Dalton, N. C.
March 10, '49

Dear Mr. Byrd,

Mr. P. H. Jackson of Fort Smith, Ark, is trying to trace a Dalton-Hanby-Scales line from Patrick Co, Va. He descends from Sam Dalton's daughter Sally who married Jonathan Hanby.

Thinking that you undoubtedly have already gleaned data on these Patrick County branches of the family, I referred him to you, if you could help him out and still not have to spend too much time on it. I know how very busy you must be.

Mr. Jackson finds errors in Mrs. Horton's Dalton-Henderson book and also in Mrs. Tucker's Patrick-Dalton-Scales booklet.

Naturally he expects to pay for your or anyone else's work, but he was surprised that the copyist at Danbury charged him 5-50 for copying a will, when he had never paid more than 3 or 4 anywhere.

My best wishes to you and your wife.

Sincerely, Melissa Hyman

Dear Sir: I hope this reaches you before you make your trip to Stokes Co. This John T. Phillips was my grand father, I was a Phillips; he left N.C about 1840 and settled in Cass. Co. Missouri His birthday was Dec. 7 1798

I could not tell from the records I found in Raleigh N.C. just who his father was, as there seem to be quite a no. of Bros. and cousins in that Co.

I will pay the $15.00 as ask.

Stokes Co. N.C.

Dear Sir: While in Raleigh N.C. last summer, ~~trying to~~ trying to find some information on John T Phillips who was born in Stokes Co in the year 1798 and married to Mary Hauser in 1822 and later moved to Mo. in Cass Co. I was not able to find for sure

who was his father, some
one gave me your
name to write you
saying you did that
type of work and might
be able to help me. I am
not interested in the Hauser
family as he married
again in Mo. and my
father was born to his
second wife
Do you know any thing
about this Phillips family
or would you be able to do
it if so what do you
charge for the same
let me hear from you

I don't know how far back their County records go as Stokes Co was formed from another Co. If I can give You any other information will be glad to-

Sure.

Mrs. L. K. Hightower

Dear Mrs. Hightower:

Your letter of inquiry, dated February 14, 1949, was forwarded on to me here from my old address at Westfield, N. C. You wrote me in regard to John T. Phillips, who married Mary Hauser in Stokes County.

I was for nineteen years a high school History teacher at Westfield, located right on the line of Surry and Stokes Counties, and for the past ten or twelve years I have done much of the genealogical work in both counties. I have been doing graduate study in History here at the University of North Carolina this year, planning to go into college teaching. However, I am still doing quite a bit of genealogical work back up home in Surry and Stokes Counties.

There were many Phillips families in both Surry and Stokes Counties, and there were Hausers in both counties. The two families were neighbors in the two counties.

Surry County was cut off from Rowan County in 1771, and Stokes was cut from Surry in 1789. There are fairly good records in both counties, and often times the records of the two counties supplement each other. The earliest records of the Stokes County families are in Surry.

I have to go up home in about two weeks and will be glad to do the work for you in an effort to locate the parentage of John T. Phillips. I will search both Surry and Stokes County deeds, wills and marriage records for you for $15. I can do it for that price, only because I will have to make a trip up there anyway.

I am sorry to delay so long in answering your letter, but I have been very busy with my graduate studies. Please write back at once, so I can do the work on that trip up home.

Most sincerely yours

LUTHER N. BYRD

Mr. Luther N. Bird

Dear Sir:

Will you please assist us by making a search of Stokes County records and Forsythe County records regarding information concerning the ancestry of William Phillips. He was married in Guilford County, 19 Dec., 1829 to Esther Vickery. The 1850 Census listed the family as follows:

William	Phillips	age 50	born in	Stokes	County

The last child of William Phillips and Esther is Julian Armfield, born 3 June, 1849, who was later in Forsythe County. We know nothing of the others.

The Census also listed a Jesse Phillips, age 31, born in Stokes County.

The Guilford County records have been searched and we learned that Esther Vickery was the daughter of Harmon Vickery and Delilah. The only reference to William Phillips was a deed to Saryan Phillips of Forsyth County, in 1857, conveying his claim in the lands of Harmon Vickery.

In the Library we have the 1850 Census of Forsythe County which lists a number of Phillips families, as follows:

IN RE: Your letter dated
March 22, 1947 -- Subject of
NMH-- Russell Phillips

Dear Sir:

Some weeks ago I received your letter in regard to the search ofthe records of Stokes and Forsyth Counties of North Carolina in an effort to determine the ancestry of William Phillips, who was married 19 December 1829 in Guilford County to Esther Vickery.

In the letter you furnished me an 1850 Census listing of the family of William and Esther Phillips as follows:

William Phillips	age 50	born in Stokes County
Esther	" 41	" " Guilford County
Louis	" 19	" " " "
Martha H.	" 12	" " " "
Duarka	" 11	" " " "
Richard H.	" 10	" " " "
Jesse	" 9	" " " "
Julia S.	" 7	" " " "
Susan J.	" 4	" " " "
Delilah F.	" 3	" " " "
Julian Armfield	" 1	" " " "

I have completed the search of the Stokes County records, but have not had the opportunity yet for a thorough search of the Forsyth County records. However, I have, searched the old church records of the Moravian Churches in and around Winston-Salem in Forsyth County and have been successful in determining (I think definitely) the parentage of your William Phillips.

