Leaving Mount Airy

Dr. T. H. Worrell, veteran Mount Airy physician, announced this week that he will retire from active practice and will move to his country home near Hillsville, Va. He is now on a two weeks trip to Florida. (Photo courtesy Twin-City Sentinel).

Dr. T. H. Worrell Going To Virginia — *Mount Airy Physician Retires From Practice*

Dr. Thomas H. Worrell, who has practiced medicine in and about Mount Airy for the past twenty-two years, this week announced that he would retire from active practice and would move from Mount Airy to his beautiful country estate near Hillsville, Va., where he will engage in dairy farming.

Dr. Worrell came to Mount Airy in June 1917, he called it "the cranking days of the T-Model Ford" as he reminisced this week, and accepted a position as "company doctor" for the cooperative medical association that for many years has been in operation under the supervision of the furniture factories here in Mount Airy.

He has continued to serve the industrial workers of Mount Airy as the official physician of their association through almost a quarter of a century, rendering yeoman service in a number of epidemics of influenza, scarlet fever and other ailments. He himself once fell victim to scarlet fever, but he recovered rapidly and was soon about his practice.

Perhaps one of the most trying

times in his long period of service here came within a few months after he moved to Mount Airy, for it was shortly after his arrival that the terrible "flu epidemic of 1918" struck the city and surrounding community, and it was his ministrations to the influenza sufferers that did much to stem the tide of the epidemic here. He also recalls that he has ushered some 3,500 babies into the world since coming here, among them two sets of triplets and numerous sets of twins.

It was some years ago that he became interested in the restoration of the beautiful home place of the Major C. C. Worrell on top of the Blue Ridge Mountains, and today that old home is one of the show places of the section. It is there that Dr. Worrell will make his home after he returns from a two-weeks vacation trip to Florida.

His practice here will be taken over by Dr. Robert M. Caldwell, of Galax, Va., who has been in Mount Airy for some time, associating with Dr. Worrell and acquainting himself with the work.

Hillsville Boy Is Killed In Wreck

Rudolph Worrell, 17 year old Hillsville high school boy, was fatally injured last Monday afternoon when a light roadster, in which he and two other boys were riding, left U. S. Highway 121 near Hillsville and overturned to pin him beneath the car. He was rushed to the Martin Memorial Hospital here for treatment but he died about 11:30 o'clock Monday night.

The car turned completely over several times when it left the highway, throwing the two companions of young Worrell clear of the wreckage as it turned. They escaped with only minor hurts, but Worrell was caught beneath the car and sustained a severe fracture at the base of the skull with cerebral injuries from which he never rallied.

Young Worrell was born near Hillsville in 1915, the son of J. T. and Fannie DeHaven Worrell. He was a student in the Hillsville High School. He is survived by his parents and by several brothers and sisters. Funeral services were held from the home at 2 o'clock Wednesday afternoon, and interment was made in the Worrell cemetery.

Notes for Joseph Kenny WORRELL:

Esther Johnson, 2619 Westfield Rd., Mt. Airy, N. C. email at epdj1@embarqmail.com.

Source: Joseph Worrell Family bible. Prince Worrell had the bible at one time. his sister Myrtle McGrady came and got it. I copied every thing out of it that I could. There was a dream that Joseph had written down on paper that he had. They believed, you had to have some kind of vision or dream to join the church. So they let him join after he had the dream. IN bible it had Joseph born Oct 1832, on stone it has 24 Jun 1832. On microfiche from Salt Lake, Grayson Co, Va. was listed for Joseph Worrell.

Wife **Emily Crig SHINNAULT**

Notes for Emily Crig SHINNAULT:

Child 9 **George WORRELL**

Notes for George WORRELL:

George Worrell was born 20 May, 1871 to Joseph Worrell and Emily Shinnault. Lenore Dalton was born 21 June, 1874 to Henry Clay Dalton and Tabitha Mabry.

On the 17 Dec. 1891, George and Lenore were united in marriage. They lived most of their life close to Worrell Church in Carroll Co. Va.

George passed away 10 Feb. 1949. Lenore passed away 12 Jan. 1975 at the age of 100 years. They are both buried in the Worrell Cem. within walking distance of their home.

George and Lenore were both very talented people. George did carpentry work, but was a brick mason by trade and mostly built chimneys for people. He could do blacksmith work and had a blacksmith shop at his home. He also did cobbler work and made shoes and mended them for his neighbors and family.

Lenore was a very good homemaker. She quilted, embroidered, crocheted, appliqued, and did a lot of sewing, all with her fingers. She had a spinning wheel and had been married around 14 years when she got her sewing machine. George used the sewing machine to sew shoes on, which was not to Lenore's liking.

Lenore also entertained her family by playing the fiddle and conastina. A lot of these talents came down to George and Lenore's descendants.

Records show that they had 10 children, Amos Worrell who married Eller Jarrell, Marion Worrell who married Maryetta McRoberts, Prince Worrell who married Alice Adaline Gates, Tabitha "Myrtle" who married Spurgeon McGrady, Heath Worrell who married Dona McRoberts, Denver Worrell who married Stevens, Jesse Worrell who passed away at 9 months, Clyde Worrell who married Evelyn Goins, "Mary" Mageline who married Barney Hall; and an infant. There are three of these children still living; Myrtle, Mary, and Clyde.
