Sat. Night May 29, 1959.

Carol this is your 16th Birthday, sweet as ever
to me. For just a few minutes I'd like to recall
back 16 years ago tonight, but guess its best
not to. You are growing up now a little older
every day. For the past 16 years I have loved you
every minute. I can never forget the good times
we had and also the times that maybe were
a little bit not so good. What made me feel so
good was to make you happy at times. I only
wish I could offer you more than I have, but
I can offer all my love. To me, Carol you are
still my Little Girl. you have brought sunshine
to my life many a time. Carol as you go on through
life you'll find that True Love is worth more
than gold or silver. I wish you the very best of
luck as you grow older for someone or something
you deserves the best of everything, my love for
you will never die. I hope your future will be
filled with love & happiness. I get so lonesome
when you're not with me, but guess I'll just have to
get use to it, because I know you are growing
older every day. Carol just always be a sweet & nice
girl for Mother. I wouldn't tell you anything wrong
for the whole world. Just keep your chin up & face
the ~~future~~ future with a smile and never forget
Mother loves you with all my heart, and if
you ever need me, Call Me. Good night and May
God bless you. Carol all through life. To my
little girl who is growing up, yours all my
love forever & ever.

Love Always.

Mother.

All here goes. I couldn't write down on one page all the things we've done together. Can't ever forget the homecoming game and our ride in the convertible. Thanks for all help you gave me in trying out for cheerleading. Don't forget the ballgames during 58-59 season. Don't ever forget our marching M. Xmas Christmas Parade. Don't forget our going up town and how we got there. Can't forget our days in D.H.S. band.

And I'll close for now with this pray the best of everything come to you & your's in the future you deserve it.

Don't forget our Sophomore picnic to Reynolds Park & coming back hey I'm lost too.

Hope we have as much fun the 2 years as we had in the past 2.

Love "ya", A friend forever

Carol,

I "wuv" you. I guess I could write forever but those three little words say simply the way I feel about you. There is none that can fill your place in my heart or life. Who listens to my tidings if not Carol. Who listens to the good things? Carol.

Since we met we have [illegible] done things together. In the [illegible] started in band together [illegible] our classes, [illegible] together. Always together. May it always be that way.

When ever your "one" may be may he be the best to match the best girl I know. May happiness, health, and success come your way. May your every undertaking be a complete success.

I could write nice things about you all night but to put [illegible] nutshell:

Good Luck & I Love You

"Hail, Hail, the Gang's All Here!"

Dearest Niece,

Well I can't believe you're one longer a
Soph. Just a junior in high school. Now I'm a
so-ph. How 'bout that?

I'm glad you've gone this far in your
studies and I'm sure you'll make your grad

[illegible] your predestined position!
Evidently, I don't have one!!!!

I wish for you [illegible] J. B. the best of luck
and love. Please be sure that [illegible] because you know
the disappointments these [illegible] can create."
[illegible] the field and have
fun!

Now Carol Frances in the
greatest. No one "could"
have as much a time
as I have. We've had
loads of fun, trouble,
and almost everything
else together!! Let's look
for a better future

Here's wishing to you,
Carol Frances Bolden, the
best of everything the
life has to offer. The
"best" deserves the "best".

Yet to be, au revoir,

With all my love, happy

May God bless you always.

ALMA MATER

Hail, Alma Mater, we sing to thee,
Thou more than worthy of our loyalty!
Guide of our youthful days, our praise to thee belongs,
Accept now the tribute of our heartfelt songs.

Hail, Alma Mater, we sing to thee,
Enshrined forever in our memory!
Thy living spirit leads us in the ways of truth:
To thee, Alma Mater, rise the songs of youth.