Let me here cite you to the fact that William Phillips was born in Stokes County and yet it was the same location in which he later lived in Forsyth County. Stokes County was cut from Surry County in 1789, and all of what is now Forsyth county was part of Stokes County until Forsyth was cut from Stokes in 1849. Thus all of William Phillips ancestry would be recorded in Stokes, with the Forsyth county records valuable only in an effort to find something about William Phillips' descendants.

I will summarize here briefly my findings, and then I will cite the records I searched and give abstracts of such documents as I found valuable.

WILLIAM PHILLIPS RECORD

William Phillips (I found the name spelled with a single "l" in many early records) was born May 18, 1800 near the Moravian village of Bethania, then in Stokes County but now in Forsyth County, being one of twin children, for her had a twin sister, Maria Magdalena Phillips, born the same date. They were children of Richard Phillips and Juliana Strub (her maid n name). The "Strub" name was the German or Moravian form and is now used as "Stroop" or "Strupe". I found the birth record on Page 129 of the Bethania Moravian Church Register, now on file in the Archives of the Moravians at Salem College, Winston-Salem, N. C.

The same register showed one other child as follows:
Page 100 -- Solomon, son of Richard and Juliana Strub Phillips, born May 12, 1797.

The Marriage Register of other Moravian churches showed the following two entries, which nets us two other daughters of Richard and Juliana Phillips:

> Mary Elisabeth Phillips, daughter of Richard Phillips (deceased) and his wife, Juliana Strub Phillips, married at Hope Moravian Church September 1, 1814 to James Kenyon, a hatter by trade. The record gave Mary Elisabeth Phillips' birth date as April 17, 1793. THIS RECORD THUS ESTABLISHES THE DEATH DATE OF RICHARD PHILLIPS AS "BEFORE SEPT. 1, 1814".
>
> Another Marriage Register record was as follows:
>
> Salome Phillips, daughter of Richard Phillips (deceased) and JulianaStrub Phillips, married Joshua Reuz at Salem on Feb. 6, 1816. (The "Reuz" name is now "Rights", and Joshua Reuz was an ancestor of Dr. Douglass Rights, eminent Moravian minister who is well known for his avocational work in Indian lore and relics) The birth date of Salome Phillips was December 22, 1794.

Thus we have five children of Richard and Juliana Strub Phillips. They may have had more.

JULIANA STRUB (STRUPE) RECORDS

Juliana Strub, the mother of William Phillips, was born August 20, 1771 near the Moravian village of Bethania (Page 16 of Bethania Moravian Church Register). She was the daughter of Johannes (or John) Strub and his second wife, Elisabeth Löliger (note the two dots over the "o" in German form of spelling). The same birth record stated that "she was baptized on the afternoon on the same day in public meeting by Rev. Johan Michael Graff, it being the first baptismal service in the new Bethania meeting hall. Sponsorswere Mr. and Mrs. Jacob Ernst and Maria Elisabeth, wife of Peter Hauser." Incidentally the then new Bethania meeting hall is now one of the old and historic churches in this part of North Carolina.

Juliana Strub was married to Richard Phillips on or just after March 2, 1790, her name being listed as Judah on their Stokes County marriage bond. However, I got their bond abstract from the book of Stokes marriage abstracts which was typed by your own LDS workers. The bond was

Richard Phillips to Judah Stroop, March 2, 1790, with Christian Hauser as Surety.

There is not the slightest doubt that this was the right party, however, for the Strub name in Anglicized form is either "Stroop" or "Strupe". Incidentally, the sponsors for the baptism of William Phillips and his twin sister, Maria Magdalena, included Mr. andMrs. Samuel Strub. Samuel was a brother of Juliana.

NOTE IN THE CENSUS OF 1850 that one of the daughters of William and Esther Phillips was Julia S., probably the correct name being Juliana Strub Phillips, named after or in honor of the little girl's grandmother.

JULIANA STRUB PHILLIPS' PARENTAGE

The parents of Juliana Strub, as given on her own baptismal and birth record, were Johannes Strub and Elisabeth Loliger. The following data on her parents is from the Death and Burial Register of the Bethania Moravian Church:

"Johannes (or John) Strub was born April 6, 1719 in Lauffelfingen, Switzerland, the son of Samuel and Margaretha Strub. He was brought up in the Reformed Church, and at the age of 30 (in 1749) he married Elisabeth Tsudy, with whom he removed to Pennsylvania, where they settled near Lancaster. She died, leaving no children, in 1751, and Johannes Strub married a second time on August 10, 1752 to Elisabeth Löliger and had nine children, of whom two sons and two daughters preceded him in death. He and his second wife moved to North Carolina sometime later and settled seven miles from Bethania near the old Surry County seat town of Richmond (Now the village of Old Richmond in Forsyth County). They moved to Bethania February 19, 1760, and on October 19, 1760 they joined the Moravian church at Bethania, he and his wife being admitted into Holy Communion on October 22, 1763. They moved once more in 1779 to their own farm 1½ miles from Bethania, where Johannes Strub was fatally injured on July 27, 1789 while driving a wagon loaded with hay across a ditch. He was thrown from the wgon and suffered injuries, from which he died on July 30, 1789, aged 70 years, 3 months, 3 weeks and 3 days."

