

This Testament is worn and yellowed but in good condition except the first few pages and the date it was published are missing. The handwriting recording the dates are on the blank page at the front of the book and the last blank page in the back which records the dates James and Rebecca joined the church and were baptised. They are still firmly attached in the book.

The small paper recording the birth and death dates of John Thomas and George R. Mosley was found loose in the book and on the reverse side is some writing signed by Celia A. Mosley.

This is believed to be the penmanship of James H. Mosley but we are not certain. The book measures approximately $7\frac{1}{2}$ inches wide by $11\frac{1}{2}$ inches long and is about $1\frac{1}{2}$ inches thick.

JAMES H. MOSLEY FAMILY BIBLE
RECORD

This Bible record was taken from the Testament first owned by James H. Mosley and his wife Rebecca(Dunbar) Mosley.

James H. was the son of Theophilus Robert and Sallie(Gillespie)Mosley. Rebecca was the daughter of William and Elizabeth(Giles)Dunbar.

After the death of her parents Mary Aner(Anna) (Mosley)Jones had the Testament and it was then passed on to her daughter, Mrs. Ruth Simpson who graciously loaned the book to me to copy.
