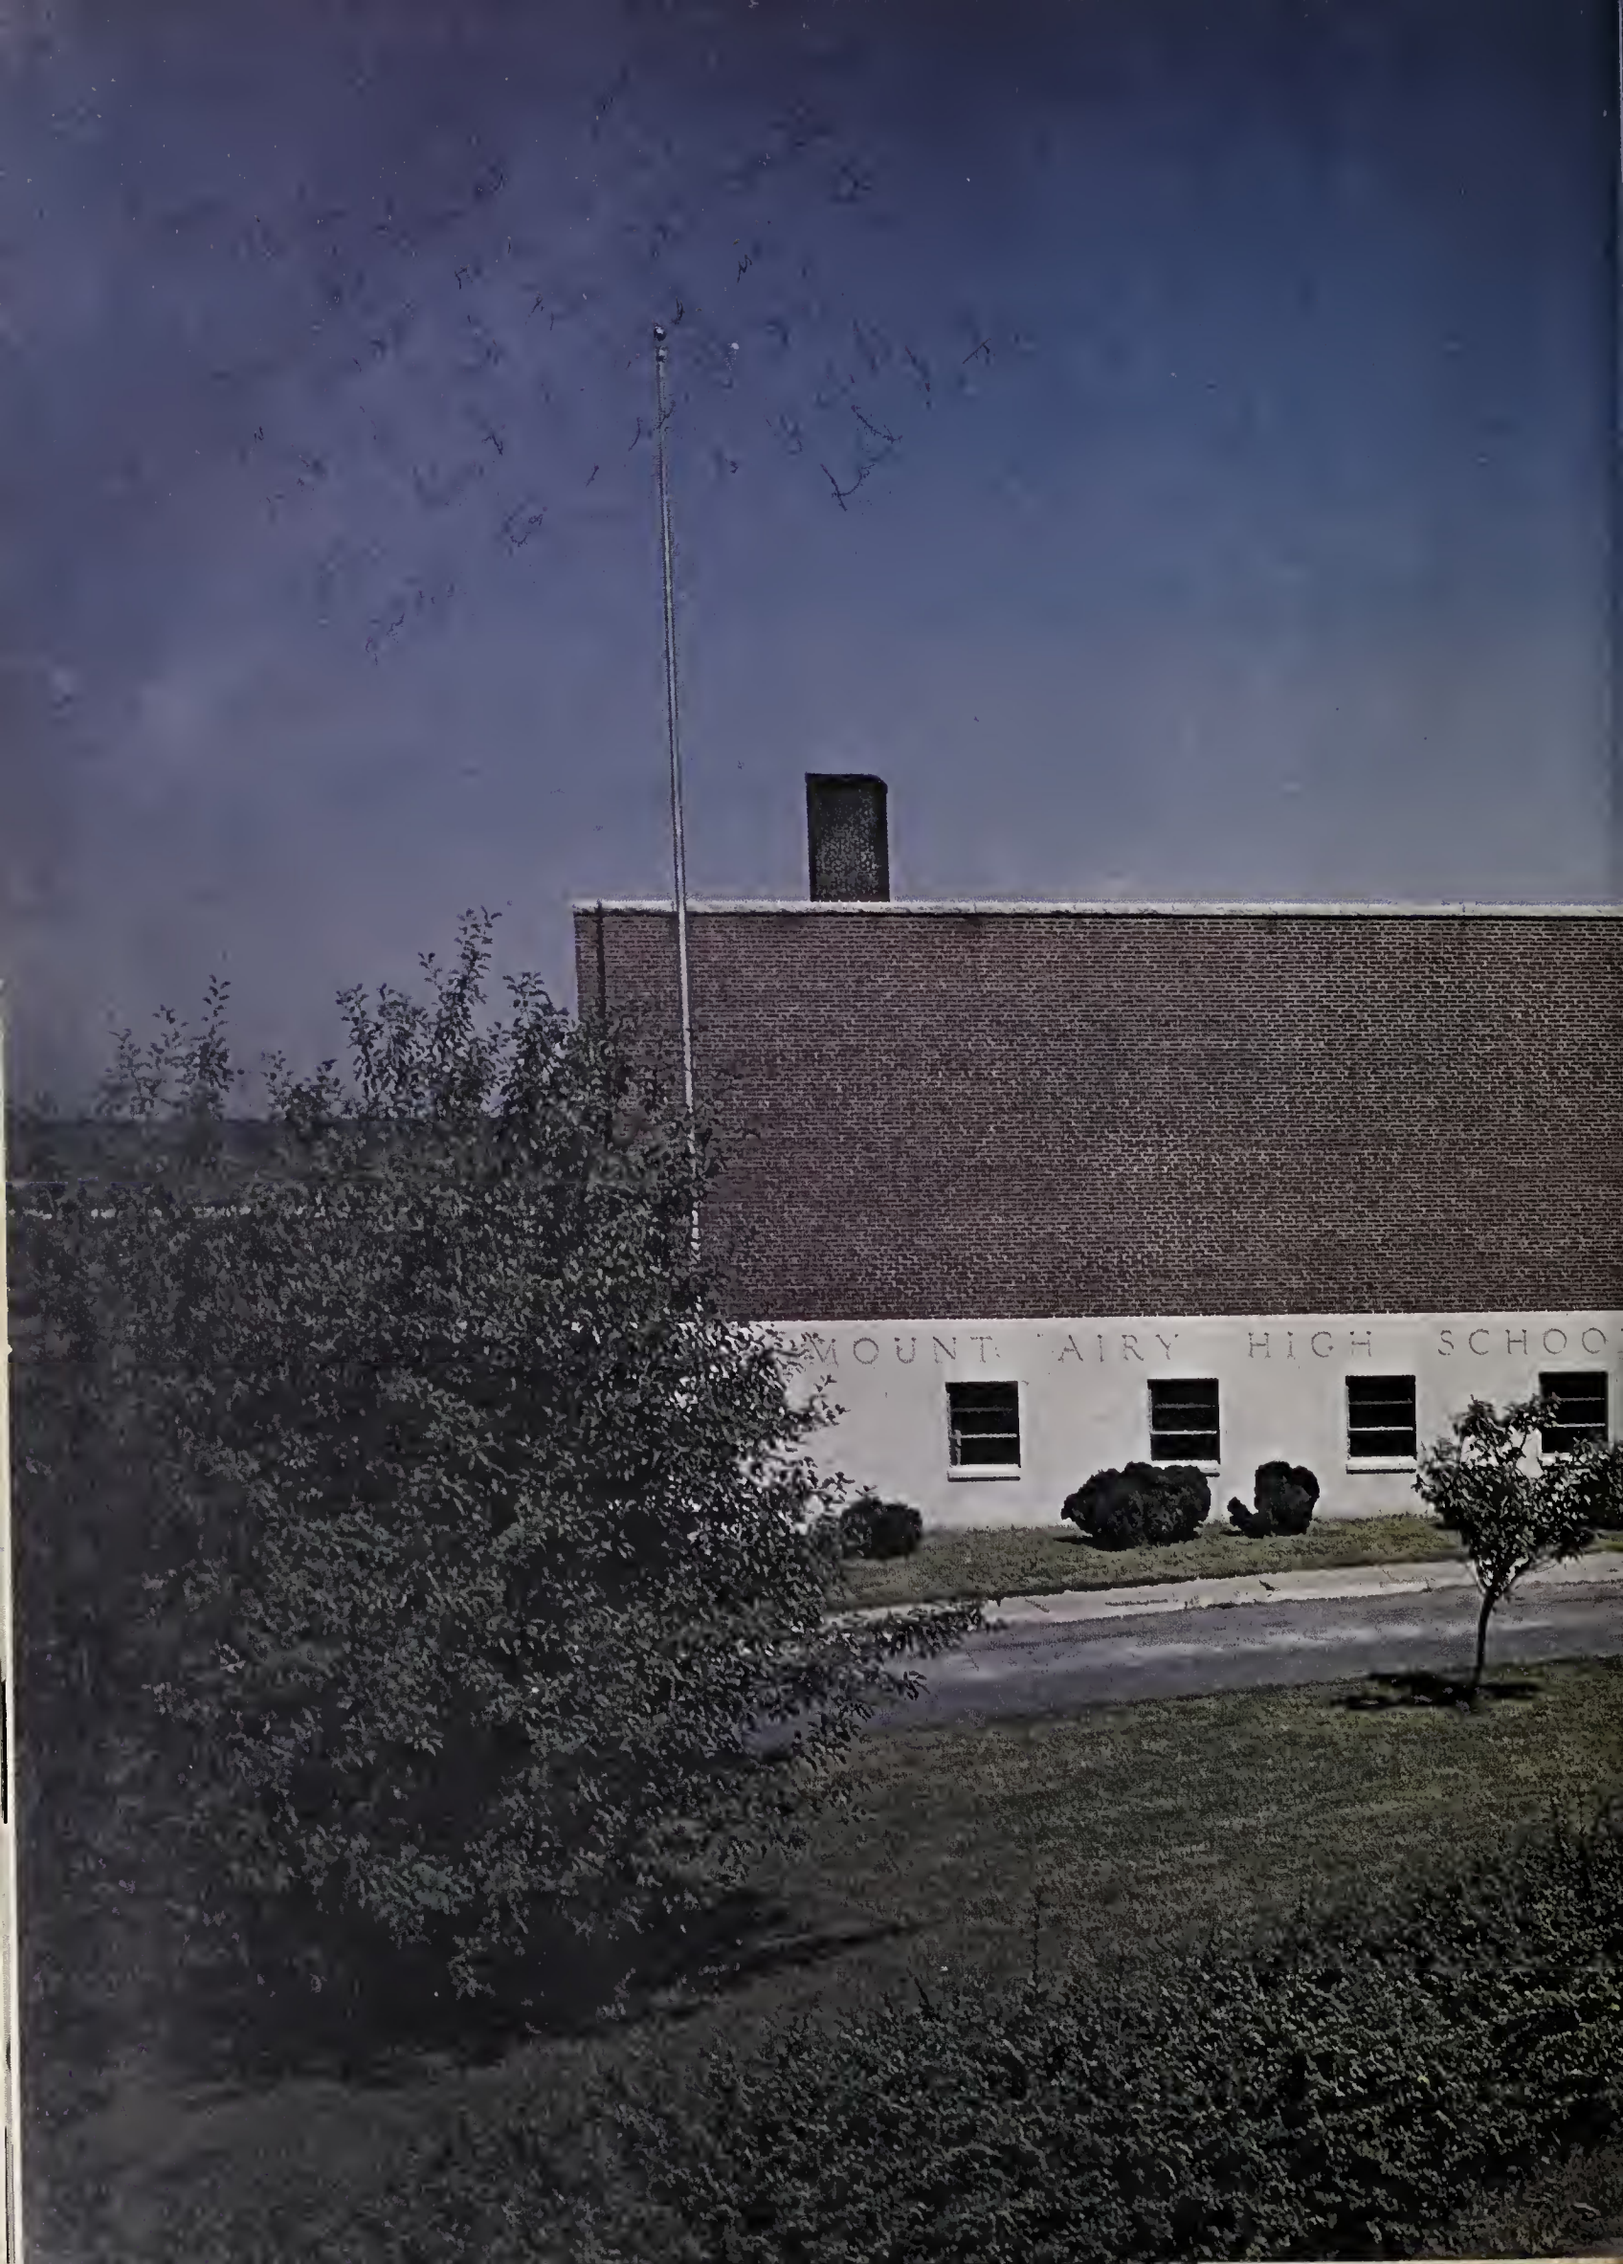

I don't know you very well either (ha ha) but you don't seem like a very wonderful person & you are a lousy library assistant. All kidding aside, you're a good friend, & I've enjoyed being in school with you & having you behind me in geometry. Thanks for hauling me around. Let's go see Mt. Airy & Return to Mt. Airy when Carol & I finish writing our books. Good luck.

LIZARD

Joan,

Band has been fun these past years, hasn't it? Well, bank it! Remember that night at the band field. Well. Good luck in whatever you do!!