From various sources in the Moravian Records I found the following on the family of Johannes and Elisabeth Loliger Strub:

1. Johannes Strub, Jr., born about 1753, died near Savannah, Ga., on February 11, 1779 from wounds sustained while serving with Captain Schmidt's Company of the American Continental Army in the campaign against the English before Savannah.

2. Second child unknown; probably a daughter died young.
3. Johann Samuel Strub, born 1757, married Susanna Stolz in Bethania ~~[illegible]~~ March 16, 1780.
4. Anna Elisabeth Strub, born Jan. 24, 1760, married Johannes Seiler at Bethania on March 19, 1777.
5. Maria Margaretha Strub, born about 1762, married John Holland at Salem on April 16, 1780.
6. Johann Jacob Strub, born ~~February~~ December 14, 1763 (designated as sixth child) and died September 26, 1771.
7. Seventh child unknown, but probably a son Adam Strub, who was listed in the 1790 Census in Stokes County.
8. Eighth child unknown, but probably a daughter who died young. Note that Johannes Strub, Sr.'s obituary listed two sons and two daughters dying before him.
9. Juliana Strub, born August 20, 1771, married March 2, 1790 to Richard Phillips.

NOTE: There are DAR memberships on the Revolutionary service of Johannes Strub, Jr., who died of wounds near Savannah, Ga.

RICHARD PHILLIPS' PARENTAGE

I now tread on unfamiliar ground. The information I have given thus far is definite, but I can only theorize as the parentage of Richard Phillips, who was himself the father of William Phillips. I have in my files a notation on a Surry County tax list, but with no definite source marked on a Richard Phillips, Sr., and a Richard Phillips, Jr., sometime in the late 1780's.

Too, I found in Stokes County records a will for one Richard Phillips, as follows:

STOKES WILL BOOK 2, PAGE 183
Richard Phillips ----- Will
Written March 19, 1807 -- Probated December 1816.
Sole legatee was
My nephew Foster Phillips, son of my brother, 50 acres of land known as Fishing Island tract for the upkeep of Richard Phillips for life. Any money left over at death of devisor to be used in educating the children of Foster Phillips, Hezekiah Phillips, John Phillips, Jeremiah Cornelius and John Cornelius.
EXECUTORS: Foster Phillips and Hezekiah Phillips. WITNESSES: Michael Spainhour and Michael Spainhour, Jr.

That doesn't look like too much, but taking the name Foster Phillips, which I found in an abstract of a Moravian record in my own files, I decided to check to Moravian Records themselves, with the results shown above.

Obviously this Richard Phillips could not have been the Richard, father of William, for that Richard was "deceased" before September 1, 1814. This Richard, maker of the will, did not die until late in 1816.

Take that fact to prove there were two Richard Phillips, and my own notation in my old files of Richard Jr., and Richard, Sr., gives thus a clue, which might be unravelled in the old Surry County Records.

I say Surry County Records, for all of Stokes (an what was later Forsyth) was part of Surry County up until 1789, and so any clues as to the parentage of Richard Phillips (father of William) would be found in the Surry County records of the period before 1789.

Incidentally, below are the Census of 1790 records from Stokes County (note the two Richards):

HEAD OF FAMILY	MALES OVER 16	MALES UNDER 16	FEMALES ALL AGES	
Richard Phillips	1	2	2	
Joseph Phillips	1	3	4	
Richard Phillips	1	0	1	(Our Richard who md.in 1790)
Joseph Phillips	3	2	6	
John Phillips	1	2	4	

Records for all of these would have been in Surry prior to this time. If your client would care to have the Surry records searched, I will be glad to do. I think such a search would be worth $10 or more, for I would have to drive 25 miles to the County Seat and return, and it would probably require at least a full day to do the job properly.

I trust that the report here given will prove satisfactory to your client, who was interested in the parentage of William Phillips. I think I got more information by using the Moravian Archives in Winston-Salem than I would have by using the Forsyth County records themselves there, since the Forsyth County Records themselves date only from 1849 forward and would give only data on the later history of William Phillips own family. If your client is interested in that later record, then I would also be glad to make the search there, but I would have to have enough more to cover expenses on that phase of the search. I will do those later Forsyth records and the old Surry records mentioned above, thus checking on both ends of the line, for $15 additional. That is I will do the old Surry records alone for $10 or will do both them and the late Forsyth records for $15.

Let me hear from you upon receipt of this report.

Very truly yours

IN RE: Your letter dated
May 20, 1947-- subject of
NMH-Russell Phillips

Dear Sir:

In keeping with your request submitted in your second letter on the subject of Phillips ancestry (you first wrote me March 22, 1947, and I submitted report on April 28, 1947), I have made a thorough search of both the Forsyth County, N. C., and the Surry County, N. C., records.

I told you in my previous report that you could expect little from the Forsyth County records, except some possible light on the later history of the family of William and Esther Phillips. I found not too much of that. Despite the fact that Forsyth County was formed from Stokes County, N. C., as late as 1849, I found certain of the Forsyth records (especially the marriage records)in terrible condition.

