## ***Gone Home Now***

*Don't worry about me now  
I've gone home to a better place  
No pain now  
It's joy and peace here  
I can walk and run down streets of gold  
I can touch the walls of jasper  
And put my feet on the sands of Jordan  
A band of angels just lifted me up and carried me home  
I didn't want to leave you all  
But Jesus called me and I had to go  
O how beautiful it is  
I'll be waiting by the river for you  
No more sorrow  
Everything is beautiful  
I am in Gods beautiful garden  
My loved ones were so glad to see me  
They welcomed me home  
But best of all I got to shake  
the hand of Jesus  
I hope to meet you on Heaven's  
bright shore.*

## ***Thank You***

*The loss of the one we held so dear.  
It was to us a great comfort indeed,  
To see you in the time of sorrow and need.  
So from our hearts which you tried to help mend,  
We thank you sincerely again and again  
For being such wonderful friends.*