In Forsyth will books I found the following:

FORSYTH WILL BOOK 1, PAGE 46
Joseph Phillips will
Written Jan. 19, 1846 Probated December 1853
This will listed
wife -- Rebecca
son -- William Walker Phillips
son -- Crawford Tatum Phillips
quote:"William Walker is to get the gun which my departed father desired should go to him.
nephew -- Joseph Phillips, son of my brother Andrew
EXECUTOR: Jacob Smith
WITNESSES: Michael Miller & John L. Sides.

NOTE: I see no definite connection with this will to your William Phillips line, but abstracted it just in case it should tie in with data from Surry County.

FORSYTH WILL BOOK 1, PAGE 209
Catherine Phillips will
Written Mar. 9, 1849 Probated Mar. 1863
This will lists
daughter -- Matilda
daughter -- Sarah Maria
WITNESSES: Wm. F. Stockton, Michael Miller, Joseph Phillips,Robt.Linville

NOTE: Same comment applies to this as to previous will.

FORSYTH WILL BOOK

FORSYTH WILL BOOK 2, PAGE 229
Esther Phillips will
Written Jan. 14, 1875 Probated Sept. 23, 1875
This will lists
Daughter -- Sarah Ann Winkler
Daughter -- Matilda Pfohl
Daughter -- Suarca Osborn (listed Duarka on your abstract Census 1850)
Daughter -- Julia Madison (listed Julia S. on Census of 1850)
Daughter -- Francis D. Nason (listed Delilah F.(rances) on Census 1850)
Daughter -- Susan J. Phillips (same as listed Census 1850)
Daughter ~~Ad~~ Ada Calis
Daughter -- Adella Phillips
mentioned sons, but did not name them.
WITNESSES: George Hege & J. F. Crist.

NOTE: This establishes death date of Esther (Vickery) Phillips as between January 14, 1875 and Sept. 23, 1875. ~~Exactly~~ It also establishes the surnames of husbands of six daughters of William and Esther. Evidently William and Esther had other children after 1850 Census was taken, for I cannot place Sarah Ann, Matilda or Adella on that 1850 Census which you sent me. I could find no will for William Phillips himself, nor could I find any clue whatsoever as to his death date, although I searched court records, and records on administrators of estates where no wills were left. HAVE YOU CHECKED THE CENSUS OF 1860 OR 1870 FOR FORSYTH COUNTY?

FORSYTH WILL BOOK 8, PAGE 238
J. A. Phillips will (probably that of Julian Armfield)
Written Nov. 29, 1919, Probated Aug. 21, 1920.
This will lists
wife B.M. Phillips.

NOTE: This was the only will on record that could have checked with the children of William and Esther, as far as I could find. I even checked under married names of the daughters.

The Forsyth marriage records are in the worst condition of any county I have ever checked, and I could find only one related marriage. THAT MARRIAGE WAS

S. E. A. Phillips to William W. Winkler, March 1, 1859.

NOTE: This tallies with Esther Phillip's will, but it does not tally with the family list in Census of 1850.

THUS YOU SEE, PRACTICALLY ALL THE SEARCH IN FORSYTH NETTED WAS THE DEATH DATE OF ESTHER PHILLIPS.

AND NOW TO TURN TO THE SURRY RECORDS IN AN EFFORT TO FIGURE OUT THE PARENTAGE OF RICHARD PHILLIPS, FATHER OF WILLIAM PHILLIPS.

YOU WILL REMEMBER THAT, IN MY FIRST REPORT, I STATED THE OPINION THAT RICHARD, HUSBAND OF JULIANA STRUB AND FATHER OF WILLIAM, WAS A SON OF AN OLDER RICHARD PHILLIPS. I AM STILL OF THAT OPINION.

LET US FIRST TAKE SOME EARLY TAX LISTINGS IN SURRY COUNTY.

The Surry Tax List for 1771, the very first year the county was formed, showed

NOTE

I DO NOT UNDERSTAND WHY JOSEPH SR., JOSEPH JR., AND RICHARD PHILLIPS FAILED TO LIST TAXES IN THE YEAR 1786. I CHECKED AGAIN!

NOTE: I DO NOT HAVE AVAILABLE ANY SURRY TAX LISTS FOR 1787 & 1788. HOWEVER, I DID CHECK THE TAX LIST FOR 1789, THE LAST ONE TAKEN BEFORE STOKES COUNTY WAS SPLIT OFF FROM SURRY COUNTY.

(NOTE: Evidently that last tax listing for 1789 was where I got the Richard Phillips, Sr., data, which I mentioned in my previous report. I had thought from memory that it was Richard Sr., and Richard Jr., but the second Richard did not have "Jr." attached to his name. Even at that, nephews were sometimes termed "Jr." to differentiate them from an older man of the same name.)

Looking back at these Surry Tax Lists (between 1771 and 1789) it would seem that there were two distinct generations, with perhaps several of each generation. In fact, there may have been three generations involved.

Although, I only agreed to search the Surry and Forsyth records for this last fee of $15, I did make an extra trip the other day to Dalton, N.C., (about 25 miles from here) to contact a Phillips descendant there in regard to the matter, for I knew he had some data on his own branch of the family. He told me that all the Phillips families in this section descended from a certain Joseph Phillips, born about 1710, who settled in Rowan County, N. C., before the Revolutionary War. Now, where he settled was then in Rowan, but was in Surry and Stokes later, for Surry was ~~xxxx~~ formed from part of Rowan in 1771 and Stokes was cut from Surry (as I have already told you) in 1789. He did not have it, but he told me of a certain old Phillips family Bible that he had heard of over toward Salisbury, WHICH MIGHT HOLD THE KEY TO THE ENTIRE LINE. He himself had never seen it, but he had talked to some parties who had seen it. It was sometime referred to in family legends as "that old Dutch Bible". That oldest Joseph, or the one with the largest land-holdings in the Surry tax lists may have been the Joseph, which first settled in Rowan, later Surry County.

HOWEVER, HERE LET ME TURN BACK TO THE RECORDS:
Since the 1789 Tax lists for Surry were the last before the county was split to form Stokes, let's look at the 1790 Census for both Surry and Stokes. I sent the 1790 Census for Stokes in my previous report, but let's repeat it here.

CENSUS OF 1790 FOR STOKES COUNTY (N.C.

HEAD OF FAMILY	MALES OVER 16	MALES UNDER 16	FEMALES ALL AGES	
Richard Phillips	1	2	2	(evidently Richard Sr.)
Joseph Phillips	1	3	4	
Richard Phillips	1	0	1	(He who md.Julianna Strub 1790)
Joseph Phillips	3	2	6	
John Phillips	1	2	4	

CENSUS OF 1790 FOR SURRY COUNTY (N.C.)

Mark Phillips	2	1	2	
Jonathon Phillips	1	0	2	
Abner Phillips	2	3	3	
Ephraim Phillips	1	0	1	
Cornelius Phillips	1	0	0	
Robert Phillips	1	0	1	
Solomon Phillips	1	1	2	
William Phillips	3	4	3	

I HAD EXPRESSED THE OPINION THAT RICHARD PHILLIPS, HUSBAND OF JULIANA STRUB AND FATHER OF YOUR WILLIAM PHILLIPS WAS PROBABLY THE

SON OF RICHARD, WHOSE WILL WAS PROBATED IN STOKES COUNTY IN 1816. (I SENT ABSTRACT OF THAT WILL IN PREVIOUS REPORT) I STILL THINK THAT TO BE POSSIBLE, BUT IT IS ALSO POSSIBLE THAT RICHARD, HUSBAND OF JULIANA, COULD HAVE BEEN THE SON OF ONE OF THE JOSEPH PHILLIPS LISTED IN THE TAX LISTS. WE FIND ONE RICHARD IN THE SURRY TAX LIST OF 1771 (PAGE 3 OF THIS REPORT), WHERE HE WAS LISTED AS "JOSEPH PHILLIPS AND SON, RICHARD PHILLIPS". HE WAS CERTAINLY NOT OUR RICHARD, WHO MARRIED JULIANA STRUB, FOR OUR RICHARD WOULD NOT HAVE BEEN 16 YEARS OLD BY 1771 IF HE MARRIED IN 1790.

I found two deed references, at least, to that Richard Phillips. They were

SURRY DEED BOOK C, PAGE 138
Richard Phillips grant from State of N. C.
50 acres on North Side of Yadkin. Nov. 3, 1784.

Check back to his will in my previous report, and he willed that same 50 acres to his nephew, Foster Phillips. The other deed reference to that same Richard Phillips was as follows:

STOKES DEED BOOK 5, PAGE 553
Foster Phillips & Jeremiah Glenn from Richard Phillips
April 11, 1814. 50 acres on Yadkin River, which was granted to said Richard Phillips in 1784. WITNESSES: John Hunter & Wm. Hunter.

"OUR RICHARD" IS REFERRED TO IN THE FOLLOWING DEED:
STOKES DEED BOOK 3, PAGE 96
Richard Phillips, Laborer, from Frederick William Marshall.
Jan. 12, 1798 -- 100 acres on Barhaver Creek, adjoining Martin Hauser. WITNESSES: Gottlieb Stober & Jacob Lash.
(THIS WAS SURELY "OUR RICHARD", FOR REMEMBER HE MARRIED JULIANA STRUB, OF MORAVIAN FAITH, AND THIS LAND WAS IN THE HEART OF THE MORAVIAN TRACT. IN FACT, FREDERICK WILLIAM MARSHALL WAS LAND AGENT FOR THE MORAVIANS)

One other deed in Surry may have been "Our Richard". It follows:
SURRY DEED BOOK L, PAGE 287
Richard Phillips, Jr., from Hugh Logan.
June 28, 1807 -- 200 acres on Logan's Creek, adjoining James Logan, Helton & Chandler. WITNESSES: Wm. Scott, John Logan & Henry Speer.

Both of these Richard Phillips were dead by or before 1816, and there was still a third Richard Phillips making deeds some years later:
SURRY DEED BOOK S, PAGE 60
Richard Phillips from John Logan, Jr.
Jan. 20, 1824 -- Bill of sale for a negro girl. WIT: George Logan.
SURRY DEED BOOK T, PAGE 37
Richard Phillips from John Logan and Samuel Speer, executors of Hugh Logan, deceased. -- May 15, 1827 -- a negro girl.
SURRY DEED BOOK T, PAGE 125
Richard Phillips from Benjamin Matthews
Sept. 27, 1827 --- land on Logans Creek, adjoining Wm. Pettitt.
WITNESSES: Samuel Speer & Wm. Vestal.
SURRY DEED BOOK T, PAGE 264
Richard Phillips from Henry M. Wilson
Dec. 30, 1828 -- 175 acres on Leonards Branch of Logans Creek.
WITNESSES: S. Speer & John Logan.

That third Richard Phillips could have been the same Richard Phillips "Jr" referred to in the second deed I listed under "Our Richard", since all land referred to was on Logan's Creek.

I checked all Surry wills up to 1830, and there is nothing to clear up our problem as to the parentage of Richard Phillips.

When all is said and done, there are four possibilities as to the parentage of Richard Phillips, husband of Juliana Strub.

(1) Joseph Phillips, Jr., of Surry Tax Lists.
(2) Richard Phillips, Sr., whose will was probate in 1816.
(3) Bennett Phillips, whose will probate in Surry in 1777, listed brother Joseph, son Joseph and other children "not yet of age".
(4) William Phillips, possible brother of Richard Sr.

The Philips descendant, whomI contacted the other day, told me the Virginia county from which the family originated. I am leaving tomorrow for a business trip up into Virginia, and I intend to check that data.

I am sorry that I have established nothing definite on the parentage of Richard Phillips, father of William of your line, but it just simply is not in Surry, Stokes or Forsyth. I have put several days and considerable driving on it, more than I could really afford.

That "old Dutch Bible" of the Phillips family, of which I learned the other day may hold the key to it all, and the deeds and records of Rowan County (parent county of Surry and Stokes) may have it. I will check those Rowan County records and try to locate that family Bible for another $15 fee. Maybe your client thinks its is an endless chain, but I feel that we have made some progress. I would like to make that additional search without extra charge, but it will call for about 160 miles of driving and at least one full day. Perhaps more. If he wants me to do that, I will also throw in without charge the information I get up in Virginia, if any is available.

Please contact your client and let me know something as quickly as possible, for I can best do genealogical work before my school reopens, also while the subject is fresh on my mind.

Very truly yours

SON OF RICHARD, WHOSE WILL WAS PROBATED IN ~~SURRYXCOUNTY~~ STOKES COUNTY IN 1816 (I SENT ABSTRACT IN PREVIOUS REPORT). I STILL THINK THAT POSSIBLE, BUT HE COUID ALSO HAVE BEEN A SON OF ~~ONE~~ OF THE JOSEPH PHILLIPS LISTED IN THE TAX LISTS. IT WOULD APPEAR THAT THERE WAS PROBABLY THREE JOSEPH PHILLIPS, PROVIDED THE STATEMENT I GOT THE OTHER DAY WERE TRUE. ANY JOSEPH PHILLIPS BORN 1710 WOULD HAVE BEEN TOO OLD TO LIST A POLL IN 1771, SO IT IS PROBABLE THAT THE JOSEPH SR. AND JOSEPH JR. IN THAT TAX LIST OF 1771 WERE LIKELY A SON AND GRANDSON OF THE ORIGINAL JOSEPH. THEN WE FIND LISTED IN 1774 JOSEPH AND SON RICHARD, ALMOST CERTAINLY THE ELDER RICHARD WHOSE WILL I SENT FROM STOKES.

I checked back to Stokes records and found a deed as follows:
STOKES DEED BOOKS 3, PAGE 96
Richard Phillips, Laborer FROM Frederick William Marshall
Jan. 12, 1798 -- 100 acres on Barhaver Creek, adjoining Martin Hauser Estate. WITNESSES: Gottlieb Stober and Jack Lash.

THAT RICHARD WAS SURELY OUR RICHARD, FOR REMEMBER HE MARRIED JULIANA STRUB (OF MORAVIAN FAITH), AND THAT WAS IN THE HEART OF THE MORAVIAN LANDS. IN FACT, FREDERICK WILLIAM MARSHALL WAS LAND AGENT FOR THE MORAVIAN LANDS. THAT IS THE ONLY DEED ON RECORD PERTAINING TO THE RICHARD WHO MARRIED JULIANA STRUB. HE MAY HAVE HAD OTHER DEEDS, BUT HE DID NOT RECORD THEM.

Neither do Surry County Wills show any mention of Richard Phillips. I checked all the wills from the formation of the county up until 1830, and I found no Richard listed.

The Philips descendant whom I contacted the other day told me that his grandfather told him that the Phillips originally came from Louisa County, Va. Now, I am going up into Virginia this week on business, and I plan to check the records there for that point.

I am sorry that I have established nothing definite in this search on the parentage of Richard Phillips (it all came out so beautifully on the search for the parentage of Ricdhard's son, William Phillips, who married Esther Vickery), but I have put in several days on this matter, more really than I can afford to do for $15.

I know where that old Phillips family Bible is now, and I will be glad to drive over there and to go to Salisbury and check the Rowan County records on the same trip. It would call for about 160 miles driving and all day. I will do that for $15 additional fee, and will also throw in with it any information I happen to uncover up in Virginia. At least I got the death date of Esther Phillips, in case they did not already have it. Please contact your client and write me back as soon as possible. I would like to do as much of my genealogical work as possible before school opens again.

Very truly yours

That 1789 Tax List was the last one made before Stokes County was cut off from Surry, for that division occurred late in 1789. Therefore, the persons living in the eastern half of Surry were found in Stokes by 1790, when the first federal Census was taken. I sent you the 1790 Census for Stokes County in my last letter, but I repeat it here, along with the one for Surry County.

CENSUS OF STOKES COUNTY, 1790

HEAD OF FAMILY	MALES OVER 16	MALES UNDER 16	FEMALES ALL AGES	
Richard Phillips	1	2	2	(Evidently Richard Sr.)
Joseph Phillips	1	3	4	
Richard Phillips	1	0	1	(Our Richard who md.
Joseph Phillips	3	2	6	in 1790-no children)
John Phillips	1	2	4	

CENSUS OF SURRY COUNTY, 1790

HEAD OF FAMILY	MALES OVER 16	MALES UNDER 16	FEMALES ALL AGES
Mark Phillips	2	1	2

Abner Phillips	2	3	3
Ephraim Phillips	1	0	1
Cornelius Phillips	1	0	0
Robert Phillips	1	0	1
Solomon Phillips	1	1	2
William Phillips	3	4	3

Thus, you see that the Phillips group of the Tax Lists were divided when the county was split to form both Surry and Stokes.

Dear Mr. Byrd:

Your report on the Phillip family has been received and is greatly appreciated.

Enclosed is a money order in the amount of five dollars ($5.00). We are especially interested in the Old Bible and ask that you use these funds in an attempt to locate it. Please leave the Rowan County Records for the present as we have most of the important records on film in our Library and should like an opportunity to check them before having you make further search.

Please advise us what funds are required for the work you did in Virginia and we will forward same.

Your splendid cooperation in this matter is greatly appreciated.

IN RE: NMH -- Patron Russell Phillips -- answering your last letter dated December 4, 1947 and preceding letter dated July 9, 1947

Dear Mr. Christiansen:

Like several other queries which I have written about during these Christmas holidays, I have just gotten around to the matter of your last Phillips inquiry.

I have made two trips during the holidays in quest of the old Phillips family Bible. I did not find the Bible itself, but I did find a copy of the data that was in the Bible.

This Bible was the family Bible of Joseph Phillips, who is said to have settled on the Yadkin River in Rowan County, N. C., (the section that was later Surry County) prior to the Revolution. The family legend was that he married a Dutch woman, and the Bible was always called "that old Dutch Bible". It was handed down through various branches of the family, and in recent years had come into possession of a certain John Henry Culler, who died last spring at an advanced age. This old man Culler in his lifetime would not let strangers see the Bible, but I contacted today a Mrs. Mary Ann Nichols, who lives in Yadkin County near East Bend, N. C. She has seen the Bible several times, and she has a copy of the data in the Bible. I am sending you a copy of the data she has.

Mrs. Nichols and others of the Phillips descendants say that the Phillips family came to this section from Louisa County, Va. However, I checked the records in Louisa County, Va., during a trip up into Virginia last summer and I could find nothing to verify that "legend". I did find data that indicated that the family came from that section of Virginia, but not in Louisa County.

EVIDENTLY JOSEPH PHILLIPS (ELDEST) DID NOT WRITE THE ENTRIES IN THE BIBLE, FOR IT DID NOT SHOW HIS EXACT BIRTH DATE. I THINK THE ENTRIES MUST HAVE BEEN MADE BY ONE OF HIS SEVERAL CHILDREN, SINCE HIS BIRTH DATE AND MARRIAGE ARE ONLY APPROXIMATIONS.

The Bible records in possession of Mrs. Nichols show the following:

FAMILY BIBLE DATA ON JOSEPH PHILLIPS FAMILY

Joseph Phillips, born about 1710, md. 1733 to Mary _____ (family legend says she was Dutch). Their children listed were

1. Bennett Phillips, b. September 8, 1734. (NOTE THAT HE DIED DURING REVOLUTION. ~~ZXSKMZXDM~~ HIS WILL WAS PROBATE IN SURRY COUNTY, N.C. IN AUGUST 1777.)
2. Jane Phillips, born February 13, 1736.
3. Joseph Phillips, Jr., born May 1738 (HE WAS IN THE AMERICAN REVOLUTION, BEING APPOINTED A CAPTAIN IN SURRY COUNTY ON MAY 3, 1776)
4. William Phillips, born December 5, 1740.
5. John Phillips, born May 28, 1746.
6. Mary Ann Phillips, born February 2, 1748.
7. Elizabeth Phillips, born Nov. 9, 1751.
8. Abram Phillips, born September 13, 1756.

THE BIBLE EVIDENTLY CAME DOWN THROUGH THE ABRAM PHILLIPS LINE, FOR MRS. NICHOLS DATA THEN SHOWS A LIST OF ABRAM PHILLIPS CHILDREN: IT DOES NOT GIVE ALL THE BIRTH DATES:

Abram Phillips, born September 13, 1756, md. Sarah Elizabeth Ridings. in 1780. (THAT DATE IS IN ERROR, AS I POSITIVELY KNOW. THE SURRY MRRIAGE BOND FOR ABRAHAM PHILLIPS AND SARAH RIDINGS IS FEBRUARY 18, 1799.) Mrs. Nichols record of his children then follows:

1. Fannie married William Shore (SURRY MG.BOND DATED OCT.23,1819
2. Aggie married William Sho~~re~~ (HE MUST HAVE MARRIED SISTERS)
3. Polly
4. William) TWINS
5. John) BORN February 4, 1804. (THIS DATE IN GIVEN BY HER)
6. Lewis, died young.
7. Edward, died young.
8. Dice, died young.
9. Santford, born January 15, 1816, died Thanksgiving Day, 1905.
10. Nancy, born 1805, married a Lakey.

HERE I INSERT A FURTHER COMMENT IN REGARD TO THE MARRIAGE DATE OF ABRAHAM PHILLIPS AND SALLIE (SARAH ELIZABETH) LAKEY. THE LINEAGE BOOK #5 OF THE DAUGHTERS OF THE AMERICAN COLONISTS, SHOWING THE LINEAGE OF MRS. BERTHA LAKEY ROCKELLE, ~~XXIXXXZXXXZ#ZXZX~~ GIVES THE MARRIAGE DATE AS 1799 AND SHOWS 1780 AS THE BIRTH DATE OF SARAH RIDINGS.

THE OTHER FAMILY INCLUDED IN THE RECORDS OF MRS. NICHOLS WAS OF HER OWN FATHER, WILLIAM NICHOLS, HE BEING ONE OF THE PAIR OF TWINS SHOWN ABOVE IN THE ABRAHAM PHILLIPS FAMILY. THAT FAMILY FOLLOWS

William Phillips, born February 4, 1804, married in 1824 to Sallie Glenn, she being born May 16, 1799 and died April 16, 1855. He was then married second in ~~1862~~ 1858 to Millie Spillman, who lived only a short while, and he then married third in 1862 to Jane Hunter. There were children by the first and third

marriages, and Mrs. Nichols records (taken from that old Bible) show them as follows:

BY FIRST MARRIAGE
1. Abram Phillips, born Sept. 8, 1825
2. Jeremiah Phillips, born May 24, 1827

BY THIRD MARRIAGE
3. William Green Phillips, born Sept. 7, 1863.
4. Elizabeth Jane Phillips, born July 7, 1865.
5. Santford Phillips, born December 25, 1866.
6. Sallie Pamelia Phillips, born October 1, 1869.
7. Joseph Phillips (TWIN)
8. Josiah Phillips (TWIN) born August 30, 1871.
9. Mary Ann Phillips, born December 6, 1873, md. William Edmund Nichols. Their marriage March 7, 1897. (SHE IS ONE WHO HAD THE FAMILY DATA.)

THERE WAS ALSO AN ENTRY OF THE BIRTH OF A WILLIAM PHILLIPS ON MAY 28, 1800, BUT IT DID NOT TELL WHO HE WAS OR WHY THE ENTRY WAS IN THE BIBLE.

It does not seem to me that the Bible information has given any further light on the parentage of Richard Phillips, who married Juliana Strub (Stroope). You remember that Richard and Juliana were the parents of "our" William Phillips, who married Esther Vickery. THE MORE I STUDY THE MATTER, THE MORE I THINK THAT RICHARD, FATHER OF "OUR WILLIAM", WAS THE SON OF EITHER BENNETT PHILLIPS OR JOSEPH PHILLIPS, JR. MRS. NICHOLS SAYS THAT HER FATHER(SHOWN IN ABOVE RECORDS) HAD TWO COUSINS NAMED RICHARD PHILLIPS, BUT SHE DOES NOT KNOW ANYTHING ABOUT EITHER OF THEM. SHE TELLS ME, AS HAVE OTHERS IN THE FAMILY, THAT EVERY PHILLIPS IN THIS SECTION WAS DESCENDED FROM THE OLD JOSEPH, WHO SETTLED ON THE YADKIN BEFORE THE REVOLUTION.

I am very reluctant to give up the search without straightening out this tangle, but I have gone about as far as I can do with the funds that your patron has put up. Thus far he has paid me $35, and I have done more work on the matter since starting last April than I sometimes have to do for twice that amount. I realize that I have not really unravelled the entire line, but it is really harder work and more of it on a problem like this than it is on some line that unravels several generations. After all, I did find the parentage of William Phillips, and I was able to go one generation further on the Strub family.

I will be glad to continue the search, if your patron wishes to finance it further, but it takes considerable driving and time to find any clues at all.

BY THE WAY, IS HE INTERESTED IN THE ANCESTRY OF ESTHER VICKERY PHILLIPS. OF COURSE HE KNOWS THAT SHE WAS THE DAUGHTER OF HARMON AND DELILAH VICKERY, BUT I HAVE JUST RECENTLY FOUND A CLUE ON THE PARENTAGE OF DELILAH VICKERY (MOTHER OF ESTHER). TRACING IT DOWN WILL REQUIRE AT LEAST 200 MILES DRIVING, BUT I WILL MAKE THAT "CHECK" FOR $12.00. I KNOW IT WILL AT LEAST YIELD THE NAME OF DELILAH VICKERY'S FATHER AND PERHAPS IT MAY UNRAVEL MUCH MORE.

As I have told you in several other cases, I am sorry for the delay, but my school work takes a lot of time, and I have just not been able to get around to it until Christmas holidays.

Very truly yours
